MEMORANDUM

January 27, 1982

TO: Members of the Senate Judiciary Committee

FROM: Teresa B. Cramer *IBC*
Administrative Assistant

SUBJECT: CSSB 193(SA) Amending the State Personnel Act

The Blue Ribbon Commission sponsored SB 193 to make a comprehensive revision of the State Personnel Act, to change personnel practices, to expand protections granted employees in the exempt and partially exempt services; and to make the Act consistent with the Public Employment Relations Act. Last session, Senate State Affairs considered and amended the bill.

The State Personnel Act establishes the state personnel system and implements the constitutional requirement that the merit principle govern employment of persons by the state. Article XII, Section 6. Some of its provisions are superseded by provisions of collective bargaining agreements between the state and employee organizations. It provides the entire personnel system for the 19 or 20 classified service employees who are not members of a bargaining unit and for all partially exempt employees to the extent it applies to them.

The major changes proposed in CSSB 193(SA) are discussed briefly below. I have noted also some of the amendments made by the State Affairs Committee.

Section 6: AS 39.25.080. PUBLIC RECORDS.

Page 2
Line 6

The amendment lists those parts of the personnel records which are to be considered public records and is consistent with the current Personnel Rules. The law presently says that all records except those which the Rules require to be held confidential are open to public inspection.

Section 12: AS 39.25.140. AMENDMENT OF PERSONNEL RULES.

Page 7
Line 25

Subsection (c) of this section changes current law to require that those Personnel Rules which concern

matters of public policy be adopted in accordance with the Administration Procedure Act. (Page 8, line 3) Subsection (f) empowers the Personnel Board to amend the Rules presented to it. (Page 8, line 17)

Section 13: AS 39.25.150. SCOPE OF THE RULES.

Page 11
Line 1

By - in House process

Paragraph (17) adds new language to provide that the Personnel Rules shall include procedures for resolving grievances of the general public concerning the operation of the state personnel system. Grievances might arise from the state application and testing process or the selection process. There is presently no system in place for addressing these grievances, although they are handled on an informal basis by the Division of Personnel.

Page 11
Line 7

Paragraph (20) addresses veterans' preference. The original bill did not change the substance of the existing preference system. The State Affairs Committee adopted amendments which do change the existing system.

Page 12
Line 18

Paragraph (23) adds new language to provide that rules be adopted permitting the state to establish programs facilitating the employment of disadvantaged persons. These might include CETA programs and the Senior Community Service Employment Program (SCSEP).

Page 12
Line 24

The State Affairs Committee Substitute adds paragraph (25) which would guarantee that an employee's salary would not be reduced if his position were moved from the partially exempt or exempt service and placed into the classified service.

Section 14: AS 39.25.153. PERSONNEL OFFICERS.

Page 13
Line 1

Subsection (a) provides that if a department has a personnel officer, he or she shall be an employee of the department rather than of the Division of Personnel. This keeps in force the current practice. As employees of the department, personnel officers are better able to maintain an effective working relationship with the staff of the department they serve.

Subsection (b) limits powers now given certain

personnel officers to amend the Personnel Rules when dealing with employees in job classes unique to that department.

Section 15 AS 39.25.160. GENERALLY.

Page 13
Line 25

Subsection (c) extends the protection from being required to make contributions to a political party to all state employees. (Page 14, line 5). Only members of the classified service now have that protection.

Subsection (e) adds a requirement that members of the partially exempt service resign from state employment when seeking political office. (Page 14, line 10)

Subsection (f) extends protection from unlawful discrimination to all state employees. It applies now only to members of the classified service. (Page 14, line 14)

Section 16: AS 39.25.170. HEARINGS AND APPEALS UPON DISMISSAL, DEMOTION, OR SUSPENSION.

Page 15
Line 4

Subsections (c) and (i) provide that employees who have been unlawfully discriminated against may appeal to the Personnel Board, whether or not they are members of the classified service. This implements the expanded protection granted in Section 15, which amends AS 39.25.160(f). Other paragraphs of Section 16 codify current case law.

Appeals by employees in the classified service who are members of bargaining units will be governed by the labor agreement in force rather than by the State Personnel Act, so this section applies to partially exempt employees and to those classified employees who are not members of a union.

Section 20: AS 14.40.913(a).

Page 18
Line 8

The Committee Substitute amends the Postsecondary Education Commission statutes to provide that all of its employees except the executive officer will be members of the classified service. They are presently members of the exempt service.

Section 21: AS 16.43.080(a).

Page 18
Line 22

The Committee Substitute amends the Alaska Commercial Fisheries Limited Entry Commission statutes to place all employees except the executive officer into the classified service. They are presently members of the exempt service.

Section 23: EFFECTIVE DATE.

The effective date proposed in the bill is now out-of-date and should be amended to July 1, 1982.

MEMORANDUM

March 31, 1981

TO: Members of the Senate State Affairs Committee

FROM: Teresa B. Cramer *TBC*
Administrative Assistant

SUBJECT: SB 193 - Amending the State Personnel Act

Senate Bill 193 makes a comprehensive revision of the State Personnel Act, to change personnel practices, to expand the protections granted employees in the exempt and partially exempt services, and to make the Act consistent with the Public Employment Relations Act. The major changes made in the bill are noted below:

Section 6. Amending AS 39.25.030. PUBLIC RECORDS.

This section amends the current law to provide that only those personnel records listed are available for public inspection. In fact, the materials listed are those which are presently made available under existing law for public inspection. The law now states that except for those materials made confidential by the Personnel Rules, state personnel records are public.

Section 8. Amending AS 39.25.110. EXEMPT SERVICE.

The bill deletes the material in the existing paragraph (3) which states that "certificated teachers employed by the state to teach in schools operated by the state" are in the exempt service. After being advised by the Personnel Office of the Department of Education that there were no employees of schools operated by the state, the commission deleted the paragraph. In fact, there are employees considered to fall within this group. They are employed as correspondence study teachers in Juneau and in the Alaska Skills Center in Seward. The commission has not had an opportunity to consider whether it wishes to change its initial action of deleting paragraph (8).

Section 9. Amending AS 39.25.120. PARTIALLY EXEMPT SERVICE.

Paragraph (19) of this section of the bill adds a group of employees to the partially exempt service who are presently members of the classified service but do not participate in collective bargaining. These are the employees of the Division of Labor Relations within the Department of Administration who are responsible for representing the state in collective bargaining. The majority of the commission recommends that these employees be placed in the partially exempt service in order to insure that they are directly responsive to the policies of the administration.

Section 12. Amending AS 39.25.140. AMENDMENT OF PERSONNEL RULES.

The bill proposes that those Personnel Rules which fall within areas of concern to the public be required to be adopted in accordance with the Administrative Procedures Act to insure an opportunity for public comment. All of the Personnel Rules are presently exempt from the requirements of the APA.

Section 13. Amending AS 39.25.150. SCOPE OF THE RULES.

Paragraph (16) of the bill no longer sets a limit of 30 days for disciplinary suspension.

Paragraph (17) of the bill provides that the Personnel Rules shall include procedures for resolving disputes from the general public.

Paragraph (23) of the bill is added to permit the adoption of Rules relating to special employment programs for the disadvantaged.

Section 14. Amending AS 39.25.153. PERSONNEL OFFICERS.

Subsection (a) provides that all personnel officers shall be employees of the department in which they serve.

Subsection (b) amends the powers granted to the personnel officers listed in the statute.

Section 15. Amending AS 39.25.160. GENERALLY.

Subsection (c) extends protection from being required to make contributions to a political party to all employees. The existing

Memo to Senate State Affairs Committee
March 31, 1981

subsection applies only to those employed in the classified service.

Subsection (e) adds a requirement that members of the partially exempt service resign from state employment when seeking political office.

Subsection (f) extends protection from unlawful discrimination to all state employees, not merely to members of the classified service.

Section 17. Amending AS 39.25.170. HEARINGS AND APPEALS UPON DISMISSAL, DEMOTION, OR SUSPENSION.

Subsections (c) and (i) repeat the expanded coverage from unlawful discrimination which was granted in AS 39.25.160(f).

Currently, all collective bargaining agreements for the State of Alaska are negotiated by the Division of Labor Relations. As the employees in this Division are in the classified service, they are, in fact bargaining for themselves, which is a demonstrable conflict of interest.

As classified employees, the employees of the Division of Labor Relations are not politically sensitive - attuned to the Legislature's desires or actions. This is not only frustrating to the Legislators, but to the collective bargaining representatives. For example - APEA indicated an agreement to local hire - yet the Division of Labor Relations absolutely refused to take any action on this issue. Another instance comes to mind with the rural hiring problems for Fish and Game positions. APEA was willing to comply in order to solve the problem, but the Division of Labor Relations not only refused to take any action, but refused to discuss the matter.

As classified employees, the employees can only be removed for just cause. When a negotiator is bargaining for a contract that involves millions of State dollars that will increase the State budget - it does not seem reasonable to have negotiators at the table that are doing only an average job. The Administration should have the most astute negotiators in its own best interests.

The Blue Ribbon Commission recommended removing these employees from the classified service.

