6 For an Act entitled: "An Act relating to the public employees' retirement
7 system; and providing for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. AS 39.35.160(a) is amended to read:

10 (a) While participating in the system each peace officer and each
11 fireman shall contribute five per cent and every other employee shall
12 contribute seven [FOUR AND ONE-QUARTER] per cent of his compensation to
13 the public employees' retirement system.

14 * Sec. 2. AS 39.35.370(c) is amended to read:

15 (c) The monthly amount of the normal retirement pension for an
16 employee and a retired employee [A PEACE OFFICER OR A FIREMAN] is two
17 per cent of his average monthly compensation times his years of
18 credited service up through 10 years, plus two and one-half per cent of
19 his average monthly compensation times his years of service over 10
20 years. However, the monthly amount of the normal retirement pension
21 may not exceed 80 per cent of the average monthly compensation upon
22 which the benefit is calculated [FOR EVERY OTHER EMPLOYEE AND RETIRED
23 EMPLOYEE IT IS TWO PER CENT OF HIS AVERAGE MONTHLY COMPENSATION TIMES
24 HIS YEARS OF SERVICE].

25 * Sec. 3. AS 39.35.380(a) is amended to read:

26 (a) An employee [, OTHER THAN A PEACE OFFICER OR FIREMAN,] is
27 eligible for an early retirement pension on or after his 50th [55TH]
28 birthday and after he completes five or more years of credited service.
29 [A PEACE OFFICER OR FIREMAN IS ELIGIBLE FOR AN EARLY RETIREMENT PENSION

1 ON OR AFTER HIS 50TH BIRTHDAY AND AFTER HE COMPLETES FIVE OR MORE YEARS
2 OF CREDITED SERVICE AS A PEACE OFFICER OR FIREMAN.]

3 * Sec. 4. AS 39.35.380 is amended by adding a new subsection to read:

4 (d) An employee who previously retired under (a) of this section
5 shall be paid benefits computed under sec. 370(c) of this chapter from
6 the effective date of this Act.

7 * Sec. 5. AS 39.35.485 is amended to read:

8 Sec. 39.35.485. MINIMUM BENEFIT. (a) An employee whose termina-
9 tion occurred before July 1, 1975 [1972] and who is eligible for a
10 benefit calculated in accordance with sec. 370(c) of this chapter is
11 entitled to a benefit of at least \$13.25 a month for each year of
12 credited service, not including adjustments made under secs. 380, 410,
13 450, 475 and 480 of this chapter.

14 (b) An employee who retired under this section before the
15 effective date of this Act shall be paid a benefit amount computed
16 under sec. 370(c) of this chapter or under this section, whichever is
17 greater.

18 * Sec. 6. AS 39.35.410(d) is amended to read: .

19 (d) The monthly amount of an occupational disability pension for
20 a peace officer, [OR A] fireman, or an emergency medical service
21 employee shall be two-thirds of his gross monthly compensation at the
22 time of his disability. For any other employee it shall be determined
23 in accordance with sec. 370(c) of this chapter, considering (1) the
24 employee's compensation before his termination of employment, and (2)
25 either the credited service that would have been accumulated if the
26 employee's employment had continued until his 55th [60TH] birthday after
27 his disability or his actual credited service before his disability,
28 whichever is greater; except that the amount so determined shall be
29 reduced by assuming that a joint and survivor option of 75 per cent

1 became immediately effective upon retirement, with the employee's spouse
2 as contingent beneficiary. If no spouse exists at the time of actual
3 retirement, the pension shall be determined as if the spouse were the
4 same age as the employee.

5 * Sec. 7. AS 39.35.430(a) is amended to read:

6 (a) If (1) the death of an employee, other than a peace officer,
7 [OR A] fireman, or an emergency medical service employee, occurs before
8 his retirement and before his normal retirement date, and (2) the proxi-
9 mate cause of death is a bodily injury sustained or a hazard undergone
10 while in the performance and within the scope of the employee's duties,
11 and (3) the injury or hazard is not the proximate result of the wilful
12 negligence of the employee, the surviving spouse of the employee is
13 eligible for a surviving spouse's pension until remarriage. The monthly
14 amount of the surviving spouse's pension shall be equal to the amount
15 the surviving spouse would have received if the employee had retired
16 because of an occupational disability immediately before his death. If
17 the surviving spouse remarries or if there is no surviving spouse, the
18 survivor's benefit shall be paid in equal parts to the children of the
19 employee, including those adopted, who are either under 18 years old or
20 under 23 years old and registered at and attending on a full-time basis
21 an accredited educational or a technical institution recognized by the
22 Department of Education.

