5

Requesting the Department of Trans-

6

portation and Public Facilities to

7

examine and report on the feasibility

8

of construction of a road between

9

Wales and Tin City.

10

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11

WHEREAS an improved surface transportation route between the community

of Wales and facilities at Tin City would alleviate problems in moving

13

persons and goods between the two points, especially when weather conditions

14

are adverse; and

15

WHEREAS an all-weather surface link between the two points would materi-

16

ally assist access between Wales and traditional subsistence hunting and

subsistence lifestyle of the residents of that community;

19

BE IT RESOLVED by the Alaska State Legislature that it respectfully
