POSITION PAPER
ON
HOUSE BILL NO. 560

An act relating to day care facilities; and providing for an effective date.

The bill appears to provide authority for the Department of Community and Regional Affairs to contract with municipalities and, directly, with day care facilities outside of municipalities for day care services under the "Day Care Assistance" program. In addition, the bill clarifies the definition of a "child" by specifying age in years, rather than the qualifying statement of "up to mandatory school age".

The bill will have no direct impact on the Department of Health and Social Services and its programs, except to possibly facilitate the development of day care resources which may be utilized for children of social service clients.

The Department supports the Bill without change.