23 * Sec. 8. AS 39.35.430(b) is amended to read:

24 (b) If (1) the death of a peace officer, [OR A] fireman, or an
25 emergency medical service employee occurs before his retirement and be-
26 fore his normal retirement date, and (2) the proximate cause of death
27 is a bodily injury sustained or a hazard undergone while in the perform-
28 ance and within the scope of his duties, and (3) the injury or hazard is
29 not the proximate result of the wilful negligence of the employee, a

1 monthly survivor's pension equal to his monthly compensation in the
2 month in which he died shall be paid to his surviving spouse. If his
3 surviving spouse remarries or if there is no surviving spouse, the
4 monthly survivor's pension shall be paid in equal parts to the children
5 of the employee, including those adopted, who are either under 18 years
6 old or under 23 years old and registered at and attending on a full-time
7 basis an accredited educational or technical institution recognized by
8 the Department of Education. On the date the normal retirement of the
9 employee would have occurred if he had lived, monthly payments shall
10 equal the monthly amount of the normal retirement benefit to which the
11 employee, had he lived and continued his employment as a peace officer,
12 [OR A] fireman, or an emergency medical service employee, until his
13 normal retirement date, would have been entitled with an average monthly
14 compensation as existed at his death and the credited service which he
15 would have had.

16 * Sec. 9. AS 39.35.440(a) is amended to read:

17 (a) Upon the death of a retired employee, other than a peace
18 officer, [OR A] fireman, or an emergency medical service employee who is
19 receiving or is entitled to receive an occupational disability pension,
20 a surviving spouse's pension shall be paid to his surviving spouse. The
21 monthly amount of the pension shall be equal to 75 per cent of the
22 monthly amount of the occupational disability pension which the retired
23 employee was receiving or would have been entitled to receive if he had
24 not been entitled to workmen's compensation and wage continuation pay-
25 ments. If the surviving spouse remarries or if there is no surviving
26 spouse, the survivor's benefit shall be paid in equal parts to the
27 children of the employee, including those adopted, who are either under
28 18 years old or under 23 years old and registered at and attending on a
29 full-time basis an accredited educational or a technical institution

1 recognized by the Department of Education.

2 * Sec. 10. AS 39.35.440(b) is amended to read:

3 (b) Upon the death of a retired employee who was a peace officer,
4 [OR A] fireman, or an emergency medical service employee on the date of
5 his retirement and who is receiving or is entitled to receive an occu-
6 pational disability pension, a surviving spouse's pension equal to two-
7 thirds of his average monthly compensation shall be paid to his sur-
8 viving spouse. If his surviving spouse remarries or if there is no sur-
9 viving spouse, the survivor's pension shall be paid in equal parts to
10 the children of the employee, including those adopted, who are either
11 under 18 years old or under 23 years old and registered at and attending
12 on a full-time basis an accredited educational or a technical institu-
13 tion recognized by the Department of Education.

14 * Sec. 11. AS 39.35.525 is amended to read:

15 Sec. 39.35.525. LIMITATION ON USE OF CREDITED SERVICE AS PEACE
16 OFFICER, [OR] FIREMAN, OR EMERGENCY MEDICAL SERVICE EMPLOYEE. For the
17 purpose of computing benefits for an employee enrolled as a peace offi-
18 cer, [OR] fireman, or an emergency medical service employee, no more
19 than 30 years of credited service may be considered, except for the
20 purpose of computing average monthly compensation and then the three
21 consecutive years during the entire period of credited service which
22 produced the highest total compensation shall be used.

23 * Sec. 12. AS 39.35.680(11) is amended to read:

24 (11) "normal retirement date" for an employee [A PEACE OFFI-
25 CER OR A FIREMAN] means the first day of the month following either his
26 55th birthday and five [EIGHT] years of credited service or his 20th
27 year of credited service, whichever is earlier [, AND FOR ANY OTHER
28 EMPLOYEE IT MEANS THE FIRST DAY OF THE MONTH FOLLOWING EITHER HIS 60TH
29 BIRTHDAY AND EIGHT YEARS OF CREDITED SERVICE OR HIS 30TH YEAR OF

1 CREDITED SERVICE, WHICHEVER IS EARLIER];

Dear Jim:

I am responding to your request dated December 5, 1975 for us to provide you with updated information concerning the fiscal implications of CSSB 241.

During the last legislative session, various provisions included in this bill were incorporated into Senate Bill 404 and signed into law. In addition, the provisions relating to emergency medical service employees may no longer be applicable due to the unification of the Municipality of Anchorage. Therefore it is virtually impossible for me to give you a fiscal note until such time as it can be determined what sections, if any, of this piece of legislation will be considered by the legislature.

Please let me know if you have any questions on this matter.

