federal funds.

8 BE IT RESOLVED BY THE SENATE:

9

WHEREAS the United States seafood industry makes a significant contri-  
10 bution to the United States balance of trade, with its exports for 1985  
11 having been valued to be in excess of \$1,000,000,000; and

12

WHEREAS over 1,000,000,000 pounds of seafood worth \$885,000,000 were  
13 landed in the state during 1986, making Alaska's fisheries the most valu-  
14 able in the United States; and

15

WHEREAS the Alaska seafood industry is losing its markets for frozen  
16 salmon in western Europe and for herring and frozen salmon in Japan as a  
17 result of unfair foreign trade practices; and

18

WHEREAS the Alaska bottomfish industry is growing rapidly and the  
19 United States must ensure that Alaska has access to foreign markets for  
20 pollock and other species; and

21

WHEREAS the United States government has created the Targeted Export  
22 Assistance program (TEA program) to provide financial assistance for com-  
23 modities that are experiencing market erosion or problems with market  
24 access as a result of foreign trade barriers; and

25

WHEREAS seafood is an eligible commodity under the TEA program; and

26

WHEREAS the Alaska Seafood Marketing Institute, on behalf of the  
27 Alaska seafood industry, has submitted an application for \$3,500,000 under  
28 the TEA program to conduct market research and initiate promotional cam-  
29 paigns to regain a market share for Alaska products in western Europe and
