6 For an Act entitled: "An Act relating to disability insurance; and provid-  
7 ing for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 \* Section 1. AS 21 is amended by adding a new chapter to read:

10 CHAPTER 55. STATE DISABILITY INSURANCE.

11 ARTICLE 1. COMPREHENSIVE DISABILITY INSURANCE ASSOCIATION.

12 Sec. 21.55.010. CREATION; MEMBERSHIP. There is established a  
13 nonprofit incorporated legal entity to be known as the Comprehensive  
14 Disability Insurance Association. Membership consists of all licensed  
15 hospital or medical service corporations in the state that offer  
16 subscriber contracts for major medical coverage and all insurers  
17 licensed to transact disability insurance in the state that offer  
18 policies for major medical coverage on an expense incurred basis. All  
19 members shall maintain membership in the association as a condition of  
20 doing disability insurance business, or being able to offer subscriber  
21 contracts, in the state.

22 Sec. 21.55.020. BOARD OF DIRECTORS; ORGANIZATION. The board of  
23 directors of the association shall be made up of seven individuals  
24 selected by participating members, subject to approval by the director  
25 of the division of insurance. The director or the director's designee  
26 shall serve as a nonvoting ex officio member of the board. In deter-  
27 mining voting rights at members' meetings, a member is entitled to  
28 vote in person or proxy. The vote shall be a weighted vote based upon  
29 the member's premiums for disability insurance for major medical

1 coverage on an expense incurred basis, or the member's subscriber  
2 fees, derived from or on behalf of state residents in the previous  
3 calendar year, as determined by the director. In approving members of  
4 the board, the director shall consider, among other things, whether  
5 all types of participating members are fairly represented. Members of  
6 the board other than the director or the director's designee may be  
7 reimbursed from the association for expenses incurred by them as  
8 members, but may not otherwise be compensated by the association for  
9 their services. The costs of conducting meetings of the association  
10 and its board of directors shall be borne by members of the associa-  
11 tion.

12 Sec. 21.55.030. GENERAL POWERS. The association may

13 (1) exercise the powers granted to insurers under the laws  
14 of the state;

15 (2) sue or be sued;

16 (3) enter into contracts with insurers, similar associa-  
17 tions in other states, or with other persons for the performance of  
18 administrative functions;

19 (4) establish administrative and accounting procedures for  
20 the operation of the association.

21 Sec. 21.55.040. PLAN OF OPERATION. (a) The association shall  
22 submit to the director a plan of operation and any amendments neces-  
23 sary or suitable to assure the fair, reasonable, and equitable admin-  
24 istration of the association. The plan of operation and amendments  
25 become effective upon approval in writing by the director. If the  
26 association fails to submit a suitable plan of operation by a date  
27 that is 180 days after the effective date of this Act, or if at any  
28 subsequent time the association fails to submit suitable amendments to  
29 the plan, the director may, after notice and hearing, adopt reasonable

1 regulations necessary or advisable to effectuate the provisions of  
2 this chapter. These regulations shall continue in force until mod-  
3 ified by the director or superseded by a plan submitted by the asso-  
4 ciation and approved by the director.

5 (b) All members of the association shall comply with the plan of  
6 operation.

7 (c) The plan of operation shall

8 (1) establish the procedures whereby all the powers and  
9 duties of the association under this chapter will be performed;

10 (2) establish procedures for handling assets of the asso-  
11 ciation;

12 (3) establish the amount and method of reimbursing members  
13 of the board of directors under AS 21.55.020;

14 (4) establish regular places and times for meetings of the  
15 board of directors;

16 (5) establish procedures for records to be kept of all  
17 financial transactions of the association, its agents, and the board  
18 of directors;

19 (6) provide that any member insurer aggrieved by a final  
20 action or decision of the association may appeal to the director  
21 within 30 days after the action or decision;

22 (7) establish the procedures whereby selections for the  
23 board of directors will be submitted to the director;

24 (8) contain additional provisions necessary or proper for  
25 the execution of the powers and duties of the association.

26 Sec. 21.55.050. ADMINISTRATIVE PROCEDURE ACT. The association  
27 is exempt from the Administrative Procedure Act (AS 44.62).

28 Sec. 21.55.060. TAX EXEMPTION. The association is exempt from  
29 the payment of fees and taxes levied by the state or any of its

1 political subdivisions except taxes levied on real or personal proper-  
2 ty.

