Dear Senator Ray:

I have been requested by Jim Fennel of your office to provide you with a fiscal note for Senate Bill #668. This amendment effects the non-contributory Judicial Retirement System which as you know is not currently a funded system. Therefore, passage of this legislation would not have any immediate fiscal impact. It is my understanding that the purpose of this bill is to allow one individual who is a judge to receive service credit for that period of time served as a Deputy Magistrate just prior to the time the position was converted to that of a judge. Any costs involved with this legislation will occur at the time the individual is appointed to retirement and the increased cost will be in the form of an increase in the appropriation requested by the court system to fund that individual's benefits from that point forward.

If any additional information is needed on this matter I would appreciate hearing from you.

Sincerely,

Robert S. Gates, Director  
Division of Retirement & Benefits