CSHB 666 (Fin) am (cont'd)

And so, the engrossment on CSHB 666 (Fin) am, was waived in accordance with Rules 43 (b) and the bill was transmitted to the Senate for consideration.

HB 684

HOUSE BILL NO. 684 (relating to the compensation of public officers and employees; eff. date) was automatically before the House in third reading and was read the third time.

Representative Fuller moved and asked unanimous consent that HB 684 be returned to second reading for the purpose of specific amendment. There being no objection, it was so ordered.

Amendment No. 4 by Fuller:

Page 2, line 27: Add a new * Section 4, and renumber accordingly.

* Sec. 4. AS 39.25.120 is amended by adding a new paragraph to read:

(20) the director, deputy director, personnel analysts 11, labor relations analysts 1, labor relations analysts 11, senior negotiators, and research directors of the division of labor relations in the Department of Administration.

Representative Fuller moved and asked unanimous consent that Amendment No. 4 be adopted. There being no objection, it was adopted.

Representative Chuckwuk changed his vote from yea to nay.

And so, HE 684 as passed the House.

Representative Halford moved and asked unanimous consent that the roll call on the passage of the bill be considered the roll call on the effective date clause. There being no objection, it was so ordered.

HB 684 as was referred to the Chief Clerk for engrossment.

Representative Miller moved and asked unanimous consent that CSHB 685 (in) be returned to second reading for the purpose of specific Amendment No. 6.

Representative Miller withdrew his motion. There being no objection, it was so ordered.

SUB: Sub Amendment to HCS CSSB 193(Jud)

The House Judiciary Committee is considering deleting the SB 193 which provided that the Personnel Rules be adopted under the APA. I thought it might be possible to propose language that would require that notice of any proposed Rule changes be widely disseminated. I think that this was one of the major reasons why the Blue Ribbon Commission wanted the Rules to be adopted under the current procedures. The language which I suggest below is taken from the requirements of the APA (AS 44.62.190), with changes to reflect the peculiar situation of the Personnel Rules. Section 11 (pages 22-26 in the May 10, 1982 work draft) would be replaced with the following:

AS 44.62.190 is repealed and reenacted to read:

At least 30 days before the adoption, amendment, or repeal of a personnel Rule, notice that the personnel board has the personnel Rule under consideration shall be

(1) posted in public buildings throughout the state;

(2) published in one or more newspapers of general circulation throughout the state, as the division of personnel determines;

(3) mailed to every person who has filed a request for review of proposed action with the division of personnel and the personnel board;

(4) when appropriate in the judgment of the division of personnel (A) mailed to a person or a group of persons whom the division of personnel believes is interested in the proposed action, and (B) published in the additional form and manner the division prescribes;

(5) furnished to all incumbent State of Alaska legislators and the Legislative Affairs Agency.

AS 39.25.140 is amended by adding new subsections to read:

(d) The failure to mail notice to a person as provided in this section does not invalidate an action taken by the personnel board.

(e) The amendments have the effect of law 30 days after they are submitted to the personnel board. The board, if requested, may hold public hearings on the amendments.

AS 39.25.140(e) is relettered and amended to read:

(f) The rules adopted under this chapter relate to the internal management of state agencies and their adoption is not subject to the Administrative Procedure Act. The rules shall (MAY) be published in the Alaska Administrative Register and Code for informational purposes.

Dear Mr. *Ray* Chairman:

CSSB 193 (Jud) am, amending state personnel laws, and providing for an effective date, has been referred to your committee. Please amend sec. 8, AS 39.25.110 by adding a new subsection to read:

employees of the Office of the Governor and the lieutenant governor, including the employees serving the governor's mansion, but not the employees of councils, boards, or commissions established by statute in the governor's or lieutenant governor's office.

Please amend sec. 9, AS 39.25.120(c) (5) to read:

employees of councils, boards, and commissions located by statute in the Office of the Governor or lieutenant governor, unless a different classification is specified by statute;

Thank you for your consideration of this amendment.

III. ANALYSIS (See Fiscal Note Preparation Instruction, Section III)

Section 12 of CS SB 913 (Jud) am provides for adoption of amendments to the Personnel Rules that concern public policy under the Administrative Procedures Act, and for amended Rules (including those not concerning public policy) to be published in the Alaska Administrative Register and Code. CS SB 193 (Jud) am makes several minor changes to the Personnel Act that will require amending the Personnel Rules. The major costs for FY 83 are:

- 1) contracting with the Department of Law for an attorney for four months to:

- rewrite the current Personnel Rules to AAC standards
- draft amendments incorporating changes in the Personnel Act

- modify amendments based on hearings
- file the amended rules with the Lt. Governor
- compile a Personnel Act - Personnel Rules cross-reference
- identify forms needing revision to reference the appropriate AAC provisions instead of the former rule
- Revise Administrative Manual and Operating Procedures to properly reference revised Personnel rules

(\$19.2 Thous.)

- 2) Personal Services to employ Regulations Specialist to revise existing procedures, manuals, forms and letters to properly cite revised Personnel rules. Position would be half-time after first year. (\$42.2 Thous.)
- 3) travel and per diem for attorney and the Personnel Board for two hearings to adopt the rules and amendments as Code. (\$2.8 Thous.)
- 4) public notice of the hearings and proposed amendments. (\$.6 Thous.)
- 5) typing of drafts, revision and filing version. (\$2.0 Thous.)
- 6) printing of forms incorporating AAC references. (\$1.0 Thous.)

In subsequent years, one two-day hearings by the Personnel Board to adopt amendments is budgeted. Travel is inflated 10% annually and public notice costs at 8%. Personal Services inflated at 7% per year.

Section 13 of CS SB 193 (Jud) am contains a significant change in the definition and preference accorded to veterans. In addition to the need to amend the Personnel Rules accordingly, there is a need to incorporate the new provision in the automated Applicant Tracking System. This one time contractual service cost is estimated at \$4 thousand.

Section 16 of CS SB 193 (Jud) am duplicates AS 18.80 providing hearing and appeal rights to partially exempt and exempt employees of the Executive Branch for actions allegedly in violation of the employees' Civil Rights. It is assumed that these employees will file appeals in the same proportion to their numbers as other executive branch employees file complaints under AS 18.80 for the same actions. Each will require a two day hearing before the Personnel Board. Travel and per diem costs for FY 83 are \$4.8 thousand. They are inflated 10% annually. On this basis, four complaints per year are projected. Each complaint will require two days of Personnel Board business.

SUBJECT: HCS CSSB 193 (SA) Amending State Personnel Laws

The Blue Ribbon Commission sponsored Senate Bill 193 as a comprehensive revision of the State Personnel Act. It makes changes in some personnel practices, expands the protections granted to employees in the exempt and partially exempt services and makes the Act consistent with the Public Employment Relations Act.

Those sections of the bill which present significant changes are analyzed briefly below.

Page 2 Section 6. Amending AS 39.25.080. PUBLIC RECORDS.
Lines 6-25

This section sets out those personnel records which will be open to public inspection. All other personnel records will be kept confidential.

The current law provides that all records are public except those which the Personnel Rules make confidential. In fact, the amendment would not change the existing practice since those items listed are the only personnel records now open to the public.

Page 2 Section 7. Amending AS 39.25.090. COVERAGE OF CHAPTER.
Line 27 ff.

This amendment provides that the State Personnel Act applies to exempt positions as specifically provided. The Committee Substitute gives added rights of appeal to exempt employees of the executive branch in cases of unlawful discrimination. (See Section 16)

Section 8. Amending AS 39.25.110. EXEMPT SERVICE.

Page 5
Line 2

The House Committee Substitute adds paragraph (20) which changes employees of the Office of the Governor and the Lt. Governor from the partially exempt to the exempt service. Employees of councils, boards, or commissions established by statute in those offices are left in the partially exempt service.

Page 4
Line 7 ff

In addition, this section does add statutory reference to employees of the Citizen's Advisory Commission on Federal Areas in Alaska (11)(G), petroleum engineers and petroleum geologists employed by the Oil and Gas Conservation Commission (14), employees of the state who reside in foreign countries (17), employees of the Alaska Seafood Marketing Institute (18), and firefighters employed by DNR for a fire emergency (19).

Page 7
Line 9

Section 9. Amending AS 39.25.120. PARTIALLY EXEMPT SERVICE.

*

In paragraph (17) the bill adds those employees of the Division of Labor Relations who are responsible for negotiating labor contracts with state employee organizations to the partially exempt service. These employees are currently members of the classified service but do not belong to any bargaining unit and are not members of any union or employee association. At one time they were members of the Confidential Employees Association.

* Page 8
Line 1 ff

Section 12. Amending AS 39.25.140. AMENDMENT OF PERSONNEL RULES.

The Committee Substitute requires that those amendments to the Personnel Rules which are matters of public policy shall be adopted according to the Administrative Procedures Act. (Subsection (c), page 7, line 28) The current law entirely exempts the Personnel Rules from the APA.

For those rules which are not matters of public policy, the Committee Substitute maintains the current system of adoption, but adds that the Personnel Board

may amend rules proposed to it (Subsection (f)). The Committee Substitute also requires that amended rules shall be published in the Administrative Code, (Subsection (h)).

