A BILL

6 For an Act entitled: "An Act establishing the Alaska senior citizen em-  
7 ployment team program and fund; and providing for an  
8 effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 \* Section 1. FINDINGS AND INTENT. The legislature finds that the  
11 wealth of experience, expertise, and wisdom of older Alaskans constitutes a  
12 valuable state resource. It is the intent of the legislature that this  
13 resource be developed in order to address the needs and problems of  
14 Alaskans, to enable older Alaskans to earn a reasonable wage, and to im-  
15 prove the general welfare of the people of the state.

16 \* Sec. 2. PURPOSE. This Act provides for the Alaska senior citizen  
17 employment team (ASCET) program of job training and full-time and part-time  
18 employment. The purpose of this Act is to strengthen and supplement  
19 efforts to eliminate human, social, and environmental problems in Alaska by  
20 encouraging and enabling Alaska residents 60 years of age and older from  
21 all walks of life to perform meaningful and constructive service to their  
22 communities and to find employment with public and private employers.

23 \* Sec. 3. PROGRAM ESTABLISHED. The Alaska senior citizen employment  
24 team program is established under the Older Alaskans Commission, Department  
25 of Administration (AS 44.21.200). The executive director of the Older  
26 Alaskans Commission is the director of the program.

27 \* Sec. 4. FUND ESTABLISHED. (a) The Alaska senior citizen employment  
28 team fund is established in the Department of Administration and consists  
29 of money appropriated to it by the legislature.

1 (b) The fund shall be administered by the director for the following  
2 purposes:

3 (1) to reimburse participating employers for wages paid to an  
4 enrollee and expenses incurred on behalf of an enrollee under terms of this  
5 Act;

6 (2) to employ or contract for staff and services necessary to  
7 accomplish the purposes of this Act.

8 \* Sec. 5. ENROLLEES. The director shall recruit, select, and enroll  
9 Alaska residents 60 years of age and older to perform full-time and part-  
10 time service in eligible programs under sec. 6 of this Act. The director  
11 may provide for the short-term training necessary to make the most effec-  
12 tive use of the skills and talents of enrollees.

13 \* Sec. 6. CONTRACTS FOR EMPLOYMENT OF ENROLLEES. (a) The director may  
14 contract for the employment of an enrollee by any employer in the state to  
15 accomplish a purpose of this Act. A contract under this section shall  
16 provide for the employment of an enrollee at a wage of not less than \$5 an  
17 hour and may provide that an enrollee may work full time or part time, may  
18 share the job with another person, and may arrange to work on a "flex-time"  
19 basis. The contract may provide for on-the-job training or other job-  
20 related training to be given by the employer, with a guarantee of employ-  
21 ment upon successful completion of the training. The contract shall re-  
22 quire an employer of an enrollee to establish a procedure for an enrollee  
23 to present and obtain resolution of grievances with the employer concerning  
24 terms and conditions of employment. The procedure shall provide the en-  
25 rollee with notice and the opportunity to be heard. The contract shall  
26 require the employer to pay the wages of the enrollee, to provide all  
27 employee benefits required by state and federal law, and to provide the  
28 enrollee with a written description of the duties to be performed by the  
29 enrollee. The contract shall specifically provide that the employer will

1 not discriminate with respect to the program because of age, race, creed,  
2 color, national origin, sex, sexual orientation, marital status, parental  
3 status, physical disability, or political affiliation. The contract shall  
4 provide that the enrollee may not be employed to displace an employee who  
5 is not an enrollee. The director upon request shall provide an enrollee  
6 employed under this program with a copy of the enrollee's contract of  
7 employment.

8 (b) An employer is eligible to receive reimbursement of all or a por-  
9 tion of the wages paid to an enrollee, and expenses authorized by the  
10 director and incurred on behalf of an enrollee, in amounts specified in the  
11 contract of employment and in a manner prescribed by regulations adopted by  
12 the director.

13 (c) The director shall assign an enrollee to work in the community in  
14 which the enrollee resides, or a nearby community, unless the enrollee  
15 agrees to serve elsewhere in the state.

16 \* Sec. 7. AUDIT. A program or business employing an enrollee under  
17 this Act is subject to audit by the legislative audit division.

18 \* Sec. 8. ANNUAL REPORT. The director shall submit to the legislature  
19 each January a report of the activities of the Alaska senior citizen em-  
20 ployment team program.
