LR/gb

Dear Hugh -

I'm really sorry I forgot to get the schedule to you.

The committee moved out one major bill on 2/16 (revenue sharing). We have three other bills which I consider major, all by Parr:

HB 75 (municipal income tax)

HB 219 (permits for shore facilities)

HB 202 (property tax in the unorganized
borough)

I do not expect to get HB 202 out of the committee in time for passage this year.

The schedule is as follows:

To move out of the committee the week of 2/21:

HB 215 (supplemental appropriation for day care assistance)

HB 190 (municipal air pollution control programs)

HB 110 (municipal planning and zoning powers)

HB 133 (land selection by municipalities)

HB 116 (state land classification)

To move out of the committee the week

of 2/28:

HB 219 (permits for shore facilities)
HB 75 (municipal income tax) if
information we need is available
by then.

HB 83 (procedures of Local Boundary
Commission) We're waiting to
get info from you on reasons
for sections 2, 3 & 4

HB 147 (construction in municipalities
by state agencies)

To move out of committee the week of 3/7:

HB 173 (child care in home rule
municipalities)

HB 72 (historical districts)

Of course, this leaves no room
for yet-to-be introduced legislation
which may seem important. But
we can "bump" some of the less im-
portant bills here if need be.

Thanks for your patience.

Lisa

P.S. I could garner only 2 votes to
move HB 85 (residential property tax exemp-
tion) & disallowed a tabling motion by
Kelly. Shall I persist? (The 2 votes were Pudd & Phillips)
