IN THE LEGISLATURE OF THE STATE OF ALASKA

4

THIRTEENTH LEGISLATURE - SECOND SESSION

5

A BILL

6 For an Act entitled: "An Act relating to criminal use of a computer."

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

8 * Section 1. AS 11.46 is amended by adding a new section to read:

9 Sec. 11.46.575. CRIMINAL USE OF COMPUTER. (a) A person commits
10 the offense of criminal use of a computer if the person knowingly
11 accesses or causes to be accessed a computer system or computer net-
12 work with the intent to

13 (1) devise or execute a scheme to deceive or defraud
14 another person;

15 (2) obtain money, property, or services to deceive or
16 defraud another person;

17 (3) with no legal right to do so, obtain information con-
18 cerning a person;

19 (4) with no legal right to do so, introduce false informa-
20 tion into a computer system or computer network with the intent to
21 damage or enhance the data record of a person; or

22 (5) with no legal right to do so, alter, delete, damage, or
23 destroy a computer system, computer network, computer program, or
24 data.

25 (b) Criminal use of a computer is a class C felony.

26 (c) In this section

27 (1) "access" means to instruct, communicate with, store
28 data in, or retrieve data from a computer system or computer network;

29 (2) "computer network" means an interconnection of two or

1 more computer systems;

2 (3) "computer program" means an ordered set of data repre-
3 senting coded instructions or statements that, when executed by a
4 computer system, cause the computer system to process data;

5 (4) "computer system" means an electronic device or collec-
6 tion of devices that perform logical, arithmetic, and memory functions
7 using electronic or magnetic impulses, and includes all input, output,
8 processing, storage, computer software, and communication facilities
9 that are connected or related to a computer or computer network;

10 (5) "data" means a representation of information, know-
11 ledge, facts, concepts, or instructions, that are being prepared or
12 have been prepared in a formalized manner and are intended for use in
13 a computer system or computer network.