Sincerely,

Robert S. Gates, Director
Division of Retirement & Benefits

(c) A justice or judge who served for a period of five years, and who believes that he has become so incapacitated as to prevent him from efficiently performing his judicial duties may file with the governor a written application for retirement which contains a sworn statement of his service and of his incapacity. When an application is filed, the governor shall appoint a board of three persons to inquire into the circumstances, and may, upon the board's recommendation, retire the justice or judge. The effective date of the retirement shall be as provided in (b) of this section.

(d) A justice or judge may voluntarily retire at any time and shall have a vested right to his accrued retirement pay if he has served five or more years. Retirement pay shall not commence until he has reached age 60, except that an actuarially equivalent retirement pay may be commenced after he has reached age 55 or upon his serving 20 years as a justice or judge. The provisions of (b) of this section are an exception to this rule. A justice or judge desiring to retire under this subsection shall file with the commissioner of administration a notice of his desire. If a justice or judge is eligible to receive retirement pay at the time of his retirement, his retirement pay shall commence on the first day of the month coinciding with or after the date the notice is filed with the commissioner of administration. If a justice or judge is not eligible to receive retirement pay at the time of his retirement, his retirement pay shall commence on the first day of the month he reaches age 60 or the month he becomes eligible for an actuarial equivalent if he has applied for this option.

(e) In the computation of service for retirement under this chapter, the time served by a justice or judge of any court of the state is added to the time served by him, if any, on any other court of the state.

(f) The word "justice" means a supreme court justice, and the word "judge", unless the context clearly indicates otherwise, means a superior court or district court judge.

Sec. 22.28.060. RETIREMENT PAY. A retired justice or judge eligible for retirement pay shall receive from the date of his eligibility until his death monthly compensation equal to five per cent per year of service, to a maximum of 75 per cent, of the monthly salary authorized for justices and judges, respectively, at the time each retirement payment is made.

Sec. 22.28.070. SURVIVORS' BENEFITS. (a) Upon the death of a justice or judge who has served for at least two years, the surviving spouse is entitled to receive monthly compensation equal to one-half of the monthly retirement pay

the justice or judge would thereafter have been entitled to receive if retired at the time of death. If at death the justice or judge was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the salary authorized for justices or judges, respectively, at the time each monthly payment is made.

(b) To be eligible for the survivors' benefits, the surviving spouse must have been married to the justice or judge for at least two years immediately preceding the death of the justice or judge. The benefits continue until the remarriage or death of the surviving spouse.

(c) If there is no surviving spouse, or if the surviving spouse does not meet the requirements of (b) of this section, or upon the remarriage or death of the surviving spouse, the surviving dependent child or children of the justice or judge are entitled to receive in equal shares 50 per cent of the amount of the survivors' benefits specified under (a) of this section.

(d) The surviving child or children are entitled to the survivors' benefits under (c) of this section during the period of their dependency. Dependency exists with respect to any child of a justice or judge who is either (1) a minor under the laws of Alaska, (2) under the age of 23 and is a student attending on a full-time basis an accredited educational or technical institution recognized by the Department of Education, or (3) so mentally or physically incapacitated as to be unable to provide for self-care.

(e) If there are both an eligible surviving spouse and surviving dependent children, but who reside in separate households, the surviving spouse and dependent children will share equally in the benefits payable under (a) of this section.

Sec. 22.28.080. TAX EXEMPTION. Benefits paid under this chapter are exempt from state and municipal taxes.

Sec. 22.28.090. APPROPRIATIONS. An estimated amount sufficient to pay all benefits, including interest credited to individual accounts, anticipated to be paid under this chapter in each fiscal year shall be included in the annual appropriation to the Department of Administration. If the actual authorized benefits necessary to be paid in any fiscal year exceed the sum appropriated, the benefits due shall nevertheless be paid from general funds of the state not otherwise appropriated.

Sec. 22.28.100. ACCOUNTING. (a) The contributory judicial retirement account shall be established to which all appropriations under this chapter shall be credited.

(b) An individual account shall be maintained for each justice or judge to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited

with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.

(c) Upon commencement of retirement pay to a justice or judge, the balance in his individual account shall be transferred to the contributory judicial retirement account.

Sec. 22.28.110. REFUNDS. Upon termination of judicial service, application may be made for a refund of the balance in the individual's account. Upon withdrawal of the balance, all rights to benefits terminate.

Sec. 22.28.120. PRIOR SERVICE CREDIT. In the event a justice or judge who has withdrawn the balance of his individual account returns to permanent active service, he shall receive credit for his prior period or periods of service only if he repays within one year of the date of return all refunded contributions with interest at the prevailing prescribed rate.

