## DEPARTMENT OF FISH AND GAME

OFFICE OF THE COMMISSIONER

JAY S. HAMMOND, GOVERNOR

SUPPORT BUILDING  
JUNEAU 99801

March 9, 1976

Hugh Malone, Chairman  
House Finance Committee  
Alaska State Legislature  
Pouch V  
Juneau, Alaska 99811

Dear Mr. Malone:

Re: Potter Point Shooting Range - IIE 361

Representative Lisa Rudd has requested a clarification from my department concerning funding sources and amounts required for the purchase of Potter Point Shooting Range. Some confusion arose, and to a certain extent remains, over the availability of federal aid matching funds on a three (federal) to one (state) basis. These are the so-called Pittman-Robertson funds that form the bulk of the Game Division's budget. It is now my best estimate that funds will be available and I recommend that the sum of \$50,000 be appropriated from the general fund for matching with \$150,000 of federal aid monies to purchase and improve the Potter Point Shooting Range.

Sincerely,

James W. Brooks  
Commissioner

**DEPARTMENT OF FISH AND GAME**

JAY S. HAMMOND, GOVERNOR

333 RASPBERRY ROAD  
ANCHORAGE 99502

March 2, 1976

Representative Hugh Malone  
Chairman, House Finance Committee  
Pouch V  
State Capitol  
Juneau, AK 99811

Dear Representative Malone:

The Anchorage municipality has a pressing demand for dedicated recreational shooting areas. Roadside tin-can type shooting is a public hazard and often results in vandalism and degradation of a legitimate sport. Safe, well designed shooting facilities should be seriously considered along with other Anchorage area developments. Therefore, the Anchorage Fish and Game Advisory Committee strongly urges Legislative funding to the Department of Fish and Game for purchase and improvement of the Rabbit Creek Rifle Range.

Sincerely,

Chris Goll  
Chairman, Anchorage Fish and Game Advisory Committee
