Sec. 47.45.030. ABSENCE FROM THE STATE. After qualification, a
recipient shall notify the commissioner of administration when the
recipient expects to be absent from the state if the absence is for a
continuous period that exceeds 30 days. After that notification, the
recipient may no longer receive bonuses from the Department of
Administration after the last regularly approved monthly application.
Upon returning to the state, the recipient may again make application
for a bonus. Whenever the absence is for a continuous period that
exceeds 120 [90] days the recipient shall be disqualified from
receiving bonuses for the next 12 calendar months after returning to
the state. However, when the commissioner of administration
determines a period of absence is beyond the control of the recipient,
the recipient may not be disqualified if the recipient still otherwise
qualifies upon returning to the state. Continual absences from the
state, even though reported, and failure to notify the commissioner of
an expected absence may be grounds for disqualification.
