III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Reduces grant requirement for FY 81 from \$150,000 to \$120,000. There is no impact to administration.

Present law does not exempt seniors from ad valorem tax on their vehicles, just from state collected registration tax. This bill corrects the present law to exempt seniors from property tax on vehicles, statewide.

Present law pays municipalities that do not tax vehicles. This bill corrects law to only reimburse municipalities for revenue lost. This accounts for the reduced need for revenue to fund the program.

HB 615 -- Identical to SB 319 which was passed out of Sen. C/RA 1/29/80

"An Act relating to an exemption from municipal property taxation; and providing for an effective date."

Fiscal Note for SB 319 from Dept. HESS, signed by Coordinator M.D. Plotnick stressed clarification was needed in two areas:

1. What happens in the case of a married couple? If both are 65 years of age or older, will they be entitled to exemptions on two vehicles?

ANSWER: Per Dept. of Public Safety/ Motor Vehicles: Both would receive an exemption - if married, regardless how the certificate is made out - the stipulation being they are of 65 or older...

2. What constitutes residency for purposes of this bill?

ANSWER: Per Dept. of Public Safety, Motor Vehicles: this would revert to driver's statutes - residency requirement 90 days.

POSITION PAPER
Senate Bill No. 319

"An Act relating to an exemption from municipal property taxation; and providing for an effective date."

The Department of Health and Social Services supports the intent of SB 319. The bill in its current form, however, seems to need clarification on two areas:

- 1) What happens in the case of a married couple? If both are 65 years of age or older, will they be entitled to exemptions on two vehicles?
- 2) What constitutes residency for purposes of this bill?

This bill will not impact on the Department of Health and Social Services but will impact on the Department of Community and Regional Affairs.

The Department of Health and Social Services recommends that Senate Bill 319 not be passed without revisions to address the above-stated concerns.
