HESS COMMITTEE MEETING

JAN 26, 1976

Present: Osterback Ostrosky Ose
Parr Davis
Hackney Beirne

Testifying: Sharon Andrews, Director, Occupational Licensing
Dept. of Commerce HB 524

HB 524 - Practice of Podiatry Hackney

Hackney - explanation of why there is a need for the bill in Alaska states that there are about six practicing podiatrists, feels they endorse this bill.

Sharon Andrews - opposes this bill because licensing needs to be looked at in total, which the gov. has been doing, reviewing and proposing new legislation.

Another problem she is is that you must be licensed to prescribe medicines, under federal law (DEA#) Right now the six practicing podiatrists are not licensed but would be so under the grandfather clause of most bills. There is a bill right now that should be in effect in July, if it passes the legislature which would be a credentially bill for podiatrists.

Committee decided to pass it with a do pass and recommendation that it go to House Commerce, because they are having a meeting on Thur. to discuss other licensing bills. Committee members plan to attend.

HB 190 will be taken up at a later date. Mr. Duncan needs to locate his information on it.
