

**HOUSE JOINT RESOLUTION NO. 41**

**IN THE LEGISLATURE OF THE STATE OF ALASKA**

**EIGHTEENTH LEGISLATURE - FIRST SESSION**

**BY REPRESENTATIVES WILLIAMS, Olberg, Moses**

**Introduced: 4/16/93**

**Referred: Resources**

**A RESOLUTION**

**1 Relating to consideration of individual fishery quota shares block proposals by the  
2 North Pacific Fishery Management Council.**

**3 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

**4 WHEREAS the North Pacific Fishery Management Council has recently approved an  
5 individual fishery quota (IFQ) share program for the North Pacific and Bering Sea halibut and  
6 sablefish fisheries; and**

**7 WHEREAS the IFQ program for the halibut and sablefish fisheries is intended to  
8 provide long-term sustainable harvests of these resources; and**

**9 WHEREAS Alaska coastal communities depend on the ability to harvest marine  
10 resources and must be beneficiaries of the IFQ program; and**

**11 WHEREAS residents of Alaska have expressed concern that the IFQ program  
12 approved by the North Pacific Fishery Management Council allows consolidation of IFQ  
13 shares and may reduce the size of the fishing fleet which could in turn reduce the benefits of  
14 the IFQ program to Alaska fishermen, Alaska coastal communities, and the state as a whole;  
15 and**

**16 WHEREAS the North Pacific Fishery Management Council has a responsibility to**

1 respond to the concerns that have arisen regarding consolidation of IFQ shares; and

2       **WHEREAS** several proposals regarding transfers of blocks of IFQ shares have been  
3 developed and are before the North Pacific Fishery Management Council for its consideration;  
4 and

5       **WHEREAS** these block proposals would limit the amount of consolidation that could  
6 occur under the IFQ program, and thereby help to maintain the present diversity of the  
7 longline fishing fleet, to provide an entry level fishery, and to ensure that the benefits of the  
8 IFQ program accrue to Alaska fishermen, processors, and coastal communities;

9       **BE IT RESOLVED** that the Alaska State Legislature respectfully urges the North  
10 Pacific Fishery Management Council to address the concerns expressed by Alaska residents  
11 regarding consolidation of IFQ shares by amending the IFQ program for the halibut and  
12 sablefish fisheries to include a block proposal system.

13       **COPIES** of this resolution shall be sent to the Honorable Bill Clinton, President of the  
14 United States; the Honorable Ronald H. Brown, Secretary of the U.S. Department of  
15 Commerce; the Honorable Leon E. Pannetta, Director of the Office of Management and