3 ARTICLE 2. STATE DISABILITY INSURANCE PLANS.

4 Sec. 21.55.100. TYPES OF INSURANCE PLANS. (a) The association  
5 shall make available to residents who are high risks an individual  
6 state plan of disability insurance. The association shall offer three  
7 alternatives related to deductibles as described in AS 21.55.120.

8 (b) The association shall make available to residents who are  
9 high risks and 65 years of age or older a medicare supplement plan  
10 that meets the minimum policy standards and minimum benefit standards  
11 established by regulations adopted by the director under AS 21.89.060.

12 (c) The association may not deny coverage under a state plan to  
13 a resident who satisfies the requirements of AS 21.55.300 - 21.55.310.  
14 The association shall determine whether a person is a high risk in  
15 accordance with AS 21.55.500(9) and the director's regulations.

16 Sec. 21.55.110. MINIMUM BENEFITS OF STATE DISABILITY INSURANCE  
17 PLAN. Except as provided in AS 21.55.120 - 21.55.140, the minimum  
18 standard benefits of a disability insurance plan offered under AS 21.-  
19 55.100(a) shall be benefits with a lifetime maximum of \$1,000,000 per  
20 individual, for usual, customary, reasonable, or prevailing charges  
21 or, when applicable, the allowance agreed upon between a provider and  
22 the writing carrier for charges, for the following medical services  
23 performed for an individual covered by the plan for the diagnosis or  
24 treatment of nonoccupational disease or nonoccupational injury:

25 (1) hospital services;

26 (2) subject to the limitations of AS 21.36.090(d), profes-

28 nurse at the physician's direction, other than services for mental or  
29 dental conditions;

- 1                   (3) the diagnosis or treatment of mental conditions, as

9 visits in a calendar year if the services commence within seven days  
10 following confinement in a hospital or skilled nursing facility of at  
11 least three consecutive days for the same condition, except that in  
12 the case of an individual diagnosed by a physician as terminally ill  
13 with a prognosis of six months or less to live, the home health agency  
14 services may commence irrespective of whether the covered person was  
15 previously confined or, if the covered person was confined, irrespec-  
16 tive of the seven-day period, and the yearly benefit for medical  
17 social services may not exceed \$200;
- 18                   (7) hospice services for up to six months in a calendar  
19 year;

25 to replace any anatomic structure lost during treatment for head and  
26 neck tumors or additional appliances essential for the support of the  
27 prosthesis;

29 than rental, of durable medical equipment that has no personal use in

- 1 the absence of the condition for which it was prescribed;
- 2 (14) diagnostic x-rays and laboratory tests;
- 3 (15) oral surgery for excision of partially or completely

10 treatment of the illness or injury and round trip transportation by  
11 air to the nearest health care institution for treatment of the ill-  
12 ness or injury if the treatment is not available locally; if the  
13 patient is a child under 12 years of age, the transportation charges  
14 of a parent or legal guardian accompanying the child may be paid if  
15 the attending physician certifies the need for the accompaniment;
- 16 (18) confinement in a licensed or certified facility estab-  
17 lished primarily for the treatment of alcohol or drug abuse or in a  
18 part of a hospital used primarily for this treatment, for a period of

24 treatment or diagnosis of an illness or injury as may be designated or  
25 approved by the director.

26 Sec. 21.55.120. DEDUCTIBLES AND COPAYMENTS. (a) A state plan  
27 other than a medicare supplement plan may require deductibles of \$200  
28 a person, \$500 a person, or \$1,000 a person. The amount of the deduc-  
29 tible may not be greater when a service is rendered on an outpatient

1 basis than when that service is offered on an inpatient basis. Ex-  
2 penses incurred during the last three months of a calendar year and  
3 actually applied to an individual's deductible for that year shall  
4 also be applied to that individual's deductible in the following  
5 calendar year. The \$200 maximum, the \$500 maximum, and the \$1,000  
6 maximum may be adjusted yearly to correspond with the change in the  
7 medical care component of the consumer price index, as adjusted by the  
8 director. The base year for the computation shall be the first full  
9 calendar year of operation of the association.

10 (b) A state plan other than a medicare supplement plan shall  
11 require a maximum copayment of 20 percent for charges for all types of  
12 health care in excess of the deductible and 50 percent for services  
13 described in AS 21.55.110(3) in excess of the deductible.

