The Honorable Charles H. Parr  
Alaska State House of Representatives  
Pouch V  
Juneau, Alaska 99811

Dear Sir:

The present law and regulations pertaining to the transportation of pupils is serving the school districts of this state very well at this time. We realize that the law is not perfect and perhaps some change would facilitate improvement; but the school districts can, at present time, determine the qualifications and guidelines set forth in HB 761. Therefore, the Copper River School District Board is opposed to the passage of HB 761.

Very truly yours,

Joseph A. Roche, Legislative Chairman  
Copper River School District Board
