MEMORANDUM

April 26, 1977

SUBJECT: HB 313 and CS for HB 313 -- relating to the manager plan of municipal government

TO: Representative Terry Gardiner, Chairman House Judiciary Committee

FROM: Jack Chenoweth, Legislative Counsel

As you consider the bill and the committee substitute offered by the House Community and Regional Affairs Committee, please consider adding the following as an additional section:

Sec. . AS 29.23.170(b) is amended to read:

(b) The borough mayor may not veto [ACTIONS OF THE ASSEMBLY TAKEN UNDER SEC. 130(d) OF THIS CHAPTER OR] actions of the board of equalization and the board of adjustment.

The additional section is desirable insofar as both versions of the bill repeal AS 29.23.130(d), referred to in the bracketed language above, and the prohibition on veto by the mayor of a question involving adoption of the manager plan is re-emphasized in the amendment to AS 29.23.430, section 1 of both versions of the bill. I think we should try to delete references to repealed sections in bills within the same legislation whenever possible.