Page 8
Line 29 ff

Section 13. Amending AS 39.25.150. SCOPE OF THE RULES.

This section remains basically the same as the current law with the following exceptions.

Page 11
Line 2

(15) no longer sets a limit of 30 days to a period of disciplinary suspension.

Page 11
Line 4

(16) adds a requirement that the Personnel Rules include procedures for resolving disputes from the general public.

Page 11
Line 10

(19) sets out the provisions for veterans' preference in state employment in different form. The substance of the preference is basically unchanged. The definition of veteran is amended to require that an individual have served 181 days in active service instead of the present 90 days. This is in conformance with federal veterans' preference system. The definition of disabled veteran is also changed slightly. It no longer requires that an individual have a 10% service connected disability but instead specifies that the individual be entitled to compensation from the Veterans' Administration.

Page 12
Line 21

(22) provides that the Personnel Rules shall include procedures for programs which may be set up to facilitate the employment of disadvantaged persons and permits the procedures to limit competition for hiring for those programs.

Page 12
Line 27

(24) adds a requirement that the Rules provide for assistance in finding work to partially exempt or exempt employees whose positions are moved into the classified service. Classified employees must pass examinations to be hired. Exempt and partially exempt employees do not have to meet these merit system standards and may be unable to qualify for the positions which they previously held.

Section 16. Amending AS 39.25.170. HEARINGS AND APPEALS UPON DISMISSAL, DEMOTION OR SUSPENSION.

This section changes the statutes to reflect caselaw and adds that employees in the executive branch of state government who have been unlawfully discriminated against may appeal to the Personnel Board. The current law limits the protection of the State Personnel Act and the scope of appeals to the Personnel Board to members of the classified service. (Subsection (c)).

The Committee Substitute provides in Subsection (i) that executive branch employees who the Personnel Board finds have been unlawfully discriminated against will be reinstated without loss of pay. This remedy is currently available only to classified employees. The Committee Substitute adds that the decision of the Personnel Board may be appealed to the Superior Court.

INTRODUCTION

In 1978 the Alaska State Legislature created the Blue Ribbon Commission on the State Personnel Act and charged it with making a comprehensive review of the state personnel system. The commission was directed to consider refinements in light of collective bargaining and the growth of the number of state employees, to examine the question of the decentralization of the hiring of state employees, and to consider the deficiencies which had been revealed in reports from the Division of Legislative Audit and from the Ombudsman. See Appendix A, Legislative Resolve No. 27, 1978.

Since its inception, the commission has worked on the issues it was directed to consider, sponsoring legislation and making its recommendations known in annual reports to the legislature. In 1980, at the request of the commission, the legislature extended its life another year, noting that because of the complex, inter-related nature of the issues facing the commission, more time was needed to resolve them. See Appendix B, Legislative Resolve No. 38, 1980.

Membership on the commission includes representatives from the groups and persons most concerned about the state personnel system. In addition to legislators, there are representatives from the public employee unions and associations representing state employees, from the Department of Administration and the Division of Personnel, from the Ombudsman, from state agencies, and from the public. This diversity and expertise enables the commission to fully consider the questions before it.

During the past year, the commission has focused on two main areas. It has concluded a comprehensive review of the State Personnel Act and also is recommending changes in the nepotism law of the state. In addition, testimony from retired Alaskans raised issues about the state retirement systems which the commission considered. As a result of this work, the commission is sponsoring three bills amending the retirement systems.

There are issues which the commission was unable to address this year which are discussed briefly in this report. Further study is needed before recommendations can be made on these topics. Because its work is not ended, the commission is requesting that the legislature extend its life for another year.

CHAPTER I

BILLS AMENDING THE STATE PERSONNEL SYSTEM AND THE RETIREMENT SYSTEMS

The commission is proposing two bills amending the personnel system. The first is a comprehensive revision of the State Personnel Act, to make changes in personnel practices, to expand the protections granted employees in the exempt and partially exempt services, and to make the Act consistent with the Public Employment Relations Act. The second bill amends the nepotism statute to give statutory authorization to support the present language of the Personnel Rules.

The commission is sponsoring three bills amending the state's retirement systems. The first limits the state's power to adjust retirement benefits where, through no fault of the retired state employee, the state has been making overpayments for more than two years. This measure is proposed because the resulting total overpayment can be substantial and the mandatory reduction of the retired person's monthly check can cause serious financial difficulties. The second bill sponsored by the commission makes changes in the membership of the Public Employee Retirement Board. The third bill requires that regulations adopted for both the Public Employee Retirement System and the Teachers Retirement System be subject to the Administrative Procedure Act.

SENATE BILL 193: AMENDING THE STATE PERSONNEL ACT
(AS 39.25)

PURPOSE

The amendments proposed to the State Personnel Act are the result of work done by the commission over the past two years. The bill makes several major changes in the Act as well as making it more comprehensive, more consistent with the Public Employee Relations Act, and more clearly written.

The bill provides that those Personnel Rules which are matters of public policy are subject to the rule-making requirements of the Administrative Procedure Act. This will offer an increased opportunity for public comment before adoption of rules affecting the public.

The commission resolved the question of whether the state should move towards a centralized or a decentralized system of personnel administration by placing the present decentralized system in the Act. However, the bill limits the authority personnel officers presently have to operate independently from the Division of Personnel. Decentralization provides the best working relationship between the departments and the division.

Partially exempt and exempt employees of the state are granted increased protection from discrimination, including the right to appeal to the Personnel Board should they believe that they have been disciplined on the basis of unlawful discrimination.

In addition to these major changes, the bill makes a number of other amendments which are discussed in the analysis below.

SECTION BY SECTION ANALYSIS

Section 1. AS 39.040 is amended to read:

Sec. 39.25.040. DIRECTOR OF PERSONNEL. The head of the division of personnel is the director of personnel appointed by the commissioner of administration and responsible to the commissioner of administration for the execution of the duties and responsibilities imposed by this chapter and the rules adopted under this chapter. The director of personnel shall (MUST) have at least three years of practical working experience in the field of personnel administration.

(SB 193, page 1, line 9)

Comment

This section makes a stylistic amendment to conform to the Manual of Legislative Drafting. The substance is not changed.

Sec. 2. AS 39.25.060(b) is amended to read:

(b) Members of the board may not be (SHALL BE QUALIFIED ELECTORS OF THE STATE WHO ARE NOT) employees (OR OFFICERS) of the state. Not more than two members of the board may be members of the same political party.

(SB 193, page 1, line 17)

Comment

This section deletes the obsolete requirement that members of the Personnel Board be qualified electors of the state. It also eliminates the reference to officers. The definition of state employees in section 18 includes

state officers. (See section 18, page 34 infra)

Sec. 3. AS 39.25.070(1) is amended to read:

(1) approve or disapprove amendments to the personnel rules in accordance with AS 39.25.140 (THE ORIGINAL RULES OR A PART OF THEM WITHIN 60 DAYS OF THEIR SUBMISSION TO THE BOARD AND APPROVE OR DISAPPROVE AMENDMENT TO THE RULES WITHIN 30 DAYS OF SUBMISSION TO THE BOARD, AND IN CARRYING OUT THIS DUTY, THE BOARD, IF REQUESTED, MAY HOLD THE PUBLIC HEARINGS IT CONSIDERS NECESSARY);

(SB 193, page 1, line 22)

Comment

The bill transfers all of the substantive requirements for amending the Personnel Rules to AS 39.25.140 and proposes changes in those procedures. (See section 12, page 16, infra)

Sec. 4. AS 39.25.070(3) is amended to read:

(3) hear and determine appeals by employees (IN THE CLASSIFIED SERVICE) as provided in AS 39.25.170;

(SB 193, page 1, line 29)

Comment

Members of the partially exempt service may appeal to the Personnel Board in certain situations by case law. In addition, appeal rights are granted to partially exempt and exempt employees in cases of prohibited discrimination in the proposed amendments to AS 39.25.170. Therefore, the reference to the classified service in this paragraph is deleted.

Sec. 5. AS 39.25.070 is amended by adding a new paragraph to read:

(7) employ staff members, who shall be in the classified service.

(SB 193, page 2, line 3)

Comment

The Personnel Board does not have statutory authority for employing staff members at present. The proposed language places any employees of the board in the classified service. The members of the commission considered that Personnel Board employees should be protected from the possibility of arbitrary action or undue influence to which they might be exposed if they were placed in the partially exempt or exempt service.

Sec. 6. AS 39.25.080 is repealed and reenacted to read:

Sec. 39.25.080. PUBLIC RECORDS. (a) State personnel records, including employment applications and examination materials, are confidential and are not open to public inspection except as provided in this section.

(b) The following information is available for public inspection, subject to reasonable regulations on the time and manner of inspection:

- (1) the names and position titles of all state employees;
- (2) the position held by a state employee;
- (3) prior positions held by a state employee;
- (4) whether a state employee is in the classified, partially exempt or exempt service;
- (5) the dates of appointment and separation of a state employee; and
- (6) the compensation authorized for a state employee.

