SENATE CONCURRENT RESOLUTION NO. 13

3

IN THE LEGISLATURE OF THE STATE OF ALASKA

4

TENTH LEGISLATURE - FIRST SESSION

5

Annulling a regulation which limits those

6

costs which may be included in the "total

7

project cost" in the computation of amounts

8

payable for hospital construction under

9

state revenue sharing.

10 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11

WHEREAS under AS 44.62.320 the legislature may annul regulations of a
department by concurrent resolution adopted by a vote of both houses; and

12

WHEREAS the legislature, by the enactment of AS 43.18.010, intended that
if state matching aid for construction does not total 25 per cent of the
total project cost of a hospital, state revenue-sharing money be paid to the
sponsor of the hospital until an amount is paid which, when coupled with the
amount of state matching aid, equals 25 per cent of the project cost; and

13

WHEREAS the Department of Community and Regional Affairs has frustrated
the legislature's intent by adopting a regulation which allows the 25 per
cent figure to be applied against only those costs which are eligible to be
paid under the federal Hill-Burton Construction Program, thereby excluding
many costs which would otherwise be figured into a computation of the total
project cost;

14

BE IT RESOLVED by the Alaska State Legislature that administrative
regulation 19 AAC 30.020(9)(C) is annulled.
