10 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 WHEREAS section 805(e) of the Alaska National Interest Lands Conserva-
12 tion Act (ANILCA) (P.L. 96-487) authorizes the Congress to reimburse the
13 State of Alaska for up to 50 percent of the costs, up to a maximum of
14 \$5,000,000 per year, incurred for operation of the fish and game advisory
15 committee and regional council system; and

16 WHEREAS the annual federal reimbursement has rarely exceeded
17 \$1,000,000 and currently has dropped to \$750,000; and

18 WHEREAS the annual federal reimbursement has never approached 50
19 percent of the total annual cost of the fish and game advisory committee
20 and regional council system; and

21 WHEREAS the fish and game advisory committees and regional councils
22 have experienced severe reductions in the funds allocated for their opera-
23 tion such that their ability to carry out their responsibilities under
24 Title VIII of ANILCA has been significantly impaired; and

25 WHEREAS the United States Fish and Wildlife Service and the Department
26 of Interior have not actively supported requests by fish and game regional
27 councils to increase the amount of reimbursement paid to the State of
28 Alaska;

29 BE IT RESOLVED that the Alaska State Legislature respectfully requests

1 the Secretary of the Interior to take immediate steps to obtain additional
2 reimbursement funds to ensure that local fish and game advisory committees
3 and regional councils mandated by the Alaska National Interest Lands Con-
4 servation Act can function effectively.
