REPORT FROM OIL & GAS SUB-COMMITTEE  
ON H.J.R. #11

Mr. Chairman & Members:

The sub-committee on Oil and Gas has unanimously decided to return H.J.R. 11 to the full resources committee with a "do pass" recommendation, following their meeting at 1:00 p.m. January 24.

It has been requested that the full committee hear brief testimony from Ms. Sam dal Piaz, lobbyist for the Alaska Conservation Society. It is my understanding that she will be speaking in favor of the resolution and will be present in the committee room at 1:00 p.m..

It has also been suggested that I contact the office of The Honorable Warren G. Magnuson, Chairman of the Senate Committee on Commerce, requesting a possible "Time-Table" and "Feasibility" reaction. This I will do, the morning of January 25, and report any information I receive to the full committee.