* Sec. 8. AS 39 is amended by adding a new chapter to read:

CHAPTER 37. ELECTED PUBLIC OFFICERS RETIREMENT SYSTEM.

Sec. 39.37.010. APPLICATION. This chapter applies to persons who are elected public officers on the effective date of this chapter and to persons who become elected public officers after the effective date of the chapter.

Sec. 39.37.020. RETIREMENT OF ELECTED PUBLIC OFFICERS. An elected public officer is eligible for retirement pay if he has had five or more years of service at the time of retirement as an elected public officer.

Sec. 39.37.030. RETIREMENT FOR INCAPACITY. An elected public officer who has served for a period of five years, and who believes that he has become so incapacitated as to prevent him from efficiently performing his duties, may file a written application for retirement which contains a sworn statement of his service and of his incapacity. When an application is filed, a board of three persons to inquire into the circumstances shall be appointed by the chief justice of the state supreme court, and the commissioner of administration upon the board's recommendation shall retire the elected public officer. The effective date of the retirement shall be the first day of the month following the recommendation of the board.

Sec. 39.37.040. VOLUNTARY RETIREMENT. (a) An elected public officer may voluntarily retire at any time and shall have a vested right to his accrued retirement pay if he has served five years or more. Retirement pay shall not begin until he has reached age 60, except that an actuarially equivalent retirement pay may be begun after he has reached age 55 or upon attaining 20 years of creditable service. The provisions of sec. 30 of this chapter are an exception to this rule.

(b) An elected public officer desiring to retire under this section shall file with the commissioner of administration an application for retirement.

(c) If an elected public officer is eligible to receive retirement pay at the time of his retirement, his retirement pay shall begin on the first day of the month following termination of office. If an elected public officer is not eligible to receive retirement pay at the time of his retirement, his retirement pay shall begin on the first day of the month he reaches age 60 or at age 55 with an actuarially reduced benefit.

Sec. 39.37.050. BENEFIT FORMULA. (a) A person retired under the provisions of this chapter shall receive from the effective date of his retirement until his death monthly compensation equal to a per cent of either (1) the monthly salary and additional allowances established under AS 24.15.030 authorized for the office from which he retired at the time each retirement payment is made; or (2) his average monthly compensation as defined in AS 39.35.680. At the time the official applies for retirement, he shall elect to have his benefits computed under either (1) or (2) of this subsection. The election is irrevocable.

(b) The per cent shall be five per cent per year of membership service and the per cent per year of other creditable service equal to the benefit formula used for years of creditable service under ch. 35 of this title prevailing at the time of retirement.

(c) The total percentage under (b) of this section shall not exceed 75 per cent.

Sec. 39.37.060. SURVIVORS' BENEFITS. (a) Upon the death of an elected public officer who has served at least two years, the surviving spouse is entitled to receive monthly compensation equal to one-half of the monthly retirement pay the elected public officer would thereafter have been entitled to receive if retired at the time of death. If at death the elected public officer was not yet entitled to retirement pay, or was or would have been entitled to less than 60 per cent of the monthly salary authorized for his office, the surviving spouse is entitled to monthly compensation equal to 30 per cent of the monthly salary authorized for the office at the time each retirement payment is made or 30 per cent of his average monthly compensation as defined in AS 39.35.680.

(b) To be eligible for the survivors' benefits, the surviving spouse must have been married to the elected public officer for at least two years immediately preceding the death of the elected public officer. The benefits continue until the remarriage or death of the surviving spouse.

(c) If there is no surviving spouse, or if the surviving spouse does not meet the requirements of (b) of this section, or upon the remarriage or death of the surviving spouse, the surviving dependent child or children of the elected public officer are entitled to receive in equal shares 50 per cent of the amount of the survivors' benefits specified under (a) of this section.

(d) The surviving child or children are entitled to the survivors' benefits under (c) of this section during

the period of their dependency. Dependency exists with respect to any child of an elected public officer who is either (1) a minor under the laws of Alaska; (2) under the age of 23 and is a student attending on a full-time basis an accredited educational or technical institution recognized by the Department of Education; or (3) so mentally or physically incapacitated as to be unable to provide for self-care.

(e) If there are both an eligible surviving spouse and surviving dependent children, but who reside in separate households, the surviving spouse will receive one-half of the benefits payable under (a) of this section and the dependent children will share equally in the remainder of the benefits.

Sec. 39.37.070. CONTRIBUTIONS. (a) Each elected public officer shall contribute seven per cent of his compensation to the retirement system.

(b) An elected public officer participating in the retirement system established under this chapter is entitled to service credit for creditable service to the state, territory, or political subdivision before the effective date of this chapter for each year of such service for which he has accrued service credit under ch. 35 of this title.

