HJR 52 Immigration Visas for Allies Children - Buchholdt

Buchholdt, discussed the dire need for this bill and related examples of when it would be necessary.

Parr - Asked for an amendment that on line 2^d, after the word "Congress" insert the phrase, "is respectfully requested to".

Amendment voted on and passed

Resolution voted on and passed out with do pass by all members

HJR 53 - Research of drug Laetrile -

Lisa Rudd explained why there is a need for more research by the FDA. Many people in the U.S. now use this drug and are acquiring it from Mexico, where an individual can get a one years perscription.

Vote - do pass, all members

HB 786 - Smoking areas in public schools - Parr

Charlie spoke about the need for this, even though legislation was passed regarding smoking in public places.

Committee discussed the cost implications, fiscal note of \$300,000 was submitted.

Parr recommended that it be passed out, individual recommendations on it PARR and Ostrosky, for, Swanson, against.

HB 824 -Licensing of Nurseries for children - Anderson

Nels spoke about the need for this in the rural areas, where people needed to leave their children in day care, but because of the lack of water and housing situations, few people could pass the licensing requirements for day care.

Amendment, line 11, delete 10,000 and insert "5,000.

HB 824

Pat Monroe, Dept. of H & SS testified and read the position paper from the dept. on this bill. They are against it, mainly because they are in the process of redoing their regulations, are soon having public hearings for input into the proposed changes.

Committee - concerned about how long the proposed changes will take to implement, Decided that the dept. does not move expeditiously.

Bill voted on, do pass with amendment. Passed out.
