PERMANENT/TEMPORARY	/	/	/	/	/	/

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

It is assumed that this appropriation will be added to the Water and Harbors program to be used to complete the port and harbor facility now under study at Unalaska. The presently authorized \$750,000 from the 1974 Port Development Bond Fund is not sufficient to construct a port facility at Unalaska. The additional funding provided by HB 746 could be combined with available funds thereby permitting development of a viable project.