(c) An elected public officer participating in the retirement system established under this chapter may become entitled to service credit for creditable service to the state, territory or political subdivision before the effective date of this chapter for which he has not accrued service credit under ch. 35 of this title by complying with the following:

(1) if the prior creditable service was covered under ch. 35 of this title at the time it was rendered, he shall pay contributions for each year of seven per cent of the compensation received at the time service was rendered; or

(2) if the prior creditable service was not covered under ch. 35 of this title at the time service was rendered, he shall pay contributions of seven per cent of his compensation at the time he makes application under (d) of this section; or

(3) if the service was as an elected public officer, he shall pay contributions at the rate of seven per cent of the amount of salary actually paid during the period.

(d) To receive service credit under (c) of this section, an elected public officer must make application within 60 days of becoming a participant in the retirement system established under this chapter.

(e) Each public officer who has accrued five years or more of membership service shall contribute to this retirement system seven per cent of compensation received thereafter for all creditable service and is entitled to benefits as provided in this chapter.

Chapter 205

(f) The compensation applicable to a member of the legislature making a contribution under (a) of this section is the sum of the legislative salary and additional allowances established under AS 24.15.020 and 24.15.030.

(g) The contribution is made in the form of a payroll deduction and is made notwithstanding that the compensation paid in cash to the elected public officer is reduced below the minimum prescribed by law. Each elected public officer is considered to consent to the deduction made from his compensation. Payment of compensation less the deduction prescribed in (a) of this section and other payroll deductions constitutes a full and complete discharge and satisfaction of all claims and demands for the services rendered by him during the period covered by the payment, except as to the benefits provided for under this chapter.

Sec. 39.37.080. ADMINISTRATION. The commissioner of administration is responsible for the administration of the system.

Sec. 39.37.090. REGULATIONS. The commissioner may promulgate regulations to implement the provisions of this chapter. Regulations adopted by the commissioner under this chapter relate to the internal management of state agencies and their adoption is not subject to the Administrative Procedure Act (AS 44.62).

Sec. 39.37.100. TAX EXEMPTION. Benefits paid under this chapter are exempt from state and municipal taxes.

Sec. 39.37.110. APPROPRIATIONS. An estimated amount sufficient to pay all benefits, including interest credited to individual accounts, anticipated to be paid under this chapter in each fiscal year shall be included in the annual appropriation to the Department of Administration. If the actual authorized benefits necessary to be paid in any fiscal year exceed the sum appropriated, the benefits due shall nevertheless be paid from general funds of the state not otherwise appropriated.

Sec. 39.37.120. ACCOUNTING. (a) The elected public officers retirement account shall be established to which all appropriations under this chapter shall be credited.

(b) An individual account shall be maintained for each elected public officer to which the amount of his mandatory contributions collected under this chapter shall be credited as of the date of deduction or payment, as the case may be. As of the last day of each calendar year and each fiscal year beginning with June 30, 1976, this account shall be credited with interest by applying one-half of the prescribed rate of interest to the balance in the account as of that date.

(c) Upon commencement of retirement pay to an elected public officer, the balance in his individual account shall be transferred to the elected public officers retirement account.

(d) Upon commencement of participation in this retirement system, any balance in an elected public officer's

individual account under ch. 35 of this title is transferred to his individual account under this section.

Sec. 39.37.130. REFUNDS. Upon termination of creditable service, application may be made for a refund of the balance in the individual's account. Upon withdrawal of the balance, all rights to benefits terminate.

Sec. 39.37.140. PRIOR SERVICE CREDIT. In the event an elected public officer who has withdrawn the balance of his individual account returns to elected public office, he shall receive credit for his prior period or periods of service only if he repays within one year of the date of return all refunded contributions with interest at the prevailing prescribed rate.

APPENDIX I

Committee Substitute for Senate Bill #241

The retroactive provisions would necessitate a recomputation of benefits for many persons already on retirement. In addition, adjustments would have to be made in the "retired reserve" accounts. To accomplish these tasks it would require the following additional personal services and computer modification costs.

1. One temporary position - Benefit Field Representative
(Range 16) for a six month period:

Monthly Salary	\$1,293 x 6	=	\$7,758
plus 7 1/4% benefits		=	<u>\$ 562</u>
Total			\$8,320

2. Modifications required to
date processing systems = \$12,000

We would recommend that the effective date of this bill be 7/1/75

7 system; and providing for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. AS 39.35.160(a) is amended to read:

10 (a) While participating in the system each peace officer and each
11 fireman shall contribute five per cent and every other employee shall
12 contribute seven [FOUR AND ONE-QUARTER] per cent of his compensation to
13 the public employees' retirement system.

