IN THE LEGISLATURE OF THE STATE OF ALASKA  
EIGHTEENTH LEGISLATURE - SECOND SESSION

BY THE SENATE HEALTH, EDUCATION AND SOCIAL SERVICES COMMITTEE

Amended: 4/12/94  
Offered: 3/18/94

Sponsor(s): SENATE FINANCE COMMITTEE

A BILL

FOR AN ACT ENTITLED

1 "An Act relating to the school term, school construction grants and to  
2 interscholastic school activities; relating to a pilot project for state aid for special  
3 education; and providing for an effective date."

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

5 \* Section 1. AS 14.11.013(c) is amended to read:

6 (c) The department may

7 (1) modify a project request when necessary to achieve cost-  
8 effective school construction;

9 (2) require that school construction in a project request be phased;

10 and

11 (3) reject project requests and omit them from the six-year schedule due

12 to

13 (A) [(1)] incomplete information or documentation provided by  
14 the district;

1 (B) [(2)] a determination by the department that existing  
2 facilities can adequately serve the program requirements, or that alternative  
3 projects are in the best interests of the state;

4 (C) [(3)] a determination that the project is not in the best  
5 interest of the state.

6 \* Sec. 2. Section 3 of ch. 33, SLA 1991, is amended to read:

7 Sec. 3. AS 14.03.030 is repealed and reenacted to read:

8 Sec. 14.03.030. SCHOOL TERM. A school term begins and ends on the dates  
9 fixed by the governing body of a school district. A school term shall include not less  
10 than 180 days in session, unless with the approval of the commissioner,

11 (1) a day used for in-service training of teachers is substituted for a day  
12 in session, up to a maximum of 10 days;

13 (2) an "emergency closure day" is substituted for a day in session  
14 because of conditions posing a threat to the health or safety of students; [OR]

15 (3) a school board adopts a school term of not less than 150 days for  
16 a school if the commissioner finds that

17 (A) the shorter term is necessary for abating [ASBESTOS]  
18 health hazards in the school; and

19 (B) the school board has submitted an acceptable plan under  
20 which students will receive the approximate educational equivalent of a 180-  
21 day term; or

22 (4) the school board adopts a school term of not less than 170 days  
23 for a school if the commissioner finds that the school board has submitted an  
24 acceptable plan under which students will receive the approximate educational  
25 equivalent of a 180-day term.

26 \* Sec. 3. AS 14.03.030 is repealed and reenacted to read:

27 Sec. 14.03.030. SCHOOL TERM. A school term begins and ends on the dates  
28 fixed by the governing body of a school district. A school term shall include not less  
29 than 180 days in session, unless with the approval of the commissioner,

30 (1) a day used for in-service training of teachers is substituted for a day  
31 in session, up to a maximum of 10 days;

1 (2) an "emergency closure day" is substituted for a day in session  
2 because of conditions posing a threat to the health or safety of students; or

3 (3) a school board adopts a school term of not less than 150 days for  
4 a school if the commissioner finds that

5 (A) the shorter term is necessary for abating health hazards in  
6 the school; and

7 (B) the school board has submitted an acceptable plan under  
8 which students will receive the approximate educational equivalent of a 180-  
9 day term.

10 \* Sec. 4. AS 14.17.045 is amended by adding new subsections to read:

11 (c) Notwithstanding (a) of this section, the commissioner may distribute  
12 foundation aid money allocated under this section to a district to fund a special  
13 education pilot project in the state if

14 (1) the project is designed to demonstrate appropriate alternative  
15 methods to meet the educational needs of

16 (A) students who would otherwise receive resource and self-  
17 contained services and generate funding at those levels; or

18 (B) students who in the district's opinion are likely to be  
19 referred for special education services;

20 (2) the amount to be annually distributed to a district for  
21 implementation of a pilot project is

22 (A) in place of the instructional units that the district could have  
23 claimed under (a) of this section for the provision of resource and self-  
24 contained services; and

25 (B) equal to the amount that the district would have received  
26 under (a) of this section if it had counted the same percentage of its students  
27 for resource and self-contained services as it counted on the last day of the  
28 most recent counting period before the pilot project was approved;

29 (3) the pilot project does not exceed three years;

30 (4) the total number of pilot projects approved under this section does  
31 not exceed four in the state at any one time;

- 1                   (5) the project complies with the requirements of federal law, including  
2                   20 U.S.C. 1400 - 1485 (Individuals with Disabilities Education Act);  
3                   (6) the district proposing the project provides details of how students  
4                   shall be educated and how student achievement shall be measured; and  
5                   (7) the commissioner finds that the project is in the best interests of the  
6                   students and the state.
- 7                   (d) Special education for children requiring intensive services shall be funded  
8                   under (a) of this section. Nothing in this subsection prevents a district from providing  
9                   intensive services in an innovative manner and in the least restrictive environment.
- 10               \* Sec. 5. AS 14.07.058 and 14.07.059 are repealed.  
11               \* Sec. 6. Section 3 of this Act takes effect July 1, 1997.  
12               \* Sec. 7. Except as provided in sec. 6 of this Act, this Act takes effect July 1, 1994.
