III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Previous appropriations covered a 93-day session (Jan 12 through April 13). This appropriation would fund an 18-day extension (through May 1).

Note: This bill should be amended by increasing it \$15,000 for every day beyond May 1, if necessary. Conversely, if the session would terminate prior to May 1, the appropriation could be reduced by \$15,000 for each such day.

REVISION

The Committee felt an 18-day extension of the legislative session was not a practical adjournment date target. They chose instead to include additional funds to allow payment of session expenses up through the 16th of May. The expenses are broken out as follows:

- \$270.0 - requested extension through May 1
- 225.0 - Committee extension through May 16
- 18.0 - Legislative Finance session help through May 16.
