TO: Rep. Ramona Barnes,
House Judiciary Committee Chairperson

FROM: Rep. Bob Bettisworth *Bob B*

RE: H.B. 622

This hous bill was submitted by your committee, and introduced the first day of session.

I had had the Division of Legal Services write a bill concerning this same matter during the interim, and am enclosing it.

I believe that this bill is much more concise, than the one submitted, and would appreciate you consideration in using this bill instead of the previously submitted one.

Thank you for your time in this matter.
