2 SENATE BILL NO. 849

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 TWELFTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act relating to minimum crew requirements for the
7 operation of railroad trains and engines; and providing
8 for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 23.10.420(a) is repealed and reenacted to read:

11 (a) No person operating an Interstate Commerce Commission-regulated
12 railroad offering passenger service in this state may operate a train or
13 engine, outside of yard limits, regardless of the form of energy used
14 for propulsion, unless it meets the following requirements:

15 (1) a passenger train or a mixed passenger-freight train with
16 more than two cars carrying passengers shall have at least a minimum
17 passenger crew, which shall consist of one locomotive engineer, one
18 locomotive fireman (or helper), one conductor, one brakeman, and one
19 flagman;

20 (2) a light engine without cars shall have at least a minimum
21 light engine crew, which shall consist of one locomotive engineer and
22 one locomotive fireman (or helper).

23 * Sec. 2. This Act takes effect immediately in accordance with AS 01.10.-
24 070(c).
