James W. Brooks, Commissioner
Department of Fish and Game
Subport Building
Juneau, Alaska 99801

Dear Commissioner,

The House Resources Committee will be reviewing HCR 32, Bristol Bay Area to Region Redesignation and HJR 27, Native Representation on the North Pacific Fishery Management Council on Thursday March 17, 1977 in Room 118 of the Capitol Building at 1:15 p.m.

Please supply us with a position paper or material you have on these bills by the time of the meeting. If you have any information pertinent to these topics, the committee would appreciate receiving that, too. If you know of other interested groups, please contact them.

If you have suggested amendments, please supply the staff with copies of that prior to the meeting.

If there is a fiscal implication and a note is necessary, please prepare it and submit it to the committee -- preferably prior to the meeting.

Thank you for your cooperation.

Sincerely,

Al Osterback, Chairman
House Resources Comm.

JUNEAU ALASKA

MEMORANDUM

2 March 1977

TO: House Resources Committee

FROM: Alvin Osterback, Chairman
House Resources Committee

Al Osterback jr

SUBJECT: HB 289 Caribou Transplant

During the Ninth Alaska State Legislature, SCSHCR 93 passed, requesting Caribou transplant. This bill is the appropriation for SCSHCR 93.

Upon receiving the first estimate for \$98,420 I met with Bob Rausch, Director of the Game Division. I expressed my concern over the high cost. Mr. Rausch agreed to work up a new estimate, operating out of Cold Bay and catching the animals in Stepovak Bay. As you can see, the new estimate for transplanting 40 caribou would be \$28,660.

2/22/77

February 18, 1977

The Honorable Alvin Osterback, Chairman
House Resources Committee
Pouch V
Juneau, Alaska 99811

Dear Representative Osterback:

My staff has prepared the requested cost estimate for transporting 40 caribou from the Alaska Peninsula to Nagai Island, using Cold Bay as the base of operations. The estimate follows:

Caribou Transplant:

40 Caribou to Nagai - from Cold Bay

Helicopter @ \$325 X 5 hrs per day = \$1,625/day	
X 7 days helicopter time =	\$11,375
Goose 3 hr. round trip X 7 trips @\$720 =	5,040
(perhaps less if we can catch caribou in Stepovak Bay)	
Room and board chopper pilot, \$55 X 10 days =	550
Fuel at Cold Bay, 945 gal. at .48/gal. =	453
Per diem 3 biologists for 10 days =	1,650
Transportation of staff =	700
Drugs & equipment =	5,000
	<u>\$24,768</u>

If helicopters are not available locally,	
ferry time from Anch. to Cold Bay and return =	3,900
	<u>\$28,660</u>

This estimate does not include personnel costs which the division will absorb.

Sincerely,

Robert A. Rausch
Director
Division of Game

February 7, 1977

The Honorable Alvin Osterback, Chairman
House Resource Committee
Pouch V
Jureau, Alaska 99811

Dear Representative Osterback:

Re: Caribou transplants as requested in SCSHCR 93.

My staff has completed preliminary surveys and estimates preparatory to inaugurating the transplants requested in SCSHCR 93. If the attached plans are satisfactory, specific authorization is required in order to implement the activity. Because the thrust of the activity will primarily result in production of food animals, rather than recreation, it would seem appropriate to fund the activity from the general fund rather than from the dedicated Fish and Game Fund which is comprised of hunting and sport fishing license and tag receipts.

Agreements with the appropriate Native Corporations have not been initiated. This requirement will await fiscal authorization of the activity. If you desire further assistance or information please contact me.

Sincerely,

James W. Brooks
Commissioner
