1 "An Act relating to risk based capital for insurers; and providing for an effective  
2 date."

3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 \* Section 1. AS 21 is amended by adding a new chapter to read:

5 **CHAPTER 14. RISK BASED CAPITAL FOR INSURERS.**

6 **Sec. 21.14.010. RISK BASED CAPITAL REPORTS. (a) A life and health**  
7 **domestic insurer, property and casualty domestic insurer, or other insurer required by**  
8 **the director shall, on or before March 1, submit to the director a report of its risk**  
9 **based capital covering the previous calendar year, if required by the director. The**  
10 **report must be in a form and contain the information required by risk based capital**  
11 **instructions. A domestic insurer required to submit a report under this subsection shall**  
12 **file the report with**

13 **(1) the National Association of Insurance Commissioners; and**

14 **(2) the insurance regulatory agency in each state in which the insurer**

1 is authorized to transact business, if the insurance regulatory agency has requested the  
2 report in writing from the insurer; a report requested under this paragraph shall be  
3 delivered

4 (A) not later than 15 days from the receipt of a request if the  
5 report has already been filed with the director; or

6 (B) at the time the report is filed with the director, if the report  
7 has not been filed with the director.

8 (b) An insurer's risk based capital shall be determined under the formula  
9 contained in the risk based capital instructions.

10 (c) If a domestic insurer files a report that the director determines to be  
11 inaccurate, the director may adjust the report to correct the inaccuracy. The director  
12 shall notify the insurer of an adjustment and the reason for it.

13 (d) If a domestic insurer transacts business only in this state and the insurer's  
14 total annual written premium plus monetary consideration received on an annuity is  
15 less than \$2,000,000, the insurer may apply annually to the director for an exemption  
16 from submitting the report required under this section.

17 (e) The director shall establish risk based capital instructions by regulation.  
18 The instructions required under this subsection must be substantially similar to risk  
19 based capital instructions adopted by the National Association of Insurance  
20 Commissioners.

21 Sec. 21.14.020. COMPANY ACTION LEVEL EVENT. If a company action  
22 level event occurs, the affected insurer shall submit to the director a plan under  
23 AS 21.14.060.

24 Sec. 21.14.030. REGULATORY ACTION LEVEL EVENT. (a) If a  
25 regulatory action level event occurs, the director shall

26 (1) require the affected insurer to submit a plan or a revised plan under  
27 AS 21.14.060; if the level event is caused by the insurer's failure to adhere to a  
28 previously filed plan or revised plan that has been accepted by the director, the director  
29 may exempt the insurer from this requirement;

30 (2) perform whatever examination, analysis, or review of the assets,  
31 liabilities, and operations of the insurer that the director determines necessary; and

1 (3) issue a corrective order specifying the action that the insurer is  
2 required to take to eliminate the level event.

3 (b) When conducting a review of the insurer's plan or revised plan examining  
4 or analyzing the assets, liabilities, and operations of the insurer or formulating a  
5 corrective order with respect to the insurer, the director may retain an actuary,  
6 investment expert, or other consultant. The affected insurer or affiliated person shall  
7 pay the reasonable costs of a person retained by the director under this subsection as  
8 ordered by the director.

9 Sec. 21.14.040. AUTHORIZED CONTROL LEVEL EVENT. If an authorized  
10 control level event occurs, the director shall take the action necessary

- 11 (1) under AS 21.14.030(b) against the insurer; or
- 12 (2) to place the insurer under regulatory control under AS 21.78 if,  
13 after a hearing under AS 21.06.180 - 21.06.240, the director determines it to be in the  
14 best interest of the policyholders and creditors of the insurer, and of the public.

15 Sec. 21.14.050. MANDATORY CONTROL LEVEL EVENT. (a) If a  
16 mandatory control level event occurs, the director shall take the action necessary to  
17 place the insurer under regulatory control under AS 21.78.

18 (b) Notwithstanding (a) of this section, the director may delay taking action  
19 under AS 21.78 for up to 90 days after the mandatory control level event occurs, if the  
20 director finds there is a reasonable expectation that the mandatory control level event  
21 may be eliminated within the 90-day period.