(c) A state employee has the right to examine his own personnel files and may authorize others to examine his files.

(d) An applicant for state employment who appeals an examination score may review written examination questions relating to the examination unless the questions are to be used in future examinations.

(SB 193, page 2, line 6)

Comment

Current law provides that the state personnel records are public except for those which the rules require to be kept confidential. The Personnel Rules provide that except for examination materials, performance evaluations, personal history or other confidential materials so designated by the Director of Personnel, employee records are public records. (PR 14 07.0) The commission decided that it was more appropriate to indicate what materials actually are open to the public, and to make the remaining records confidential. The public materials are listed in subsection (b).

Subsections (c) and (d) set out new material to confirm a person's right to examine his own files and to establish when an applicant may review written examination materials.

Sec. 7. AS 39.25.090 is amended to read:

Sec. 39.25.090. COVERAGE OF CHAPTER. This chapter and the rules adopted under it apply to all positions in (1) the classified service, and (2) the partially exempt and exempt services (SERVICE) as specifically provided.

(SB 193, page 2, line 26)

Comment

Since amendments proposed to AS 39.25.170 extend limited appeal rights to members of the exempt service, the coverage of the chapter has changed.

Sec. 8. AS 39.25.110 is repealed and reenacted to read:

Sec. 39.25.110. EXEMPT SERVICE. Unless otherwise provided by law, the following positions in the state service constitute the exempt service and are exempt from the provisions of this chapter and the rules adopted under it:

- (1) persons elected to public office by popular vote or appointed to fill vacancies in elected offices;
- (2) justices of the supreme court, judges of the court of appeals, judges of the superior court, and judges and magistrates of other state courts established by law;
- (3) employees of the state court system, and employees and members of the Judicial Council;
- (4) employees of the state legislature and its agencies;
- (5) the head of each principal department in the executive branch;
- (6) officers and employees of the University of Alaska;
- (7) certificated teachers and noncertificated employees employed by a regional educational attendance area established and organized under AS 14.08.031 - 14.08.041 to teach in, administer, or operate schools under the control of a regional educational attendance area school board;
- (8) patients and inmates employed in state institutions;
- (9) persons employed in a professional capacity to make a temporary or special inquiry, study or examination as authorized by the governor, the legislature, or a legislative committee;
- (10) members of boards, commissions, or authorities;

(11) the officers and employees of the following boards, commissions and authorities:

(A) Alaska Commercial Fisheries Entry Commission;

(B) Alaska Gas Pipeline Financing Authority;

(C) Alaska Permanent Fund Corporation;

(D) Alaska Energy Center;

(E) Alaska Industrial Development Authority;

(12) the executive officer of the Alaska Commission on Post-secondary Education;

(13) the ombudsman and his staff;

(14) the executive secretary and legal counsel of the Alaska Municipal Bond Bank Authority;

(15) licensed physicians, as defined in AS 47.30.340(9), employed by the division of mental health and developmental disabilities, Department of Health and Social Services;

(16) petroleum engineers and petroleum geologists employed in a professional capacity by the Department of Natural Resources except for those employed in the division of geological and geophysical surveys;

(17) officers, agents, and employees of the Alcoholic Beverage Control Board granted limited peace officer powers by the Alcoholic Beverage Control Board under AS 04.06.110;

(18) persons employed by the division of marine transportation as masters and members of the crews of vessels who operate the state ferry system and who are covered by a collective bargaining agreement provided in AS 23.40.040.

(SB 193, page 3, line 2)

Comment

The phrase "unless otherwise provided by law" is added to the introductory section. Obsolete or redundant paragraphs have been deleted and the list has been

reorganized for clarity.

Judges of the Court of Appeals have been added to paragraph (2). In paragraph (9), the wording has been changed from "temporary and special inquiry" to "temporary or special inquiry". For a table comparing the order and content of the new sections with the existing statute, see Appendix C.

Sec. 9. AS 39.25.120 is repealed and reenacted to read:

Sec. 39.25.120. PARTIALLY EXEMPT SERVICE. (a) Positions in the partially exempt service are included in the position classification plan established under this chapter and are compensated according to the pay plan (AS 39.27.011).

(b) A person holding a position in the partially exempt service is not required to take an examination or qualify or earn a place on a register, and is not eligible for a hearing by the personnel board in case of dismissal, demotion, or suspension, except as provided in AS 39.25.170. Positions in the partially exempt service are specifically exempt from the rules established under AS 39.25.150(3) - (10), (13), (14), and (17).

(SB 193, page 4, line 25)

Comment

The bill restructures AS 39.25.120 and changes the references to other sections of the State Personnel Act to conform to amendments made since this section was adopted and amendments proposed in the bill. The substance of the beginning section is not changed.

(c) The following positions in the state service constitute the partially exempt service:

(1) deputy and assistant commissioners of the principal departments of the executive branch, including the assistant adjutant general of the Department of Military Affairs;

(2) the directors of the major divisions of the principal departments of the executive branch and the regional directors of the Department of Transportation and Public Facilities;

(3) attorney members of the staff of the Department of Law and of the public defender agency;

(4) one private secretary for each head of a principal department in the executive branch;

(5) employees of the Office of the Governor and the office of the lieutenant governor, including the staff of the governor's mansion;

(6) the executive director and deputy director of the Alaska Public Utilities Commission;

(7) the state forester in the Department of Natural Resources;

(8) the director, deputy director, staff legal counsel, and hearing officer of the Alaska Transportation Commission;

(9) not more than two special assistants to the commissioner of each of the principal departments of the executive branch;

(10) the principal executive officer of the following boards, councils or commissions:

(A) Alaska Public Broadcasting Commission;

(B) Professional Teaching Practices Commission;

(C) Parole Board;

(D) Board of Nursing;

(E) Real Estate Commission;

(F) Alaska Royalty Oil and Gas Development Advisory Board;

(G) Alaska Historical Commission;

(H) Alaska State Council on the Arts;

(I) Alaska Police Standards Council;

(J) Council on Science and Technology;

(11) Alaska Pioneers' Home managers;

(12) hearing examiners in the Department of Revenue;

(13) the comptroller in the division of treasury, Department of Revenue;

(14) investment officers in the Department of Revenue;

(15) the chief of subsistence in the Department of Fish and Game;

(16) airport managers in the Department of Transportation and Public Facilities employed at the Anchorage and Fairbanks International Airports;

(17) the deputy director of the division of tourism and the deputy director of the division of insurance in the Department of Commerce and Economic Development;

(18) the executive director and staff of the Alaska Public Offices Commission.

(19) the director, deputy director, personnel analysts II, labor relations analysts I, labor relations analysts II, senior negotiators, research directors of the division of labor relations in the Department of Administration.

(SB 193, page 5, line 8)

Comment

The bill adds deputy commissioners to paragraph (1) and makes specific reference to the assistant adjutant general of the Department of Military Affairs and to regional directors in the Department of Transportation and Public Facilities.

Paragraph (2) places all division directors in the partially exempt service. The State Personnel Act currently provides that division directors who are listed in the paragraph and any others designated by the Governor are members of the partially exempt service. Since the

Governor designates all division directors to be partially exempt, the commission considered the change to be appropriate.

Paragraph (9) is a new provision placing special assistants to commissioners in the partially exempt service. This reflects current practice. The commission considered that the number should be limited to two special assistants. If a commissioner needs more than two, the Personnel Board has the authority under AS 39.25.130 to add additional positions. (See section 10, page 16, infra)

Paragraphs (10)(A) - (E) and paragraphs (11) - (16) add several positions to the section. These positions are now in the partially exempt service but are not listed in the State Personnel Act. Similarly, paragraph (17) places the deputy director of insurance in the partially exempt service.

Paragraph (19) places those employees responsible for representing the state in collective bargaining negotiations in the partially exempt service. They are now in the classified service but are not members of any collective bargaining unit. The majority of the commission considered that it was important for these employees to be directly responsive to the policies of the administration.

For a table comparing the statute with the provisions of the bill, see Appendix D.

Sec. 10. AS 39.25.130(a) is amended to read:

(a) The (AFTER JUNE 30, 1961, THE) personnel board, upon written recommendation of the commissioner of administration, may extend the partially exempt service to include any position (WHICH WAS) in the classified service (ON APRIL 19, 1960,) which, in the judgment of the board:

(1) involves principal responsibility for the determination of policy;

(2) involves principal responsibility for the way in which policies are carried out; or

(3) involves responsibilities and duties of a type not susceptible to the ordinary recruiting and examining procedures..

(SB 193, page 7, line 7)

Comment

The Personnel Board exercises the power to move positions from the classified service to the partially exempt service over positions created after April 19, 1960, as well as over positions created before that date. The commission considered this exercise of power to be appropriate and therefore the bill amends the statute by deleting reference to the dates.

Sec. 11. AS 39.25.130(c) is amended to read:

(c) The (AFTER JUNE 30, 1961, THE) personnel board, upon written recommendation of the commissioner of administration, may extend the classified service to include any position (WHICH WAS) in the partially exempt service (ON APRIL 19, 1960).