14 * Sec. 2. AS 39.35.370(c) is amended to read:

15 (c) The monthly amount of the normal retirement pension for an
16 employee and a retired employee [A PEACE OFFICER OR A FIREMAN] is two
17 per cent of his average monthly compensation times his years of
18 credited service up through 10 years, plus two and one-half per cent of
19 his average monthly compensation times his years of service over 10
20 years. However, the monthly amount of the normal retirement pension
21 may not exceed 80 per cent of the average monthly compensation upon
22 which the benefit is calculated [FOR EVERY OTHER EMPLOYEE AND RETIRED
23 EMPLOYEE IT IS TWO PER CENT OF HIS AVERAGE MONTHLY COMPENSATION TIMES
24 HIS YEARS OF SERVICE].

25 * Sec. 3. AS 39.35.380(a) is amended to read:

26 (a) An employee [, OTHER THAN A PEACE OFFICER OR FIREMAN,] is
27 eligible for an early retirement pension on or after his 50th [55TH]
28 birthday and after he completes five or more years of credited service.
29 [A PEACE OFFICER OR FIREMAN IS ELIGIBLE FOR AN EARLY RETIREMENT PENSION

1 ON OR AFTER HIS 50TH BIRTHDAY AND AFTER HE COMPLETES FIVE OR MORE YEARS
2 OF CREDITED SERVICE AS A PEACE OFFICER OR FIREMAN.]

3 * Sec. 4. AS 39.35.380 is amended by adding a new subsection to read:

4 (d) An employee who previously retired under (a) of this section
5 shall be paid benefits computed under sec. 370(c) of this chapter from
6 the effective date of this Act.

7 * Sec. 5. AS 39.35.485 is amended to read:

8 Sec. 39.35.485. MINIMUM BENEFIT. (a) An employee whose termina-
9 tion occurred before July 1, 1975 [1972] and who is eligible for a
10 benefit calculated in accordance with sec. 370(c) of this chapter is
11 entitled to a benefit of at least \$13.25 a month for each year of
12 credited service, not including adjustments made under secs. 380, 410,
13 450, 475 and 480 of this chapter.

14 (b) An employee who retired under this section before the
15 effective date of this Act shall be paid a benefit amount computed
16 under sec. 370(c) of this chapter or under this section, whichever is
17 greater.

18 * Sec. 6. AS 39.35.410(d) is amended to read:

19 (d) The monthly amount of an occupational disability pension for
20 a peace officer, [OR A] fireman, or an emergency medical service
21 employee shall be two-thirds of his gross monthly compensation at the
22 time of his disability. For any other employee it shall be determined
23 in accordance with sec. 370(c) of this chapter, considering (1) the
24 employee's compensation before his termination of employment, and (2)
25 either the credited service that would have been accumulated if the
26 employee's employment had continued until his 55th [60TH] birthday after
27 his disability or his actual credited service before his disability,
28 whichever is greater; except that the amount so determined shall be
29 reduced by assuming that a joint and survivor option of 75 per cent

1 became immediately effective upon retirement, with the employee's spouse
2 as contingent beneficiary. If no spouse exists at the time of actual
3 retirement, the pension shall be determined as if the spouse were the
4 same age as the employee.

5 * Sec. 7. AS 39.35.430(a) is amended to read:

6 (a) If (1) the death of an employee, other than a peace officer,
7 [OR A] fireman, or an emergency medical service employee, occurs before
8 his retirement and before his normal retirement date, and (2) the proximate
9 cause of death is a bodily injury sustained or a hazard undergone
10 while in the performance and within the scope of the employee's duties,
11 and (3) the injury or hazard is not the proximate result of the wilful
12 negligence of the employee, the surviving spouse of the employee is
13 eligible for a surviving spouse's pension until remarriage. The monthly
14 amount of the surviving spouse's pension shall be equal to the amount
15 the surviving spouse would have received if the employee had retired
16 because of an occupational disability immediately before his death. If
17 the surviving spouse remarries or if there is no surviving spouse, the
18 survivor's benefit shall be paid in equal parts to the children of the
19 employee, including those adopted, who are either under 18 years old or
20 under 23 years old and registered at and attending on a full-time basis
21 an accredited educational or a technical institution recognized by the
22 Department of Education.