14 (c) The sum of the deductible and copayments required in any  
15 calendar year under a plan may not exceed a maximum limit of \$2,000  
16 per covered individual. Covered expenses incurred after the applica-  
17 ble maximum limit has been reached shall be paid at the rate of 100  
18 percent of usual, customary, reasonable, or prevailing charges, except  
19 that expenses incurred for treatment of mental and nervous conditions  
20 shall be paid at the rate of 50 percent. The \$2,000 maximum shall be  
21 adjusted yearly to correspond with the change in the medical care  
22 component of the consumer price index as adjusted by the director.

23 (d) In this section, "consumer price index" means the consumer  
24 price index for all urban consumers for the Anchorage Metropolitan  
25 Area compiled by the Bureau of Labor Statistics, United States Depart-  
26 ment of Labor.

27 Sec. 21.55.130. PREEXISTING CONDITIONS. (a) A preexisting  
28 condition exclusion in a state plan may not exclude coverage of a  
29 preexisting condition unless

1           (1) the condition first manifested itself within the period  
2 of three months immediately before the effective date of coverage in a  
3 manner that would cause a reasonably prudent person to seek diagnosis,  
4 care, or treatment; or

5           (2) medical advice or treatment was recommended or received  
6 within the period of three months immediately before the effective  
7 date of coverage.

8           (b) A policy may not exclude coverage for a loss due to pre-  
9 existing conditions for a period greater than six months following the  
10 effective date of coverage.

11           (c) A state plan issued to a person whose previous subscriber  
12 contract, disability policy, or medicare supplement policy was invol-  
13 untarily terminated shall credit the time covered under the previous  
14 contract or policy toward an exclusion for preexisting conditions  
15 under the state plan if the previous contract or policy had a similar  
16 preexisting condition exclusion and the person applies for a state  
17 plan within 31 days after termination of the previous contract or  
18 policy. If a person covered by this subsection is accepted by the  
19 writing carrier and pays a specified premium for retroactive coverage,  
20 the state plan is effective retroactively to the date on which the  
21 person's previous contract or policy terminated.

22           Sec. 21.55.140. CARE AND SERVICES NOT COVERED. A state plan may  
23 not provide benefits for charges for the following:

24           (1) care for an injury or disease either

25           (A) arising out of and in the course of an employment  
26 subject to a workers' compensation or similar law or where the  
27 benefit is required to be provided under a workers' compensation  
28 policy to a sole proprietor, business partner, or corporation  
29 officer; or

1 (B) to the extent benefits are payable without regard  
2 to fault under a coverage statutorily required to be contained in  
3 a motor vehicle or other liability insurance policy or equivalent  
4 self-insurance;

5 (2) treatment for cosmetic purposes other than surgery for  
6 the prompt repair of an accidental injury sustained while covered or  
7 for replacement of an anatomic structure removed during treatment of  
8 tumors;

9 (3) travel, other than transportation covered under AS 21.-  
10 55.110(17);

11 (4) private room accommodations to the extent it is in  
12 excess of the institution's most common charge for a semiprivate room;

13 (5) services or articles to the extent that the charge  
14 exceeds the reasonable charge in the locality for the service;

15 (6) services or articles that are determined not to be  
16 medically necessary, except for the fabrication or placement of the  
17 prosthesis as specified in AS 21.55.110(12) and (2) of this section;

18 (7) services or articles the provision of which is not  
19 within the scope of the license or certificate of the institution or  
20 individual rendering the services or articles;

21 (8) services or articles furnished, paid for or reimbursed  
22 directly by or under any law of a government, except as otherwise  
23 provided in this chapter;

24 (9) services or articles for custodial care or designed  
25 primarily to assist an individual in the activities of daily living;

26 (10) service charges that would not have been made if no  
27 insurance existed or for which the covered individual is not legally  
28 obligated to pay;

29 (11) eyeglasses, contact lenses, or hearing aids or the

1 fitting of them;

2 (12) dental care not specifically covered by this chapter;

3 (13) services of a registered nurse who ordinarily resides  
4 in the covered individual's home, or who is a member of the covered  
5 individual's family or the family of the covered individual's spouse;

6 (14) experimental procedures; and

7 (15) services and supplies for which the patient was not  
8 charged.

9 Sec. 21.55.150. STATE PLAN PREMIUMS. (a) The association may  
10 not charge a rate for coverage issued by or through the association  
11 that is excessive, inadequate, or unfairly discriminatory.

12 (b) The association shall use separate scales of premium rates  
13 based on age and geographic location of the insured.

