

FILE WITH BILL

The Alaska Association of Helping Services

February 23, 1976

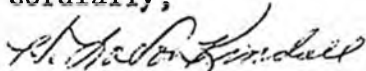

Subject: S. B. 488

Dear Senator:

Please find attached a copy of a resolution unanimously adopted by the Alaska Association of Helping Services whose membership is representative of nearly all of the private child-caring agencies in the State.

It is the position of our association that with the preparation and adoption of fiscal policy and procedures, the best interests of both the State and the private providers of service can be protected. Until such policy and procedures have been adopted for implementation of the law the law itself should not be amended.

Cordially,

H. L. Kindall
Chairman
