1 IN THE HOUSE BY THE STATE AFFAIRS COMMITTEE
2 CS FOR HOUSE JOINT RESOLUTION NO. 25 (State Affairs)
3 IN THE LEGISLATURE OF THE STATE OF ALASKA
4 THIRTEENTH LEGISLATURE - FIRST SESSION
5 Requesting the Secretary of the United
6 States Department of Transportation to
7 revise the standard time zones in which
8 Alaska is located.
9 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:
10 WHEREAS Alaska is the only state that spans four time zones; and
11 WHEREAS the time differences between the communities in Alaska create
12 an artificial barrier that impairs efforts to improve communications among
13 the widely scattered population centers of this vast state; and
14 WHEREAS the elimination of the time differential between the state
15 capital and the other centers of finance, trade, and commerce in Alaska
16 would bring state government closer to all the people of the state; and
17 WHEREAS the transfer of most of Alaska to the Yukon Standard Time Zone
18 would place most Alaskans on an identical time schedule that would avoid
19 inconvenience to the traveler, the transportation industry, and other
20 commercial enterprises; and
21 WHEREAS revising the standard time zones in which Alaska is located
22 should be accomplished in a manner that will create a minimum of disruption
23 for the transportation industry and the people of the state; and
24 WHEREAS federal law (15 U.S.C. secs. 260 - 267; 49 U.S.C. sec. 1655-
25 (e)(5)) regulates the time on which all federal offices and common carriers
26 engaged in interstate and foreign commerce operate and grants to the United
27 States Secretary of Transportation the authority to redefine the boundaries
28 of time zones that serve the United States;
29 BE IT RESOLVED that the Alaska State Legislature requests the

1 Secretary of the United States Department of Transportation to redefine the
2 boundaries of the time zones in which Alaska is located by shifting those
3 portions of the state located in the Pacific Standard Time Zone and the
4 Alaska Standard Time Zone to the Yukon Standard Time Zone and by shifting
5 that portion of the state located in the Bering Standard Time Zone to the
6 Alaska Standard Time Zone; and be it

7 FURTHER RESOLVED that these changes be made during 1983 by setting the
8 time ahead one hour in the spring at the beginning of Daylight Savings Time
9 for only those portions of the state located in the Alaska Standard Time
10 Zone or the Bering Standard Time Zone and by setting the time back one hour
11 in the fall at the end of Daylight Savings Time for only that portion of
12 the state located in the Pacific Standard Time Zone.

13 COPIES of this resolution shall be sent to the Honorable Elizabeth
14 Dole, Secretary of the U.S. Department of Transportation; and to the
15 Honorable Ted Stevens and the Honorable Frank Murkowski, U.S. Senators, and
16 the Honorable Don Young, U.S. Representative, members of the Alaska delega-
17 tion in Congress.
