 CHAIRMAN

"An act related to state aid for health facility construction; and providing for an effective date."

House Bill 393 proposes to include the cost of constructing certain health facilities constructed after January 1, 1968, and before July 1, 1980, as eligible costs for reimbursement under AS 29.90.010. Following conversations with the Department of Community and Regional Affairs it is the understanding of the Department of Health and Social Services (DHSS) that HB 393 would affect only three health care facilities: Juneau Alcoholism/Substance Abuse Detoxification and Rehabilitation Facility, Akiachak Health Clinic and Napaskiak Health Clinic.

The greatest impact would be upon the Juneau Alcoholism/Substance Abuse Detoxification and Rehabilitation Facility. This facility had been constructed with the anticipation of receiving a total of \$193,815 over a five year period under AS 43.18.010(j). One payment in the amount of \$38,763 was made to the City and Borough of Juneau before the municipal revenue sharing formula was recodified under Title 29 in 1980. The remaining four payments were not received by the City and Borough of Juneau since the Bill which recodified AS 43.18.010 also restricted reimbursement of health care facility construction costs to licensed hospitals, determined by DHSS to be general hospitals.

The effect of HB 393 would be to "reinstate" the Juneau Alcoholism/Substance Abuse Detoxification and Rehabilitation Facility, Akiachak Health Clinic, and Napaskiak Health Clinic as eligible facilities for the purposes of revenue sharing under AS 29.90.010. According to the Department of Community and Regional Affairs these facilities would receive the following funds over the next four years:

	<u>FY '82</u>	<u>FY '83</u>	<u>FY '84</u>	<u>FY '85</u>
Juneau Alcoholism/ Substance Abuse Detoxification	\$38,763	\$38,763	\$38,763	\$38,763
Akiachak	1,851	1,851	1,851	1,851
Napaskiak	1,000	1,000	1,000	-0-
Total	\$41,614	\$41,614	\$41,614	\$40,614

DHSS believes it would not be unreasonable to continue the anticipated payments to these facilities.
