3 PARAGRAPH OF PARAGRAPH (2) OF THIS SUBSECTION]. The minimum reserve at each

15 annuity or pure endowment contracts, excluding any disability and accidental death benefits in
16 those contracts, shall be the greatest of the respective excesses of the present values, at the date
17 of valuation, of the future guaranteed benefits, including guaranteed nonforfeiture benefits,

19 at the date of valuation, of any future valuation considerations derived from future gross
20 considerations, required by the terms of such contract, that become payable before the end of that
21 respective contract year. The future guaranteed benefits shall be determined by using the

30 shall be equal to the corresponding actual rate for the immediately preceding calendar year. For
31 the purpose of this paragraph, the calendar year statutory valuation interest rate shall be

1 determined for 1980 using the reference interest rate defined for 1979 and shall be determined