23 * Sec. 8. AS 39.35.430(b) is amended to read:

24 (b) If (1) the death of a peace officer, [OR A] fireman, or an
25 emergency medical service employee occurs before his retirement and be-
26 fore his normal retirement date, and (2) the proximate cause of death
27 is a bodily injury sustained or a hazard undergone while in the perform-
28 ance and within the scope of his duties, and (3) the injury or hazard is
29 not the proximate result of the wilful negligence of the employee, a

1 monthly survivor's pension equal to his monthly compensation in the
2 month in which he died shall be paid to his surviving spouse. If his
3 surviving spouse remarries or if there is no surviving spouse, the
4 monthly survivor's pension shall be paid in equal parts to the children
5 of the employee, including those adopted, who are either under 18 years
6 old or under 23 years old and registered at and attending on a full-time
7 basis an accredited educational or technical institution recognized by
8 the Department of Education. On the date the normal retirement of the
9 employee would have occurred if he had lived, monthly payments shall
10 equal the monthly amount of the normal retirement benefit to which the
11 employee, had he lived and continued his employment as a peace officer,
12 [OR A] fireman, or an emergency medical service employee, until his
13 normal retirement date, would have been entitled with an average monthly
14 compensation as existed at his death and the credited service which he
15 would have had.

16 * Sec. 9. AS 39.35.440(a) is amended to read:

17 (a) Upon the death of a retired employee, other than a peace
18 officer, [OR A] fireman, or an emergency medical service employee who is
19 receiving or is entitled to receive an occupational disability pension,
20 a surviving spouse's pension shall be paid to his surviving spouse. The
21 monthly amount of the pension shall be equal to 75 per cent of the
22 monthly amount of the occupational disability pension which the retired
23 employee was receiving or would have been entitled to receive if he had
24 not been entitled to workmen's compensation and wage continuation pay-
25 ments. If the surviving spouse remarries or if there is no surviving
26 spouse, the survivor's benefit shall be paid in equal parts to the
27 children of the employee, including those adopted, who are either under
28 18 years old or under 23 years old and registered at and attending on a
29 full-time basis an accredited educational or a technical institution

1 recognized by the Department of Education.

2 * Sec. 10. AS 39.35.440(b) is amended to read:

3 (b) Upon the death of a retired employee who was a peace officer,
4 [OR A] fireman, or an emergency medical service employee on the date of
5 his retirement and who is receiving or is entitled to receive an occu-

24 HIS YEARS OF SERVICE].

25 * Sec. 3. AS 39.35.380(a) is amended to read:

26 (a) An employee [, OTHER THAN A PEACE OFFICER OR FIREMAN,] is

29 [A PEACE OFFICER OR FIREMAN IS ELIGIBLE FOR AN EARLY RETIREMENT PENSION

1 ON OR AFTER HIS 50TH BIRTHDAY AND AFTER HE COMPLETES FIVE OR MORE YEARS
2 OF CREDITED SERVICE AS A PEACE OFFICER OR FIREMAN.]

3 * Sec. 4. AS 39.35.380 is amended by adding a new subsection to read:

4 (d) An employee who previously retired under (a) of this section

22 monthly amount of the occupational disability pension which the retired
23 employee was receiving or would have been entitled to receive if he had

4 NINTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act including emergency medical service employees
7 under the benefits for policemen and firemen in the
8 public employees retirement system; and providing for
9 an effective date."

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 * Section 1. AS 39.35.160(a) is amended to read:

12 (a) While participating in the system each peace officer, [AND
13 EACH] fireman and emergency medical service employee shall contribute
14 five per cent and every other employee shall contribute four and one-
15 quarter per cent of his compensation to the public employees retirement
16 system.

17 * Sec. 2. AS 39.35.370(c) is amended to read:

18 (c) The monthly amount of the normal retirement pension for a
19 peace officer, [OR A] fireman, or an emergency medical service employee
20 is two per cent of his average monthly compensation times his years of
21 credited service up through 10 years, plus two and one-half per cent of
22 his average monthly compensation times his years of service over 10
23 years. For every other employee and retired employee it is two per cent
24 of his average monthly compensation times his years of service.

25 * Sec. 3. AS 39.35.380(a) is amended to read:

26 (a) An employee, other than a peace officer, [OR] fireman, or
27 emergency medical service employee, is eligible for an early retirement
28 pension on or after his 55th birthday and after he completes five or more
29 years of credited service. A peace officer, [OR] fireman, or emergency

1 medical service employee is eligible for an early retirement pension on
2 or after his 50th birthday and after he completes five or more years of
3 credited service as a peace officer, [OR] fireman, or an emergency medi-
4 cal service employee.