22 Sec. 21.14.060. RISK BASED CAPITAL PLAN. (a) If a plan is required  
23 under this chapter or by order of the director in response to an event described under  
24 AS 21.14.020 - 21.14.050, the plan shall be a financial plan that must include

- 25 (1) identification of the conditions that contribute to the level event;
- 26 (2) a proposal for corrective action that the insurer intends to take that  
27 would be expected to eliminate the level event;
- 28 (3) projections for the insurer's financial results in the current year and  
29 in the four subsequent years after the current year, with and without the proposed  
30 corrective action, including projections of statutory operating income, net income, and  
31 capital and surplus; the projections for new and renewal business must include separate

1 projections for each major line of business and separately identify each significant  
2 income, expense, and benefit component;

3 (4) identification of the key assumptions affecting the insurer's  
4 projections and the sensitivity of the projections to the assumptions;

5 (5) identification of the quality of, and problems associated with, the  
6 insurer's business, including the insurer's assets, anticipated business growth,  
7 associated surplus strain, extraordinary exposure to risk, mix of business, and use of  
8 reinsurance in each case; and

9 (6) other information required by the director.

10 (b) An insurer shall submit a plan within 45 days

11 (1) of an event described in AS 21.14.020 - 21.14.050; or

12 (2) after the insurer receives notification from the director that the  
13 director has rejected the insurer's challenge, if the insurer has challenged an adjusted  
14 report under AS 21.14.080.

15 (c) Not later than 60 days after an insurer has submitted a plan to the director,  
16 the director shall notify the insurer if the plan is satisfactory or unsatisfactory. If the  
17 director determines the plan to be satisfactory, the insurer shall implement the plan  
18 upon receiving notice from the director. If the director determines the plan is  
19 unsatisfactory, notification to the insurer must state the reasons for the determination  
20 and may propose revisions that, in the judgment of the director, will render the plan  
21 satisfactory. Upon receiving notice from the director that a plan is unsatisfactory, the  
22 insurer shall prepare a revised plan that may incorporate revisions proposed by the  
23 director and submit the revised plan to the director. A revised plan shall be submitted  
24 to the director within 45 days after the insurer receives notice that

25 (1) the original plan is unsatisfactory; or

26 (2) the director has rejected the insurer's challenge, if the insurer  
27 challenges an unsatisfactory determination of the director under AS 21.14.080.

28 (d) A domestic insurer that files a plan or revised plan with the director shall  
29 file a copy of the plan or revised plan with the insurance regulatory agency in each  
30 state in which the insurer transacts business, if

31 (1) the state has a risk based capital provision substantially similar to

1 AS 21.14.090, as determined by the director; and

2 (2) the insurance regulatory agency of that state has made a request in  
3 writing to the insurer.

4 (e) An insurer shall file the copy of the plan or revised plan required under (d)  
5 of this section (1) within 15 days of the insurer's receipt of a request for the filing  
6 from a state; or (2) by the date on which the plan or revised plan is filed in this state  
7 under this section, whichever is later.

8 Sec. 21.14.070. FOREIGN INSURERS. (a) A foreign insurer shall, upon the  
9 written request of the director, submit to the director a report described under  
10 AS 21.14.010 not later than

11 (1) 15 days from the receipt by the foreign insurer of a request, if the  
12 report has already been filed with the domiciliary state;

13 (2) 60 days from the receipt by the foreign insurer of a request, if the  
14 report is not required to be filed with the domiciliary state; or

15 (3) the date on which the report is filed with the domiciliary state or  
16 60 days from receipt by the foreign insurer of the request, whichever is earlier, if the  
17 report is required to be filed but has not already been filed with the domiciliary state.

18 (b) Within 15 days after receiving a written request from the director, a foreign  
19 insurer shall submit to the director a copy of a plan that is filed with an insurance  
20 regulatory agency of another state.

21 (c) The director may require a foreign insurer to file a plan under  
22 AS 21.14.060, if

23 (1) a company action level event, regulatory action level event, or  
24 authorized control level event occurs with respect to a foreign insurer as determined  
25 under

26 (A) the risk based capital statute applicable in the domiciliary  
27 state of the insurer; or

28 (B) this chapter, if a risk based capital statute is not in force in  
29 the domiciliary state that is substantially similar to this chapter; or

30 (2) the insurance regulatory agency of the domiciliary state of the  
31 foreign insurer fails to require the foreign insurer to file a plan in the manner specified

1 under that state's risk based capital statute.

2 (d) If a foreign insurer fails to file a plan with the director as required under  
3 this section, the director may order the insurer to stop writing new insurance business  
4 in this state.

5 (e) If a mandatory control level event occurs that involves a foreign insurer,  
6 the director may apply to a court under AS 21.78 for the liquidation of property of the  
7 foreign insurer that is located in this state, unless a domiciliary receiver has been  
8 appointed for the foreign insurer under the rehabilitation and liquidation statute  
9 applicable in the foreign insurer's domiciliary state.

10 Sec. 21.14.080. HEARINGS. An insurer may request a hearing to challenge  
11 an action of the director or request a stay of the director's action as provided under  
12 AS 21.06.180 - 21.06.240.

13 Sec. 21.14.090. CONFIDENTIALITY; RESTRICTIONS ON USE. (a) Except  
14 as provided in this subsection, a report required under AS 21.14.010, a plan required  
15 under AS 21.14.060, the results or report of an examination or analysis of an insurer  
16 performed under this chapter, and a corrective order issued by the director are  
17 confidential and may not be made public by the director or another person without the  
18 prior written consent of the insurer who is the subject of the report, plan, analysis, or  
19 order. If the director, after giving the insurer and its affiliates who would be affected  
20 by publication of the information notice and opportunity to be heard, determines that  
21 the interests of policyholders, shareholders, or the public will be served by the  
22 publication of the information, the director may publish all or part of the information  
23 in the manner the director considers appropriate. This subsection does not prohibit the  
24 director from releasing a report, plan, analysis, or order to an insurance regulatory  
25 agency of another state.

26 (b) The calculation of risk based capital for an insurer constitutes a regulatory  
27 tool that may indicate a need for corrective action and the calculation may not be used  
28 as a means to rank insurers. Except as otherwise required in this chapter, a person  
29 may not directly or indirectly use information regarding the risk based capital of an  
30 insurer. If a materially false statement regarding an insurer's risk based capital or an  
31 inappropriate comparison of any other amount to the insurer's risk based capital is

1 published and the insurer is able to demonstrate with substantial proof, as determined  
2 by the director, the falsity or inappropriateness of the statement, the insurer may  
3 publish an announcement exclusively to rebut the materially false statement or  
4 inappropriate comparison.

5 (c) The director may use the risk based capital instructions, report, adjusted  
6 report, plan, and revised plan only for monitoring the solvency of an insurer or for  
7 determining the need for corrective action by an insurer. Notwithstanding AS 21.39,  
8 documents described in this subsection may not be considered or introduced as  
9 evidence in a rate proceeding or used by the director to calculate or derive any  
10 elements of an appropriate premium level or rate of return for a line of insurance that  
11 an insurer or an affiliate is authorized to write.

12 Sec. 21.14.100. PENALTY FOR VIOLATION. (a) An insurer shall pay to  
13 the division \$100 for each day the insurer fails to file a report, and \$1,000 for each  
14 day the insurer fails to file a plan or revised plan in conformance with the  
15 requirements of this chapter.

16 (b) If a report, plan, or revised plan has not been filed in conformance with  
17 the requirements of this chapter, the director may, as provided

18 (1) under AS 21.09.150, suspend the authority of an insurer to enter  
19 into new obligations or issue a new or renewal policy of insurance in this state; or

20 (2) under AS 21.34.070, declare a surplus lines insurer ineligible to  
21 transact business in this state.
