IN THE LEGISLATURE OF THE STATE OF ALASKA  
SEVENTEENTH LEGISLATURE - FIRST SESSION**

**BY THE HOUSE SPECIAL COMMITTEE ON MILITARY AND VETERANS' AFFAIRS**

**Offered: 5/3/91**

**Referred: State Affairs**

**Sponsor(s): HOUSE SPECIAL COMMITTEE MILITARY AND VETERANS' AFFAIRS**

**A RESOLUTION**

**1 Relating to missing American service personnel.**

**2 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

**3 WHEREAS there are more than 88,000 American service personnel missing in action from  
4 World War II, the Korean War, and the Vietnam conflict; and**

**5 WHEREAS recent information has been released regarding American service personnel held  
6 against their will after World War II, the Korean War, and the Vietnam conflict; and**

**7 WHEREAS the United States Senate Foreign Relations Committee released an interim report  
8 in October 1990 that concluded that American service personnel were held in Southeast Asia after the  
9 end of the Vietnam conflict and that information available to the United States government does not rule  
10 out the possibility that American service personnel are still being held in Southeast Asia; and**

**11 WHEREAS on April 12, 1973, the United States Department of Defense publicly stated that  
12 there was no evidence of live American prisoners of war in Southeast Asia; and**

**13 WHEREAS the public statement was given nine days after Pathet Lao leaders had declared that  
14 Laotian communist forces did in fact have live American prisoners of war in their control; and**

**15 WHEREAS the prisoners of war held by the Laotian government and its military forces were  
16 never released; and**

**17 WHEREAS there have been more than 11,700 live sighting reports received by the Department**

1 of Defense since 1973 and, after detailed analysis, the Department of Defense admits there are a number  
2 of unresolved and discrepancy cases; and

3       **WHEREAS** in October 1990 the United States Senate Foreign Relations Committee released an  
4 Interim Report on the Southeast Asian POW/MIA Issue that concluded that United States military and  
5 civilian personnel were held against their will in Southeast Asia, despite earlier public statements by the  
6 Department of Defense that there was no evidence of live prisoners of war, and the report also concluded  
7 that information available to the United States government does not rule out the possibility that United  
8 States citizens are still held in Southeast Asia; and

9       **WHEREAS** the interim report states that congressional inquiries into the POW/MIA issue have  
10 been hampered by information that was concealed from committee members or that was misinterpreted  
11 or manipulated in government files; and

12       **WHEREAS** the POW/MIA Truth Bill has been introduced into the United States Congress, and  
13 the bill would direct the heads of the federal government agencies and departments to disclose  
14 information concerning the United States service personnel classified as prisoners of war or missing in  
15 action from World War II, the Korean War, and the Vietnam conflict; and

16       **WHEREAS** the bill protects national security by censoring the sources and methods used to  
17 collect the live sighting reports; and

18       **WHEREAS** the families of these missing service personnel need and deserve the opportunity to  
19 have access to the information concerning the status of their loved ones;

20       **BE IT RESOLVED** that the Alaska State Legislature urges the United States Congress to appoint  
21 a select committee to assist the United States Senate Foreign Relations Committee to obtain information  
22 in government files on missing American service personnel; and be it

23       **FURTHER RESOLVED** that the Alaska State Legislature urges the United States Congress to  
24 begin committee hearings immediately to consider enacting the POW/MIA Truth Bill; and be it

25       **FURTHER RESOLVED** that the Alaska State Legislature requests the United States Congress  
26 to continue funding its investigation into the status of missing American service personnel, which is vital  
27 to resolving the POW/MIA issue.

29 States; the Honorable Dan Quayle, Vice-President of the United States and President of the U.S. Senate;
