BY THE RESOURCES COMMITTEE

2 CS FOR SENATE BILL NO. 218 (Resources)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 TWELFTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to waste heat produced by certain
7 pipeline facilities; and providing for an effective
8 date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 38.35 is amended by adding a new section to read:

11 Sec. 38.35.226. CONSTRUCTION OF PUMP AND COMPRESSOR STATIONS.

12 (a) The commissioner may require a stipulation in a lease that a pump
13 or compressor station designed and constructed after January 1, 1982,
14 for an oil or natural gas pipeline on state land leased under this
15 chapter shall be designed and constructed so that waste heat produced
16 by the pump or compressor station may be used in the state.

17 (b) A waste heat facility may not be required under any stipula-
18 tion in a lease unless

19 (1) the waste heat facility is technologically possible and
20 economically feasible;

21 (2) the waste heat facility is compatible with the pipeline
22 facility and does not interfere with the operation of the pipeline or
23 create safety or environmental hazards;

24 (3) an agreement on the purchase of waste heat and additional
25 costs of design and construction of a waste heat facility is executed
26 before the construction of the pump or compressor station.

27 (c) The owner of the pipeline may charge to the purchaser of the
28 waste heat the additional cost of constructing a pump or compressor
29 station for use of waste heat as required by (b) of this section. The

1 amount of money to be paid for the waste heat generated by a pump or
2 compressor station shall be determined under terms of a contract
3 negotiated between the owner and the purchaser of the waste heat.

4 * Sec. 2. This Act takes effect January 1, 1982.