14 (c) The five members of the association that insure, or have  
15 subscriber contracts with, the largest number of individuals in the  
16 state under plans with benefits substantially equivalent to the state  
17 plan benefits shall submit to the association an estimate of the rate  
18 that would be actuarially sound for a person who is a standard risk  
19 for coverage substantially equivalent to the state plan. The premium  
20 for a state plan may not exceed 150 percent of the average of those  
21 five estimates during the first year that the state plan is offered.  
22 Subsequent rates shall be established to provide fully for the  
23 expected costs of claims including recovery of prior losses using  
24 sound actuarial methods. In no event shall rates for the state plan  
25 exceed 200 percent of rates applicable to individual standard risks.  
26 Any change in rates shall be applied to the next quarterly billing  
27 with prior notice of the increase.

28 ARTICLE 3. ADMINISTRATION OF PLANS.

29 Sec. 21.55.200. SELECTION OF WRITING CARRIERS. The association

1 shall develop bid specifications for members that wish to be selected  
2 as a writing carrier to administer a state plan. The selection of the  
3 writing carrier shall be based upon criteria including the member's  
4 proven ability to handle a large number of disability insurance cases  
5 or subscriber contracts, efficient claim paying capacity, and the  
6 estimate of total charges for administering the plan.

7 Sec. 21.55.210. DUTIES OF WRITING CARRIERS. (a) The writing  
8 carrier shall perform the administrative and claims payment functions  
9 required by this section. The writing carrier shall provide these  
10 services for a period of three years, unless a request to terminate is  
11 approved by the director. The director shall approve or deny a re-  
12 quest to terminate within 90 days of its receipt. A failure to make a  
13 final decision on a request to terminate within the specified period  
14 shall be considered an approval. Six months before the expiration of  
15 each three-year period, the association shall invite submissions of  
16 policy forms from members of the association, including the writing  
17 carrier. The association shall follow the provisions of AS 21.55.210  
18 in selecting a writing carrier for the subsequent three-year period.

19 (b) The writing carrier shall provide to all eligible persons  
20 enrolled in a state plan an individual policy or certificate, setting  
21 out a statement of the insurance protection to which the person is  
22 entitled, with whom claims are to be filed, and to whom benefits are  
23 payable. The policy or certificate must indicate that coverage was  
24 obtained through the association.

25 (c) The writing carrier shall submit to the association and the  
26 director on a quarterly basis a report on the operation of the state  
27 plans. Specific information to be contained in the report shall be  
28 determined by the association.

29 (d) Claims shall be paid by the writing carrier and shall

1 indicate that the claim was paid under a state plan. A claim payment  
2 shall include a telephone number that can be used for inquiries regard-  
3 ding the claim.

4 (e) The writing carrier shall be reimbursed from the state plan  
5 premiums received for its direct and indirect expenses for administer-  
6 ing the plan. Direct and indirect expenses shall include a pro rata  
7 reimbursement for that portion of the writing carrier's administra-  
8 tive, printing, claims administration, management and building over-  
9 head expenses that are assignable to the maintenance and administra-  
10 tion of the state plans. The association shall approve cost account-  
11 ing methods to substantiate the writing carrier's cost reports consis-  
12 tent with generally accepted accounting principles. Direct and in-  
13 direct expenses may not include costs directly related to the original  
14 submission of policy forms before selection as the writing carrier.

15 (f) The writing carrier shall at all times when carrying out its  
16 duties under this chapter be considered an agent of the association.

17 Sec. 21.55.220. OPERATION OF THE PLAN. (a) Upon notification  
18 as an eligible person under AS 21.55.320, a person may enroll in a  
19 state plan by payment of the appropriate state plan premium to the  
20 writing carrier.

21 (b) An employer that has in its employ one or more eligible  
22 persons enrolled in a state plan may make all or a portion of a state  
23 plan premium payment directly to the writing carrier.

24 (c) Each member of the association shall share the losses due to  
25 claims expenses of the state plans for plans issued or approved for  
26 issuance by the association, and shall share in the operating and  
27 administrative expenses incurred or estimated to be incurred by the  
28 association incident to the conduct of its affairs. Claims expenses  
29 of the state plan that exceed the premium payments allocated to the

1 payment of benefits shall be the liability of the members. Each  
2 member shall share in the claims expense of the state plans and opera-  
3 ting and administrative expenses of the association in an amount equal  
4 to the ratio of the member's total fees for subscriber contracts or  
5 total disability insurance premiums, received from or on behalf of  
6 state residents, as divided by the total subscriber fees and disabil-  
7 ity insurance premiums received by all members from or on behalf of  
8 state residents, as determined by the director.