5 * Sec. 4. AS 39.35.410(d) is amended to read:

6 (d) The monthly amount of occupational disability pension for a
7 peace officer, [OR A] fireman, or an emergency medical service employee
8 shall be two-thirds of his gross monthly compensation at the time of his
9 disability. For any other employee it shall be determined in accordance
10 with sec. 370(c) of this chapter, considering (1) the employee's compen-
11 sation before his termination of employment, and (2) either the credited
12 service that would have been accumulated if the employee's employment
13 had continued until his 60th birthday or his actual credited service,
14 whichever is greater; except that the amount so determined shall be
15 reduced by assuming that a joint and survivor option of 75 per cent
16 became immediately effective upon retirement, with the employee's spouse
17 as contingent beneficiary. If no spouse exists at the time of actual re-
18 tirement, the pension shall be determined as if the spouse were the same
19 age as the employee.

20 * Sec. 5. AS 39.35.430(a) is amended to read:

21 (a) If (1) the death of an employee, other than a peace officer,

25 while in the performance and within the scope of the employee's duties,
26 and (3) the injury or hazard is not the proximate result of the wilful
27 negligence of the employee, the surviving spouse of the employee is
28 eligible for a surviving spouse's pension until remarriage. The monthly
29 amount of the surviving spouse's pension shall be equal to the amount

1 the surviving spouse would have received if the employee had retired
2 because of an occupational disability immediately before his death. If
3 the surviving spouse remarries or if there is no surviving spouse, the
4 survivor's benefit shall be paid in equal parts to the children of the
5 employee, including those adopted, who are either under 18 years old or
6 under 23 years old and registered at and attending on a full-time basis
7 an accredited educational or a technical institution recognized by the
8 Department of Education.

9 * Sec. 6. AS 39.35.430(b) is amended to read:

10 (b) If (1) the death of a peace officer, [OR A] fireman, or an
11 emergency medical service employee occurs before his retirement and be-
12 fore his normal retirement date, and (2) the proximate cause of death
13 is a bodily injury sustained or a hazard undergone while in the perform-
14 ance and within the scope of his duties, and (3) the injury or hazard is
15 not the proximate result of the wilful negligence of the employee, a
16 monthly survivor's pension equal to his monthly compensation in the
17 month in which he died shall be paid to his surviving spouse. If his
18 surviving spouse remarries or if there is no surviving spouse, the
19 monthly survivor's pension shall be paid in equal parts to the children
20 of the employee, including those adopted, who are either under 18 years
21 old or under 23 years old and registered at and attending on a full-time
22 basis an accredited educational or technical institution recognized by
23 the Department of Education. On the date the normal retirement of the
24 employee would have occurred if he had lived, monthly payments shall
25 equal the monthly amount of the normal retirement benefit to which the
26 employee, had he lived and continued his employment as a peace officer,
27 [OR A] fireman, or an emergency medical service employee, until his
28 normal retirement date, would have been entitled with an average monthly
29 compensation as existed at his death and the credited service which he

1 would have had.

2 * Sec. 7. AS 39.35.440(a) is amended to read:

3 (a) Upon the death of a retired employee, other than a peace
4 officer, [OR A] fireman, or an emergency medical service employee who is
5 receiving or is entitled to receive an occupational disability pension,
6 a surviving spouse's pension shall be paid to his surviving spouse. The
7 monthly amount of the pension shall be equal to 75 per cent of the
8 monthly amount of the occupational disability pension which the retired
9 employee was receiving or would have been entitled to receive if he had
10 not been entitled to workmen's compensation and wage continuation pay-
11 ments. If the surviving spouse remarries or if there is no surviving
12 spouse, the survivor's benefit shall be paid in equal parts to the
13 children of the employee, including those adopted, who are either under
14 18 years old or under 23 years old and registered at and attending on a
15 full-time basis an accredited educational or a technical institution
16 recognized by the Department of Education.

17 * Sec. 8. AS 39.35.440(b) is amended to read:

18 (b) Upon the death of a retired employee who was a peace officer,
19 [OR A] fireman, or an emergency medical service employee on the date of
20 his retirement and who is receiving or is entitled to receive an occu-
21 pational disability pension, a surviving spouse's pension equal to two-
22 thirds of his average monthly compensation shall be paid to his sur-
23 viving spouse. If his surviving spouse remarries or if there is no sur-
24 viving spouse, the survivor's pension shall be paid in equal parts to
25 the children of the employee, including those adopted, who are either
26 under 18 years old or under 23 years old and registered at and attending
27 on a full-time basis an accredited educational or a technical institu-
28 tion recognized by the Department of Education.

29 * Sec. 9. AS 39.35.525 is amended to read:

1 Sec. 39.35.525. LIMITATION ON USE OF CREDITED SERVICE AS PEACE

6 purpose of computing average monthly compensation and then the three
7 consecutive years during the entire period of credited service which
8 produced the highest total compensation shall be used.

9 * Sec. 10. AS 39.35.680(11) is amended to read:
