POSITION PAPER

HOUSE BILL NO. 240 and 241

"Acts establishing the Vocational Education Task Force and providing pecuniary support."

This bill creates a task force that will have 8-10 months to analyze the need and make recommendations for vocational and technical education in Alaska.

In light of the extensive historical involvement of the Bureau of Indian Affairs in this field of education for Alaska Natives and in light of the continuing needs of Alaska Native young people to have appropriate opportunities there should be an addition to page 1, line 27: (10) an employee of the Bureau of Indian Affairs who has had experience with the vocational training programs.

There should be an interface of the University of Alaska with the vocational education that is being offered. Teacher training and actual vocational training in certain fields are two specific desired aspects of this interface. Therefore a suggested addition to page 1, line 27 is: (11) an employee of the University of Alaska who is familiar with curriculum development in the university system.

The Department supports the concept of these bills.
