CHAIRMAN

Chairman's Report State Affairs

HB 84

During the consideration of this legislation, the Department of Administration indicated that its interpretation of the phrase "or in installments over a period of time" would not mean that an employee has the option of mandating the amounts or installment schedule for the payment of personal leave over a period of time. It would mean instead that, at the option of the employee, the lump sum payment would be waived and instead the employee would receive monthly payments equivalent to his normal pay schedule. The consensus of the committee was that this interpretation would be recognized as consistent with legislative intent regarding this proposed statute.
