BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9

WHEREAS the residents of Alaska are the single greatest natural re-  
10 source of the state; and

11

WHEREAS the issue and concept of "local hire" has become a laudable  
12 and much needed cause around which residents, government, and state busi-  
13 nesses are rallying; and

14

WHEREAS the professional and support industry services of the state  
15 possess the expertise, skills, and experience with local environments to  
16 conduct business in a competent manner that ensures the welfare and best  
17 interests of Alaska and Alaskans; and

18

WHEREAS the economy of our state and the welfare of our communities  
19 are highly affected by intrastate contracts and the resulting multiplier  
20 effect; and

21

WHEREAS the award of professional contracts and services to out-of-

23 direct loss of jobs for Alaskans;

24

BE IT RESOLVED that the Alaska State Legislature respectfully requests  
25 that professional and service contracts managed by the State of Alaska  
26 be awarded to professional services and industries that maintain an active
