Honorable Bob Bradley, Chairman  
House Commerce Committee  
Pouch V  
Juneau, Alaska 99811

Dear Mr. Bradley:

I have reviewed a copy of House Bill No. 845 introduced by the House Commerce Committee. It is not apparent whether the bill is sponsored by the Committee, a few members of the Committee or whether it is in fact an Administration bill.

In any event, in my opinion, the bill can only be described as totally irresponsible.

I would appreciate it if you would see to it that I am informed of when public hearings are to be held on the bill. It is clear that the public interest and the purposes of transportation regulation have been completely overlooked.

Sincerely yours,

George L. Benesch