(SB 193, page 7, line 19)

Comment

As in section 10 above, the reference to dates in

AS 39.25.130(3) has been deleted since the Personnel Board has traditionally acted to change positions created after April 19, 1960, as well as those created before that date.

Sec. 12. AS 39.25.140 is repealed and reenacted to read:

Sec. 39.25.140. AMENDMENT OF PERSONNEL RULES. (a) The director of personnel shall prepare and submit proposed amendments of the personnel rules to the commissioner of administration for review and approval.

(b) The commissioner of administration shall review the proposed amendments and if he approves them, he shall submit them to the personnel board.

(c) When the proposed amendments are submitted to the personnel board, the commissioner of administration shall post notice in public buildings throughout the state that the personnel board has the proposed amendments under consideration.

(d) If the proposed amendments concern matters of public policy, the personnel board shall adopt them in accordance with the Administrative Procedure Act (AS 44.62).

(SB 193, page 7, line 2^d)

Comment

The bill makes several changes in AS 39.25.140. In subsections (a) and (b), the Commissioner of Administration is given the power to approve or disapprove amendments proposed by the Director of Personnel. In paragraph (d) those amendments which concern matters of public policy are made subject to the rule-making provisions of the Administrative Procedure Act. The State Personnel Act presently exempts adoption of the Personnel Rules from the APA. The commission found that additional opportunity for public notice and comment should

be provided over those subjects which affect the public and therefore recommends the change in the rule-making procedures. (Note that subsection (f) sets out topics which are included within "matters of public policy".)

(e) If the proposed amendments relate only to the internal management of the state agencies

(1) notice of the proposed amendments shall be posted for at least 30 days;

(2) if requested by the commissioner of administration or by a person receiving notice of the proposed amendments, the personnel board may hold public hearings on the proposed amendments and may appoint a hearing officer to conduct the hearings;

(3) the personnel board may amend the proposed amendments;

(4) the proposed amendments become effective 45 days after they are submitted to the personnel board unless the board has disapproved them;

(5) the amended rules shall be published in the Alaska Administrative Register and Code for informational purposes.

(SB 193, page 8, line 9)

Comment

Those amendments to the Personnel Rules which relate only to the internal management of state agencies are adopted under the procedures of this subsection. These procedures are substantially identical to those now set out in the State Personnel Act.

In paragraph (2) the bill permits the Personnel Board to appoint a hearing officer to conduct hearings on amendments. The Personnel Board is granted the power to amend the proposed rules in paragraph (3), a power which it does not now have.

The bill provides in paragraph (4), that the amendments take effect 45 days after submission to the Board, rather than the present 30 days. The additional time gives the board an opportunity to consider any written or oral testimony received from the public. Paragraph (5) requires that the amended rules be published in the Alaska Administrative Register and Code. Publication of the rules in the Code is discretionary now.

(f) In this section "matters of public policy" include, but are not limited to, matters concerning

- (1) recruitment;
- (2) examinations;
- (3) selection methods;
- (4) prohibitions and penalties;
- (5) public records;
- (6) eligible lists;
- (7) hours of work;
- (8) merit increases; and
- (9) hearings and appeals relating to matters listed in (1) - (8) of this subsection.

(SB 193, page 8, line 23)

Comment

The topics listed are those which the commission believed were of most concern to the public. Personnel Rules on recruitment, examinations, selection methods, and eligible

lists all affect members of the public if they apply for state employment. The prohibitions and penalties applying to state employees define their conduct and are important to all citizens of the state. The hours which state employees work are similarly of widespread concern as are merit increases.

Sec. 13. AS 39.25.150 is repealed and reenacted to read:

Sec. 39.25.150. SCOPE OF THE RULES. The personnel rules shall provide for

(1) the preparation, maintenance, and revision by the director of personnel, subject to approval of the commissioner of administration and the personnel board, of a position classification plan for all positions in the classified and partially exempt services; the position classification plan shall include

(A) a grouping together of all positions into classes on the basis of duties and responsibilities;

(B) an appropriate title, a description of the duties and responsibilities, training and experience qualifications, and other necessary position specifications for each class of positions;

(2) the preparation, maintenance, revision and administration by the director of personnel of a pay plan for all positions in the classified and partially exempt services; the pay plan (A) shall be based upon the position classification plan; (B) shall provide for fair and reasonable compensation for services rendered, and reflect the principle of like pay for like work; (C) may be amended, approved, or disapproved by the legislature in regular or special session; after the pay plan is in effect, a salary or wage payment may not be made to a state employee covered by the plan unless the payment is in accordance with this chapter and the rules adopted under this chapter or unless the payment is in accordance with a valid agreement entered into in accordance with AS 23.40;

equal pay for comparable work

(SB 193, page 9, line 6)

Comment

The bill restructures paragraphs (1) and (2) to make

their content clearer. In addition, paragraph (2) is amended to refer to the Public Employment Relations Act and to set out that it is legal for the state to pay employees in accordance with a collective bargaining agreement even if the agreement does not conform to the state pay plan.

Provisions in the State Personnel Act which specify that the pay plan be prepared after consultation with appointing authorities and employee representatives and that commissioners' salaries are not the maximum limit for the pay plan are deleted. There is nothing in the law to prevent the pay plan from providing for salaries exceeding those of commissioners. Since collective bargaining agreements between the state and employee representatives now set pay levels for almost all the classified employees, there is considerable consultation with employee representatives before salary levels are established.

(3) the use of employee selection methods which will fairly test the capacity and fitness of the person examined to efficiently discharge the duties of the class in which employment is sought;

(SB 193, page 10, line 3)

Comment

This paragraph is rewritten to more clearly state the standards for employee selection methods which the Personnel Rules will implement.

(4) the establishment and maintenance of eligible lists for appointment and promotion providing the names of eligible candidates in order of their relative performance in the examinations;

(5) the procedure for certifying eligible candidates;

(6) promotions from within the state service when there are qualified candidates in the state service; vacancies shall be filled by promotion whenever practicable and in the best interest of the state service and promotion shall be by competitive examination whenever possible; in considering promotions, applicants' qualifications, performance record, seniority, and conduct shall be evaluated;

(7) a period of probation not to exceed one year before an appointment to a position becomes permanent, except that a permanent employee receiving a promotional appointment retains permanent status in the service and job class from which appointed for the duration of the probationary period and may be demoted to a former class without right of appeal, notwithstanding AS 39.25.170, but if the employee is dismissed from the service the appeal rights under AS 39.25.170 apply;

(8) nonpermanent and emergency appointments to positions in the state service in accordance with AS 39.25.195 - 39.25.200;

(9) provisional appointment without competitive examination when appropriate eligible lists are not available;

(10) transfers from one department to another and from another merit system jurisdiction to the state service;

(11) transfers from one area of the state to another;

(12) the payment of transportation costs when an employee transfers from one area to another at the request of the employer;

(13) the reinstatement of a person who resigns in good standing;

(14) layoffs for reason of lack of money or work, abolition of positions, or material changes in duties or organization; both performance and seniority records shall be considered in the development of layoff orders;

(15) the development, maintenance, and use of employee performance records;

(SB 193, page 10, line 6)

Comment

The bill reorders and rephrases paragraphs (4) - (15). The substance is unchanged. For a table comparing the bill with the Act, see Appendix E.

(16) the establishment of disciplinary measures which may include disciplinary suspension without pay;

(SB 193, page 11, line 11)

Comment

The State Personnel Act currently limits the imposition of disciplinary suspension without pay to 30 days in any 12-month period. The bill deletes that limit. The commission is continuing to work to develop a comprehensive framework of graduated disciplinary measures which will be more effective than the present system.

(17) the procedures for review of disputed personnel actions, and for resolving employee and interagency grievances, and for resolving grievances of the general public concerning the operation of the state personnel system;

(SB 193, page 11, line 13)

Comment

This paragraph is amended to require that the Personnel Rules include procedures for resolving grievances of the public concerning the state personnel system. These would include problems arising out of applying for state employment, state employment examinations, and the selection process.

(18) hours of work for all employees in the state service;

(19) methods and procedures covering overtime work and pay;

(20) the granting of employment preference rights to a veteran at each time application is made for employment not within the area of promotion, when the veteran possesses the necessary qualifications in the job classification applied for under this chapter; in the examination to determine the qualification of applicants for entrance into the classified service under merit system examination, five additional points shall be added to the passing grade of a veteran and ten additional points shall be added to the passing grade of a disabled veteran; if a position in the classified service is eliminated, employees shall be released in accordance with rules which give due effect to all factors; if all job qualifications are equal, the veteran shall be given preference over the nonveteran and the veteran shall be kept on the job; in this paragraph

(A) "veteran" means a person with 90 days or more active service in the armed forces of the United States who has been honorably discharged after having served during any period between April 6, 1917, and December 1, 1919, between September 16, 1940, and December 31, 1947, or between June 27, 1950, and November 7, 1975;

(B) "disabled veteran" means a veteran who is rated by the United States Veterans' Administration as having at least a 10 percent service-connected disability;

(21) the employment of persons in permanent positions on a part-time basis of 15 hours or more a week, including the employment of two persons to fill one permanent full-time position; these employees shall be designated as permanent part-time employees;

(22) the granting of employment preference to severely handicapped persons; this includes the right to provisional appointment without competitive examination for periods up to four months and the granting of eligibility to a severely handicapped person provisionally appointed under the rules who demonstrates ability to perform the job for permanent appointment without competitive examination; provisional employment under this paragraph may not exceed four months during a 12-month period; "severely handicapped" as used in this paragraph means persons certified by the director of the division of vocational rehabilitation to be severely handicapped;

(SB 193, page 11, line 17)

Comment

The bill reorders and rephrases paragraphs (18) - (22). The substantive content is unchanged. For a table comparing the bill with the Act, See Appendix E.

