1 IN THE HOUSE BY THE RESOURCES COMMITTEE  
2 CS FOR HOUSE JOINT RESOLUTION NO. 27 (Resources)  
3 IN THE LEGISLATURE OF THE STATE OF ALASKA  
4 SIXTEENTH LEGISLATURE - SECOND SESSION  
5 Relating to compensation for lost reve-  
6 nue and income caused by high seas  
7 interceptions of Alaskan salmon.  
8 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:  
9 WHEREAS salmon are the mainstay of the Alaska fishing industry and are  
10 the primary source of income for Alaska fishermen; and  
11 WHEREAS the Alaska salmon fishery is a direct and indirect source of  
12 revenue for the State of Alaska; and  
13 WHEREAS commercial and sport salmon fishing constitutes the primary  
14 economic base of many coastal and river communities of the state, including  
15 the Yukon-Kuskokwim-Tanana region, Bristol Bay, Kodiak and the Alaska  
16 Peninsula, the Cook Inlet and Prince William Sound regions, and Southeast  
17 Alaska; and  
18 WHEREAS some of these regions are economically disadvantaged, signifi-  
19 cant conservation and management problems face the fisheries in many of  
20 these regions, and salmon runs in many of these regions have been signifi-  
21 cantly below forecasts; and  
22 WHEREAS salmon are the principal component of the subsistence economy  
23 of most villages in the state; and  
24 WHEREAS the poor salmon runs and the increased incidence of net marked  
25 salmon have focused attention on the high seas interception of Alaska  
26 salmon; and  
27 WHEREAS Japan, South Korea, and Taiwan conduct major high seas fisher-  
28 ies for squid, groundfish, and other types of fish and these fisheries  
29 intercept salmon from Alaska and other Pacific Coast states; and

1           WHEREAS it is estimated that the Japanese land-based and mothership  
2 fleets alone could be intercepting as many as 2,000,000 salmon each year;  
3 and

4           WHEREAS there have been recurring reports of large quantities of  
5 illegally harvested salmon being sold in Europe and Asia; and

6           WHEREAS the National Marine Fisheries Service has concluded that an  
7 enormous volume of salmon caught by foreign fishermen is being sold on  
8 European markets; and

9           WHEREAS the illegal harvest and sale of Alaska salmon by foreign  
10 fishing fleets are undercutting international sales of salmon by Alaska  
11 fishermen and are having significant adverse economic effects on residents  
12 of Alaska; and

13           WHEREAS the fishermen of Alaska cannot afford the direct loss of  
14 salmon destined for Alaska fisheries and the indirect loss of income due to  
15 unfair competition from the illegal sale of salmon that Alaska fishermen  
16 otherwise would have caught; and

17           WHEREAS the State of Alaska cannot afford the loss of revenue it  
18 derives from the salmon fishery and the increased cost of social services  
19 to economically depressed salmon fishing communities; and

20           WHEREAS illegal high seas interceptions of Alaska salmon deprive the  
21 State of Alaska of an economic return on its substantial investment in the  
22 state's fishing and processing industries; and

23           WHEREAS it is difficult for individual fishermen or the State of  
24 Alaska, without the cooperation of the federal government, to obtain com-  
25 pensation for the loss of the Alaska salmon resource caused by foreign high  
26 seas fishing fleets; and

27           WHEREAS customary international law recognizes that all nations have a  
28 duty to cooperate in conserving salmon stocks on the high seas; and

29           WHEREAS the federal government has an obligation to protect the

1 interests of its citizens and the states from the illegal actions of  
2 foreign nations and citizens of those nations;

3 BE IT RESOLVED that the Alaska State Legislature respectfully requests  
4 the President of the United States to initiate action for recovery of  
5 damages on behalf of the State of Alaska and the fishermen of Alaska for  
6 revenue and income lost as a consequence of the illegal high seas  
7 interception of Alaska salmon; and be it

8 FURTHER RESOLVED that the Alaska State Legislature respectfully re-  
9 quests the President of the United States to renegotiate existing fishery  
10 treaties and agreements with Japan, South Korea, and Taiwan to provide  
11 procedures whereby individual fishermen, fishermen's associations, and the  
12 states may recover damages from foreign fishing companies for income and  
13 revenue lost due to high seas interception of salmon in violation of the  
14 treaty or agreement; and be it

15 FURTHER RESOLVED that the Alaska State Legislature respectfully re-  
16 quests the Congress to establish a fund to reimburse Alaska fishermen and  
17 the State of Alaska for the income and revenue lost by the high seas inter-  
18 ception of Alaska salmon and that the fund be financed by a tariff on  
19 fishery products originating in those nations whose fishermen are inter-  
20 cepting Alaska salmon on the high seas.
