SCR 94 - Licensing of Nursing Home Administrators - Rules

Depts. position is that they are against it for various reasons. Mainly that the city would use it as incentive for a Phy. assistant to come in and charge fees. Against the states policy. Many legal problems.

Committee wants to know if public health nurses could still come in and use the facility????

Amendment line 19, pl

"Be it further resolved that the transfer document guarantee continued availability of space for state medical personnel at no cost to the state"

Committee decided to hold this bill over till we can get someone to testify on it regarding the questions raised by the committee

(amendment was not voted on)

CSHB 457 - Training & Ed. of state employees- Buchholdt

Pat Hunt - testifying regarding this bill and how it would affect the state employees. Fiscal implications hard to figure out. Depts now do some educating of employees, but mainly those who are minority hire.

The bill- purpose of bill to allow professional people to follow their chosen profession by continuing education.

Committee concerned that the ed. process will override the job. Bill mandates also things, such as "shall" create a program.

Amendment p.2 line 5 delete the word "shall", add "may as funds permit"

amendment passed.

Hold bill over for more information.

HB 881 - Interference with Phy/patient relationship

Hugh Fleischer, attorney for many cancer patients interested in laetrile. made various recommendations for this bill. change word drug to "substance" Numerous studies which support laetrile.