(23) the establishment of programs facilitating the employment of disadvantaged persons, including limitation of competition for appointment and promotion to individuals who meet the program requirements;

(SB 193, page 12, line 26)

Comment

This paragraph is added to the State Personnel Act to provide statutory authority for the adoption of Rules to implement programs such as the Comprehensive Employment and Training Act (CETA) or the Senior Community Service Employment Program (SCSEP). The language is taken from the Model Public Personnel Administration Law.

(24) the delegation, when feasible, of personnel responsibilities and duties to the principal departments of the executive branch;

(25) other rules and administrative regulations, not inconsistent with this chapter, which are necessary for its enforcement.

(SB 193, page 13, line 1)

Comment

The bill renumbers these paragraphs. They are identical with provisions in the State Personnel Act.

Sec. 14. AS 39.25.153 is repealed and reenacted to read:

Sec. 39.25.153. PERSONNEL OFFICERS. (a) If a principal depart-

ment of the executive branch has a personnel officer, the personnel officer shall be employed by and located within that department.

(SB 193, page 13, line 5)

Comment

Subsection (a) of the bill provides that personnel officers shall be departmental employees. This resolves the question of whether they should be centralized as employees of the Division of Personnel stationed in the individual departments, or whether they should be decentralized as employees of the departments they serve, in favor of decentralization. The commission considered that the working relationship of the personnel officer with the commissioner and staff of the department was crucial to his or her effectiveness and that this relationship could be impaired if he or she were not an employee of the department. Since not all departments have a personnel officer (the Department of Law does not), the bill does not require each department to have one.

(b) Subject to the provisions of (d) of this section, the personnel officers for the Departments of Transportation and Public Facilities, Fish and Game, Education, Labor, and Health and Social Services, have the following powers with respect to the classes of positions unique to their departments:

(1) to assign positions to an existing class in the state classification plan and to the salary range for that class as established by the state pay plan or by a valid agreement entered into in accordance with AS 23.40;

(2) to administer and score examinations and to place successful applicants on the eligible lists;

(3) to certify those eligible to the appointing authorities.

(SB 193, page 13, line 9)

Comment

This section of the State Personnel Act grants to the personnel officers for certain departments the power to amend the Personnel Rules for classes of employees unique to their departments. This power has never been used. The commission recommends that the actions which a departmental personnel officer may take independently from the Division of Personnel be more clearly and more narrowly defined and that they no longer have the power to amend the Personnel Rules.

This section does not change which personnel officers are granted authority to act under AS 39.25.153 except to delete reference to the Department of Highways and to substitute the Department of Transportation and Public Facilities. However, instead of giving the named personnel officers the power to amend the Personnel Rules, subsection (b) sets out the actions they may take. The commission considered that these are the areas where the ability to act quickly is most likely to be crucial to the success of a departmental program.

During the past year the Director of Personnel has delegated the classification authority for some classes to certain personnel officers. This has been done under AS 39.25.150(21), which permits delegation of personnel

functions, rather than under this section. The agreement extends beyond the scope of AS 39.25.153 which is limited to positions unique to the department.

(c) The initial determination of classes of positions unique to the departments listed in (b) of this section shall be made by the personnel officer of the department in consultation with the commissioner of his department subject to the approval of the director of personnel in the Department of Administration.

(d) The assumption of a power set out in (b) of this section must be approved by the commissioner of administration and must be in harmony with the merit principle of personnel administration (AS 39.25.-010).

(SB 193, page 13, line 21)

Comment

Subsection (c) is taken from existing language in AS 39.-25.153. Subsection (d) is new language giving the Department of Administration some control over the actions of the personnel officers and emphasizing the importance of the merit principle of employment.

Sec. 15. AS 39.25.160 is repealed and reenacted to read:

Sec. 39.25.160. GENERALLY. (a) A classified employee or an exempt employee in a position named in AS 39.25.110(3) may not take an active part in the management of a political party above the precinct level.

(b) A person may not give, render, pay, offer, solicit, or accept money, services, or other valuable thing in connection with securing or making an appointment, promotion, or advantage in a position in the classified service.

(c) A person may not require an assessment, subscription, contribution, or service for a political party from a state employee.

(d) A person may not seek or attempt to use a political party endorsement in connection with an appointment or promotion in the classified service.

(e) An employee in the classified or partially exempt service who seeks nomination or becomes a candidate for state or national elective political office shall immediately resign any position held in the state service.

(SB 193, page 13, line 29)

Comment

That part of the existing AS 39.25.160(a) which grants political rights to state employees is placed in section 19 of the bill. (See page 35, infra)

All of these subsections have been rephrased for style, but their content is unchanged except as noted in the following comments.

The bill adds the phrase securing or making to subsection (b). The scope of subsection (c) is expanded to cover all state employees, not just those in the classified service. Subsection (e) extends the requirement for resignation when seeking nomination to political office to members of the partially exempt service.

(f) Action affecting the employment status of a state employee or an applicant for a position in state service, including appointment, promotion, demotion, suspension, or removal, may not be taken or withheld on the basis of unlawful discrimination due to race, sex, color, religion, national origin, age, or handicap.

(g) Action affecting the employment status of an employee in the classified service or an applicant for a position in the classified service, including appointment, promotion, demotion, suspension, or removal, may not be taken or withheld on the basis of unlawful discrim-

ination due to political beliefs.

(SB 193, page 14, line 18)

Comment

Protection against discrimination in employment is extended by subsection (f) not only to classified service employees but to members of the partially exempt and exempt service. The categories of unlawful discrimination are increased from race and religion to include sex, color, national origin, age and handicap. The provision which protects members of the classified service from discrimination based on political beliefs is placed in subsection (g). The bill prohibits only unlawful discrimination.

(h) A person may not knowingly make a false statement, certificate, mark, rating, or report with regard to a test, certification, or appointment made under this chapter or in any manner commit a fraud preventing the impartial execution of this chapter and the personnel rules adopted under this chapter.

(i) A person may not obstruct the right of another person to examination, eligibility, certification, appointment, or promotion under this chapter.

(SB 193, page 14, line 28)

Comment

A requirement that a person act knowingly is added to subsection (h). Otherwise, these two subsections are not substantively changed.

Sec. 16. AS 39.25.170 is repealed and reenacted to read:

Sec. 39.25.170. HEARINGS AND APPEALS UPON DISMISSAL, DEMOTION, OR SUSPENSION. (a) An employee may be dismissed, demoted, or suspended by delivery of written notice of the proposed action and the reason for it from the appointing authority to the employee.

(SB 193, page 15, line 7)

Comment

This subsection adds to the statute a requirement that the notice of disciplinary action given to the employee be in writing. It also requires that the notice set out the reasons for the action.

(b) A permanent employee in the classified service who has been dismissed, demoted, or suspended may appeal the action to the personnel board.

(c) An employee who has been dismissed, demoted, or suspended due to unlawful discrimination based on race, sex, color, religion, national origin, age, or handicap may appeal the action to the personnel board.

(d) An employee in the classified service who has been dismissed, demoted, or suspended due to unlawful discrimination based on political beliefs may appeal the action to the personnel board.

(e) A permanent employee in the classified service who holds probationary status in his present position may appeal a dismissal from the classified service to the personnel board.

(f) An employee who is on leave without pay from a position in the classified service and who is employed by the state in another capacity, either in the exempt or partially exempt service, may appeal a dismissal from the classified service to the personnel board.

(SB 193, page 15, line 12)

Comment

These subsections set out the employees who are granted appeal rights.

Subsection (b) repeats the existing statutory provision.

Subsection (c) is based on the expanded scope of AS 39.25.160(f) which extends protection from unlawful discrimination to partially exempt and exempt state employees and expands the classes of people protected from discrimination.

Subsection (d) extends protection against disciplinary action based on political beliefs to classified employees who are not in permanent status as well as to permanent classified employees.

Appeal rights granted by AS 39.25.150(7) are repeated in subsection (e). Subsection (f) is based on current practice and is consistent with the rationale of subsection (e).

(g) An employee begins an appeal by filing a written request for review of the action with the personnel board within 15 days of receiving written notice of the action from the appointing authority.

(h) If requested by the employee at the time of filing an appeal, the personnel board shall hold a hearing to determine the reasonableness of the the action taken by the appointing authority. If the employee requests it, the hearing shall be open to the public. The employee may be represented by another person and has the right to present evidence. Technical rules of evidence do not apply to the hearing.

