20 if the requirements meet or exceed the requirements adopted [WAIVE OR  
21 MODIFY ANY REGULATION OR STANDARD ESTABLISHED] by the department  
22 [UNDER THE AUTHORITY OF AS 47.35.010 - 47.35.075 AS IT APPLIES TO

21 requirements of this chapter and regulations adopted under this chapter. A provisional  
22 license is valid for a period not to exceed one year. The department may extend a  
23 provisional license for one additional period not to exceed one year.

24 (b) Notwithstanding (a) of this section, if an emergency exists and a child must  
25 be placed immediately, the department or the department's designee may issue a

- 7 protected during the period of the variance; and
- 8 (6) assurance that the conditions of the facility or agency do not present
- 9 an imminent danger to the health or safety of individuals served by the facility or
- 10 agency.

11 (c) To evaluate a request for a variance, the department shall take one or more  
12 of the following actions:

24 and regulations adopted under this chapter.

25 (b) The department's licensing records, with the names of all individuals in  
26 care and parents of minors in care deleted to protect the confidentiality of those  
27 individuals, are available for public inspection, except for

28 (1) material made confidential by state or federal statutes or regulations;

29 (2) material that is part of an uncompleted licensing or complaint  
30 investigation;

31 (3) records that would deprive an applicant, licensee, or other person

1 of a fair and impartial hearing; and

2 (4) records for which the department determines that disclosure would  
3 constitute an unwarranted invasion of personal privacy.

4 (c) A government agency that provides funding to a facility or agency licensed  
5 under this chapter may have access to that facility's or agency's records in order to  
6 conduct an audit.

7 \* Sec. 16. AS 47.35 is amended by adding new sections to read:

26 (b) Before expiration of a biennial license, the department or its representative  
27 shall inspect a facility or agency that is the subject of a renewal application.

28 (c) The department shall renew a biennial license if the department finds that

11 review before the expiration date of the biennial license, the license is automatically  
12 extended for six months, or until the department completes its review and either  
13 approves or denies the application, whichever occurs first.

(d) A licensee may submit to the department a written response regarding a report of investigation relating to that facility or agency. The department shall retain the written response in the licensing file.

(e) A licensee may not take retaliatory action against a person who files a complaint. A complainant against whom retaliatory action has been taken may recover treble damages in a civil action upon a showing that the actions were taken in retaliation for the filing of a complaint.

Sec. 47.35.110. INVESTIGATIONS; SEARCH WARRANTS. (a) An applicant for a license, or a licensee, shall cooperate with the department for purposes of licensing investigations, investigations relating to ongoing monitoring of the facility or agency, or investigations under AS 47.35.105 by

(1) permitting representatives of the department to inspect the facility or agency, review records, interview staff, and interview individuals in care; and

(2) providing to the department information and documentation requested by the department to determine compliance with this chapter and regulations adopted under this chapter.

(b) Following an investigation relating to ongoing monitoring of a facility or agency or relating to a facility that the department believes is operating without a license in violation of this chapter, the department shall prepare and distribute a written report of investigation as described in AS 47.35.105(c), and the facility or agency may submit a response as described in AS 47.35.105(d).

(c) The department may seek a search warrant to inspect a facility or agency if the

(1) department has probable cause to believe that the facility or agency is operating without a license in violation of this chapter and the facility or agency operator refuses to allow an inspection by the department; or

(2) licensee refuses to allow an inspection of the facility or agency by the department.

Sec. 47.35.120. ENFORCEMENT ACTIONS. (a) During an investigation

1 under this chapter, the department, by written notice, may suspend operations of the  
2 facility or agency if the department has reasonable cause to believe that a violation is  
3 occurring that presents an imminent danger to the health or safety of the individuals  
4 in care. A suspension under this subsection continues for the time period set by the  
5 department and may continue until the department issues a report of investigation  
6 under AS 47.35.105(c) or 47.35.110(b).

7 (b) If, after an investigation under this chapter, the department has determined  
8 that a violation of this chapter or a regulation adopted under this chapter has occurred  
9 or a ground for revocation or nonrenewal set out in AS 47.35.130 exists, has issued  
10 a report of investigation under AS 47.35.105(c) or 47.35.110(b), and has determined  
11 that voluntary compliance or a plan of correction is not appropriate, the department  
12 may take one or more of the following enforcement actions, as the department  
13 considers appropriate:

14 (1) delivery of a warning notice to the licensee or other person who is  
15 the subject of the investigation;

16 (2) modification of the term of an existing license or reduction of the  
17 number of children for whom care can be provided;

18 (3) suspension of operations of the facility or agency for a period of  
19 time set by the department;

20 (4) suspension of admissions to the facility for a period of time set by  
21 the department;

22 (5) nonrenewal of the license;

23 (6) revocation of the license;

24 (7) issuance of an order requiring immediate closure of the facility or  
25 agency;

26 (8) assessment of an administrative fine of up to \$500 for each day a  
27 violation continues, not to exceed a total of \$5,000 for a violation.

28 (c) The department shall provide the licensee or other person who is the  
29 subject of an investigation with written notice of the department's decision under (b)  
30 of this section to take enforcement action. The notice must contain a form for  
31 requesting a hearing under (d) of this section and must describe

1 (1) each enforcement action that will be taken;  
2 (2) the condition, if any, in the facility or agency that constitutes a  
3 violation of this chapter or a regulation adopted under this chapter;  
4 (3) the licensee's or other person's right to appeal the department's  
5 decision to take an enforcement action described in (b)(2) - (8) of this section.  
6 (d) A licensee or other person to whom a notice has been provided under (a)  
7 or (c) of this section may appeal the department's decision to impose an enforcement  
8 action described in (a) or (b)(2) - (8) of this section by filing a written request for a  
9 hearing, on the form provided by the department, within 15 days after receipt of the  
10 notice of enforcement action.  
11 (e) Unless the violation that prompted enforcement action under (b) of this  
12 section presents an imminent danger to the health or safety of the individuals in care,  
13 an enforcement action described in a notice provided under (c) of this section may not  
14 be imposed until the  
15 (1) time period for requesting a hearing under (d) of this section has  
16 passed without a hearing being requested; or  
17 (2) department makes a final decision following a hearing requested  
18 under (d) of this section.  
19 (f) If a hearing is requested under (d) of this section, the department's decision  
20 following the hearing is a final administrative order.  
21 (g) If a hearing is not requested under (d) of this section, the department's  
22 notice of enforcement action constitutes a final administrative order, which the  
23 department may seek the court's assistance in enforcing.  
24 (h) A licensee whose license was revoked or not renewed under this section  
25 may not reapply for licensure under this chapter until after the time period, if any, set  
26 by the department in its final administrative order.  
27 (i) Assessment of an administrative fine under this section does not preclude  
28 imposition of a criminal penalty under AS 47.35.820.  
29 Sec. 47.35.130. GROUND S FOR LICENSE REVOCATION OR  
30 NONRENEWAL. (a) In addition to the ground of violation of this chapter or a  
31 regulation adopted under this chapter, the department may revoke, or decline to renew,

- 12 chapter by fraudulent means, misrepresentation, or by submitting false information;