9 (d) The association shall make an annual determination of each  
10 member's liability, if any, and may make an annual fiscal year end  
11 assessment if necessary. The association may also, subject to the  
12 approval of the director, provide for interim assessments against the  
13 members as may be necessary to assure the financial capability of the  
14 association in meeting the incurred or estimated claims expenses of  
15 the state plans and operating and administrative expenses of the  
16 association until the association's next annual fiscal year end as-  
17 sessment. Payment of an assessment is due within 30 days of receipt  
18 by a member of a written notice of a fiscal year end or interim  
19 assessment. Failure by a member to tender to the association the  
20 assessment within 30 days shall be grounds for revocation of a mem-  
21 ber's certificate of authority. A member that ceases to do disability  
22 insurance business in the state, or ceases to offer subscriber con-  
23 tracts in the state, due to revocation, suspension, or voluntary  
24 surrender of its certificate of authority remains liable for assess-  
25 ments through the calendar year during which the disability insurance  
26 business ceased. The association may decline to levy an assessment  
27 against a member if the assessment would not exceed \$10. Assessments  
28 paid by a member are a general expense of the member.

29 (e) Net gains, if any, from the operation of the state plans

1 shall be held at interest and used by the association to offset future  
2 losses due to claims expenses of a state plan or allocated to reduce  
3 state plan premiums.

4 ARTICLE 4. ENROLLMENT IN THE STATE DISABILITY INSURANCE PLAN.

5 Sec. 21.55.300. ELIGIBILITY FOR STATE DISABILITY INSURANCE. (a)  
6 Except as provided in (b) of this section, a state resident who is a  
7 high risk is eligible to enroll in a state plan described in AS 21.-  
8 55.100.

9 (b) A person may not be covered by the state plan while covered  
10 by another disability policy or subscriber contract. Upon ceasing to  
11 be a resident a person is not eligible to purchase or renew coverage  
12 under a state plan, but previously purchased coverage remains in  
13 effect for the period covered by payments made while a resident.

14 (c) Additional eligibility requirements may not be imposed by  
15 the director, the association, or a writing carrier.

16 Sec. 21.55.310. ENROLLMENT BY AN ELIGIBLE PERSON. A person may  
17 enroll in a state plan by applying to the writing carrier. The appli-  
18 cation must include the following:

19 (1) name, address, age, and length of time at residence of  
20 the applicant;

21 (2) a designation of the plan desired, including deductible  
22 option chosen;

23 (3) information relevant to whether the person is a high  
24 risk.

25 Sec. 21.55.320. WRITING CARRIER'S RESPONSE. Within 30 days  
26 after receiving the certificate described in AS 21.55.310, the writing  
27 carrier shall either reject the application for failing to comply with  
28 the requirements of AS 21.55.300 and 21.55.310 or forward the eligible  
29 person a notice of acceptance and billing information.

1           Sec. 21.55.330. EFFECTIVE DATE OF POLICIES.   (a)   Except as  
2 provided in (b) of this section and AS 21.55.130(c), insurance under a  
3 state plan is effective immediately upon receipt of the first  
4 quarterly premium, and is retroactive to the date of the application,  
5 if the applicant otherwise complies with the requirements of this  
6 chapter.

7           (b) Insurance under a state plan is effective retroactively to  
8 the date on which the person's previous contract or policy terminated  
9 if the person

10           (1) applies for a state plan within 60 days after the  
11 previous contract or policy terminated;

12           (2) is accepted by the writing carrier; and

13           (3) pays a specified premium for the period of retroactive  
14 coverage.

15           Sec. 21.55.340. SOLICITATION OF ELIGIBLE PERSONS.   (a)   The  
16 association, under a plan approved by the director, shall disseminate  
17 appropriate information to the residents of the state regarding the  
18 existence of the state plans and the means of enrollment.   Means of  
19 communication may include use of the press, radio, and television, as  
20 well as publication in appropriate state offices and publications.

21           (b) The association shall devise and implement means of main-  
22 taining public awareness of the provisions of this chapter regarding  
23 the state plans and shall administer this chapter in a manner that  
24 facilitates public participation in the state plans.

25           (c) Selling or marketing of qualified state plans is limited to  
26 licensed disability insurance agents.

27           (d) An insurer or hospital or medical service corporation that  
28 rejects or applies underwriting restrictions to an applicant for a
