1 IN THE SENATE

BY THE SPECIAL COMMITTEE
ON TELECOMMUNICATIONS

2 HOUSE CS FOR SENATE CONCURRENT RESOLUTION NO. 57 am H

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 TENTH LEGISLATURE - FIRST SESSION

5 Relating to a legislative teleconferencing
6 network.

7 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

8 WHEREAS the use of teleconferencing has been demonstrated to be useful
9 and desirable in broadening the two-way contact between constituents and
10 legislators; and

11 WHEREAS increased use of teleconferencing can extend legislative respon-
12 siveness to the public and can increase public confidence in the legislature;

13 BE IT RESOLVED by the Alaska State Legislature that the Legislative
14 Council is directed to form a Legislative Teleconferencing Network Task Force
15 based upon the following criteria:

16 (1) The chairman of the Legislative Council shall be the chairman
17 of the task force.

18 (2) The chairman of the Legislative Council shall appoint five
19 members to the task force from the legislature to represent the reasonable
20 needs of the legislature which a teleconferencing network must recognize in
21 order to be successful. Preference shall be given to those legislators who
22 represent communities receiving the first teleconferencing centers; however,
23 no more than one legislator from each community may be appointed to the task
24 force.

25 (3) The Legislative Council shall request the Alaska Public Broad-
26 casting Commission to appoint members to the task force to represent the
27 reasonable needs of communities which a teleconferencing network must recog-
28 nize in order to be successful. These members shall be appointed in accor-
29 dance with the following guidelines:

1 (A) an equal number of members, representing the communities
2 from which they are chosen, shall be chosen from each of the communities
3 receiving the first teleconferencing centers;

4 (B) each member shall have demonstrated an involvement in
5 community affairs and a commitment to increasing citizen participation
6 in policy making;

7 (C) no member may have a financial interest in the tele-
8 communications industry;

9 (4) The task force shall have no more than 20 members; and be it

10 FURTHER RESOLVED that the purpose of the task force is to make recommen-
11 dations to the Legislative Council concerning a system design for a tele-
12 conferencing network based on the following guidelines:

13 (1) The system shall operate in Anchorage, Bethel, Fairbanks,
14 Ketchikan, Juneau, and Nome with allowance for expansion into other commu-
15 nities in the future as those other communities develop the necessary techni-
16 cal capabilities.

17 (2) The system shall provide residents of the communities affected
18 with an easy-to-use means of participating in legislative committee hearings
19 and obtaining information about legislation.

20 (3) The system shall be a closed circuit system with transmission
21 between the capital and centrally located community teleconferencing centers
22 in the communities affected. Constituents wishing to testify shall report to
23 these community teleconferencing centers in accordance with recommendations
24 made by the task force.

25 (4) The system shall be operational by January 15, 1978.

26 (5) The task force shall consider both technical and managerial
27 components of the system drawing upon the expertise of the state office of
28 telecommunications and any legislative committee on telecommunications and
29 make reasonable compromises in the event of conflicting needs of user groups;

1 and be it

2 FURTHER RESOLVED that nothing in this resolution shall be interpreted or
3 construed as regulating any broadcasting entity, public or private, or in any
4 manner interfering with efforts of the Alaska Public Broadcasting Commission
5 to provide timely legislative news coverage; and be it

6 FURTHER RESOLVED that it is not the purpose of this resolution to pro-
7 vide a system for broadcasting committee hearings directly into people's
8 homes, although that option may be made available to local broadcasters if
9 they determine that local interest warrants it; and be it

10 FURTHER RESOLVED that the Legislative Council shall receive the recom-
11 mendations of the task force and, subject to the Council's approval, transmit
12 them to the Legislative Affairs Agency for implementation and administration;
13 and be it

14 FURTHER RESOLVED that the Legislative Affairs Agency may contract with
15 the state office of telecommunications or other source of technical expertise
16 for the implementation of the recommended program; and be it

17 FURTHER RESOLVED that once operational the system shall be administered
18 by the Legislative Affairs Agency and when feasible the Legislative Affairs
19 Agency may make the system available to other governmental agencies on a
20 reimbursable costs basis; and be it

21 FURTHER RESOLVED that the Legislative Affairs Agency shall carry out a
22 program of public education and encouragement relating to the use of the
23 legislative teleconferencing network system.