(SB 193, page 15, line 28)

Comment

These subsections set out existing provisions of AS 39.25.-170(a). The new language makes clear that an employee must request his appeal in writing, that the employee has the right to determine whether the hearing is open to the public, that the employee's representative need not be an attorney, and

that the technical rules of evidence do not apply to the proceedings.

(i) If the personnel board finds that the action complained of was due to unlawful discrimination based on race, sex, color, religion, national origin, political beliefs, age, handicap, or in violation of the provisions of this chapter or the personnel rules, the employee shall be reinstated to the position without loss of pay or leave benefit for the period of dismissal, demotion, or suspension. In all other cases, the board shall report its findings and recommendations to both parties.

(SB 193, page 16, line 9)

Comment

The substance of subsection (i) is found in AS 39.25.170(b). The new subsection repeats the expanded classes protected from discrimination to all of those listed in the new AS 39.25.160.

Sec. 17. . 39.25 is amended by adding a new section to read:

Sec. 39.25.175. PROCEDURE. (a) A subpoena shall be issued at the request of a party to a proceeding begun under AS 39.25.170.

(b) If a person refuses to respond to a subpoena issued under this section, or refuses to testify at a hearing authorized by AS 39.25.170, the personnel board may apply to the superior court for an order requiring the person to respond to the subpoena or to testify.

(c) Failure to obey the order of the superior court requiring response to a subpoena or testimony at a hearing may be punished as contempt of court.

(SB 193, page 16, line 17)

Comment

The power to subpoena witnesses is already granted to the Personnel Board in AS 39.25.070(6). This new section sets out the procedures which the board may follow should

a person refuse to comply with the subpoena.

Sec. 18. AS 39.25 is amended by adding new sections to read:

Sec. 39.25.181. DEFINITIONS. In this chapter,

(1) "fraud" means for a person to knowingly

(A) create or confirm another's false impression which the person does not believe to be true, including false impressions as to law or value and false impressions as to intention or other state of mind;

(B) fail to correct another's false impression which the person previously has created or confirmed;

(C) prevent another from acquiring pertinent information;

(2) "knowingly" means for a person to be aware with respect to conduct or to a circumstance described by a provision of law that his conduct is of that nature or that the circumstance exists; when knowledge of the existence of a particular fact is required, that knowledge is established if a person is aware of a substantial probability of its existence, unless he actually believes it does not exist;

(3) "precinct" means the territory within which resident voters may cast votes at one polling place;

(4) "state employee" means a person employed by the state who is paid a wage or salary, but does not include a person hired by the state to work as an independent contractor.

(SB 193. page 16, line 27)

Comment

The definition for "fraud" is taken from the Criminal Code definition of "deception", AS 11.81.900(b)(14), and is rewritten for use within the State Personnel Act. The definition for "knowingly" is also taken from the Criminal Code, AS 11.81.-900(a)(2), with amendments for use within the State Personnel

Act.

The definition for "precinct" is taken verbatim from the State Election Code, AS 15.60.010(17). The bill includes a new definition for "state employee".

Sec. 19. AS 39.25 is amended by adding a new section to article 6 to read:

Sec. 39.25.192. EMPLOYEE POLITICAL RIGHTS. A state employee may

- (1) be a member of a national, state, or local political party;
- (2) take part in a political campaign;
- (3) express political opinions;
- (4) register party preference;
- (5) serve as a voting or nonvoting delegate to a party convention;
- (6) be appointed, nominated, or elected to nonpartisan public office in a local government unit; and
- (7) make contributions to a political party or a candidate for public office.

(SB 193, page 17, line 20)

Comment

This section sets out the political rights listed in the present AS 39.25.160(a) with amendments for style. Paragraph (7) is added to clarify that state employees may make contributions to a political party or candidate.

Sec. 20. AS 39.25.180 is repealed.

(SB 193, page 18, line 5)

Comment

The Revisor of Statutes has determined that this section, which provides for the transfer of territorial employees to state employees, is obsolete. The commission agrees with her. Therefore, the bill repeals the section.

Sec. 21. This Act takes effect July 1, 1981.

(SB 193, page 18, line 6)

Comment

The commission recommends an effective date to insure a smooth transition from the existing practices to those set out in the bill.

SENATE BILL 194: RELATING TO NEPOTISM IN STATE EMPLOYMENT.

PURPOSE

The present statute prohibiting nepotism in state employment is directed at relatives of the executive head of a department or agency. It prohibits the employment of anyone related within the second degree of kindred to the executive head. However, the Personnel Rules also prohibit the employment of persons related within the second degree of kindred to the head of the division or subdivision within which the person is working. (PR 13 09.2). In addition, the Rule requires that before a person may be employed in the same agency with a close relative, that the Director of Personnel and the appointing authority for the department or agency must give express approval to the appointment. (PR 13 09.3)

The scope of the Personnel Rules is broader than the scope of the statute. The Attorney General has advised the Division of Personnel that the Rules are therefore not completely enforceable. The commission considered the issue and the majority recommends that the scope of the statute be enlarged to include the provisions of the Personnel Rules. While provisions against nepotism limit the opportunities of some Alaskans to find employment with particular offices in the state, the disadvantage to those people should be weighed against the appearance of impropriety and favoritism which is created if relatives of the head of a division or department

are working within that division or department.

The Director of Personnel advised the commission that in the past he has routinely approved waivers for relatives to work in a non-supervisory status in the same office. The majority of the commission recommends that requirement for review of these situations be placed in the statute to provide a mechanism for review should an instance of abuse arise.

SECTION BY SECTION ANALYSIS

Section 1. AS 39.10.010 is repealed and reenacted to read:

Sec. 39.10.010. NEPOTISM PROHIBITED. (a) A person may not be appointed to a position in a state department or agency, whether in the legislative, judicial, or executive branch, if that person is the spouse of or is related by blood or marriage within and including the second degree of kindred to the commissioner or a deputy or assistant commissioner of the principal department, or to the executive head of the agency.

Comment

This subsection prohibits the employment of a person related to the top-level managers of a department or agency. It encompasses the present substance of AS 39.10.010 and extends it to include deputy and assistant commissioners.

(b) A person may not be appointed to a position in a division of a state department or agency, whether in the legislative, judicial, or executive branch, if that person is the spouse of, or is related by blood or marriage within and including the second degree of kindred to, the executive head of the division.

(c) A person may not be appointed to a position in a state department or agency in the executive branch, if that person is the spouse of, or is related by blood or marriage within and including the second degree of kindred to, an employee in the department or agency unless

the director of personnel and the person who makes the appointment approve the appointment in writing. An appointment prohibited by (a) or (b) of this section may not be approved under this subsection.

Comment

These subsections extend the scope of the statute to include the provisions of the Personnel Rule. Subsection (b) prohibits the employment within a particular division of persons related to the division director. It applies to all three branches of government.

Subsection (c) provides that before two close relatives may work in the same office in the executive branch of government, the Director of Personnel and the person who is making the hiring decision must both approve the appointment in writing.

Section 2. This Act takes effect immediately in accordance with AS 01.10.070(c).

Comment

Because the state is operating without an effective nepotism law, the commission recommends that the bill take effect immediately.

SENATE BILL 195: LIMITING THE ADJUSTMENT OF RETIREMENT BENEFITS.

PURPOSE

This bill remedies a problem which the commission was advised of in testimony from a retired state employee. When the employee retired in 1976, she had been advised on four separate occasions by the staff of the Division of Retirement and Benefits that she was eligible for more than nine years of credited service with the state. Shortly after she retired the legislature amended the retirement laws and she was told that she would receive credit for an additional three years because of her military service. She began receiving retirement benefits on that basis.

In 1979 the division wrote to advise her that their original computations had been in error and that her years of employment with the University of Alaska could not be included in her credited service. Therefore, she had received over \$5000 in benefits which she would have to repay. They reduced the amount of her check by \$100 to be credited towards that overpayment, in addition to reducing the check to the amount she was actually entitled to receive. The basis for denying credit for the employee's period of service with the University of Alaska was a regulation adopted by the Division of Retirement and Benefits in 1978 -- two years after she had retired.

The employee appealed to the Public Employee Retirement Board, which can waive collection of overpayments in cases of hardship. In

determining whether there would be hardship to the employee, the board considered her family's financial situation and found that she was not entitled to the waiver.

Commission members discovered that this was not an isolated instance. A number of retired state employees have undergone similar experiences. They relied on assurances from the division of retirement and benefits only to discover a considerable time later that errors had been made and that their benefits would be reduced.

The commission recommends that a two-year statute of limitations be placed on the collection of overpayments. Two years gives the Division of Retirement and Benefits ample time to audit its records and find and correct any errors made. After that period of time, a retired person should be freed from the burden of having to pay back the state for mistakes of the state's employees. This protection should be available only in cases where the retired person did not contribute to causing the error. It should not apply to persons working for employers other than the state, since those employers may not be in a financial position to absorb the cost of errors made by state employees.

SECTION BY SECTION ANALYSIS

Section 1. AS 14.25.173 is amended by adding a new subsection to read:

(b) An adjustment which requires repayment of benefits may not be made under this section if

(1) the incorrect benefit was first paid two years or more before the member or teacher or beneficiary was notified of the change

or error; and

(2) the change or error was not caused by the member or teacher or beneficiary.

