3

IN THE LEGISLATURE OF THE STATE OF ALASKA

4

SIXTEENTH LEGISLATURE - SECOND SESSION

5

A BILL

6 For an Act entitled: "An Act authorizing certain transmission lines and  
7 interties and approving construction costs for them;  
8 and providing for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 \* Section 1. In accordance with AS 44.83.185(c), the northeast trans-  
11 mission intertie, following the suggested route described in the Alaska  
12 Power Authority "Northeast Transmission Intertie Feasibility Design and  
13 Cost Estimate Study" dated January 27, 1989, is authorized at a construc-  
14 tion cost of \$155,384,417 in 1989 dollars.

15 \* Sec. 2. In accordance with AS 44.83.185(c), the intertie from Solomon  
16 Gulch to Cordova is authorized at a construction cost of \$59,000,000 in  
17 1989 dollars.

18 \* Sec. 3. In accordance with AS 44.83.185(c), the limited upgrade of  
19 the transmission line from Healy to Fairbanks to 138 kilovolts is author-  
20 ized at a construction cost of \$56,000,000 in 1989 dollars.

21 \* Sec. 4. In accordance with AS 44.83.185(c), the Seward intertie  
22 upgrade is authorized at a construction cost of \$8,800,000 in 1989 dollars.

23 \* Sec. 5. This Act takes effect immediately under AS 01.10.070(c).