Comment

This section amends the Teachers Retirement System by prohibiting the Division of Retirement and Benefits from decreasing benefits in order to collect for a previous overpayment if two conditions are met. The first condition is that the overpayment began two years or more before the division told the retired teacher of the error. The second condition is that the teacher did not cause the error.

Sec. 2. AS 39.35.520 is amended by adding a new subsection to read:

(b) An adjustment which requires repayment of benefits may not be made under this section if

(1) the incorrect benefit was first paid two years or more before the employee or beneficiary was notified of the change or error;

(2) the change or error was not caused by the employee or beneficiary; and

(3) the change or error relates to the employee's credited service with the state and not with another participating employer.

Comment

This section amends the Public Employee Retirement System in the same way that section 1 amends the TRS. However, in this section there is an additional condition. The error in computation must relate to the employee's credited

.. service with the state, and not with another participating employer.

Sec. 3. This Act is retroactive to July 1, 1979.

Sec. 4. This Act takes effect immediately in accordance with AS 01.10.-070(c).

Comment

Section 3 makes the Act retroactive in order to include the retired person who testified before the commission. Section 4 provides that the Act takes effect immediately in order to address the hardship to retired state employees.

SENATE BILL 196 : RELATING TO THE MEMBERSHIP OF THE
PUBLIC EMPLOYEES RETIREMENT BOARD.

PURPOSE

This bill amends the Public Employees Retirement Act to change the membership of the Public Employees Retirement Board. The law presently requires that the three members who are appointed to the Personnel Board shall also serve on the PERB. AS 39.35.030. Those three individuals are also, by statute, appointed to the Labor Relations Agency, which is involved in collective bargaining issues. AS 23.40.250(3). The activities of both the LRA and the PERB have grown considerably recently. In the last legislative session, the PERB was made responsible for overseeing the supplemental employee benefit program and the deferred compensation program for state employees. AS 39.35.040(9) and (10). The increase in the number of state employees who are members of collective bargaining organizations has led to additional work for the LRA. The three members of the Personnel Board are citizen volunteers appointed by the Governor who are not employed by the state.

While the issues which are addressed by the Personnel Board are related to some of the issues addressed by the Labor Relations Agency, this is not the case with the subjects of concern to the Public Employees Retirement Board. Therefore, the commission recommends that the members of the Personnel Board continue to serve as the members of the LRA and that they be removed from the PERB.

The PERB should be composed of four elected members and one member appointed by the Governor. In addition, the commission recommends that one of the elected members should be a retired person to insure that those most directly affected by the system have a voice in the decision-making body.

SECTION BY SECTION ANALYSIS

Section 1. AS 39.35.030(b) is amended to read:

(b) One (THREE) board member (MEMBERS) shall be appointed by the governor and shall serve at his pleasure (MEMBERS OF THE PERSONNEL BOARD OF THE DEPARTMENT OF ADMINISTRATION). The remaining four (TWO) board members shall be members of the system (AND) elected by the members of the system, and at least one of the elected board members shall be retired.

Comment

Section 1 of the bill sets out the changes in membership of the PERS board which are discussed above.

Sec. 2. Notwithstanding AS 39.35.030(b), as amended by sec. 1 of this Act, a person serving on the Public Employees Retirement Board on the effective date of this Act who was from the personnel board of the Department of Administration shall continue to serve until his successor is elected or appointed by the governor.

Comment

Section 2 is a temporary measure to enable the board to continue to act until new members have been selected according to the new method.

SENATE BILL 197: APPLYING THE ADMINISTRATIVE PROCEDURE
ACT (AS 44.62) TO ADOPTION OF REGULATIONS
BY STATE RETIREMENT SYSTEMS.

PURPOSE

This bill amends the law to require that both the Public Employees Retirement Board and the Teachers Retirement System administrators comply with the Administrative Procedure Act when adopting regulations. Both retirement systems are presently exempted from the APA. The commission recommends the change because of concern that regulations have been adopted in the past without adequate opportunity for public comment. Although rule-making under the APA may be more time-consuming than rule-making under the present methods of the retirement systems, the improved public notice requirements outweigh that disadvantage. In instances in which either retirement system is faced with a need for immediate change in regulations, the APA provides for emergency rule-making. AS 44.62.250.

SECTION BY SECTION ANALYSIS

Section 1. AS 39.35.042 is repealed and reenacted to read:

Sec. 39.35.042. REGULATIONS. Adoption of regulations under this chapter is subject to the Administrative Procedure Act (AS 44.62).

Comment

Section 1 of the bill amends the Public Employees Retirement System statute to make the PERS subject to the APA rule-making requirements.

Sec. 2. AS 14.25.022 is repealed and reenacted to read:

Sec. 14.25.022. REGULATIONS. Adoption of regulation by the administrator under this chapter is subject to the Administrative Procedure Act (AS 44.62).

Comment

Section 2 amends the Teachers Retirement System statute to make the TRS subject to the APA rule-making requirements.

CHAPTER II

UNRESOLVED PERSONNEL ISSUES

A number of the issues in the state personnel system continue to be of concern to the commission. There has not been time to address them fully during the past year.

NONPERMANENT CATEGORY OF EMPLOYEES

The passage of the nonpermanent law ended many of the difficulties which had existed with the temporary category of employees. However, the nonpermanent law brought about a significant change in the system for employing short-term workers for the state. Problems remain to be resolved in the fine-tuning of that system. Recently, the commission was advised of one aspect of these problems.

The Department of Fish and Game employs a number of people during the summer months to inventory the wildlife resources of the state. The length of employment can be as short as three weeks. Before the nonpermanent law was passed, these positions were classified as temporary positions. Last year, the department changed them to permanent seasonal positions. With the change from temporary to permanent seasonal, the department was, for the first time, required to fill the positions from the state's registers (the list of eligible applicants for positions). In the past, many of these positions had been filled by local residents. However, the local residents are not as likely to apply for the positions and to be placed within the top five candidates on the register as are college students looking for summer work. This had led to a decrease in local hire.

The issues which this situation raises include whether positions of this kind should be classified as permanent seasonal, and, if not, how they should be incorporated into the nonpermanent category of employees. The commission expects to discuss these issues during its ensuing meetings and to fully review the state's experience with the nonpermanent law.

APPLICATION PROCESSING BY THE DIVISION OF PERSONNEL

It takes an average of about six weeks for an application for state employment to be evaluated and the applicant advised whether he meets the minimum qualifications and to be scheduled for any examination required for the job class applied for. This is an average time and the actual time varies considerably based on the job class applied for and the place where the application is submitted. While the six weeks delay

is lower than previous averages, it is longer than it should be. In addition, the division expects to receive an increased number of applications during the summer months, and this increase will probably lead to a longer processing time.

The division has advised the commission of steps it is taking to automate part of the application system, so that record keeping will be done automatically and it will be easier to track the progress of an application. The commission encourages the division to do all that it can to improve the situation. The commission will continue to consider the issue.

MEMBERSHIP IN THE EXEMPT AND PARTIALLY EXEMPT SERVICES

Membership in the exempt and partially exempt services is established by the State Personnel Act. In its revision of the Act, the commission does not make substantial changes in that membership. However, it continues to be concerned about agencies whose employees might more appropriately be placed in the classified service and subject to the merit principle of employment. The commission has urged the Governor to continue to examine this question, and where appropriate, to move employees into the classified service.

DISCIPLINARY SYSTEM FOR STATE EMPLOYEES

Neither the State Personnel Act nor the Personnel Rules provide a comprehensive system of disciplinary measures for state employees. The Act does include a statement that the Rules shall provide for the imposition of disciplinary suspension without pay for not longer than 30 days in a 12-month period. AS 39.25.150(17). The Act also makes willful violation of the State Personnel Act or the Personnel Rules grounds for conviction of a misdemeanor. Following conviction, a state employee immediately forfeits his office or position. AS 39.25.210.

The commission is working towards the development of a disciplinary system which would guide supervisors so that all state employees receive fair and consistent treatment which corrects problems where possible and encourages an effective, motivated work force.

REVISION OF THE PERSONNEL RULES

The commission continues to recommend that the Personnel Rules be comprehensively revised to bring them into accord with modern personnel practices. Issues which should be addressed in the revision include the use of block scoring and the application and selection procedures for state employment, especially for rural positions. The Rules should also indicate the extent to which they are affected by collective bargaining.

SENATE CONCURRENT RESOLUTION 10: EXTENDING THE LIFE OF THE
BLUE RIBBON COMMISSION ON THE STATE
PERSONNEL ACT.

PURPOSE

As noted in the previous sections, there are a number of issues which the commission has not been able to resolve in the time available to it. The commission requests that its operation be extended for another year so that it can continue with the projects it has begun. Therefore, it is introducing Senate Concurrent Resolution No. 10. A fiscal note for the resolution is included as Appendix F.

TEXT

WHEREAS in 1978 the legislature through Legislative Resolve No. 27 authorized the Legislative Council, in cooperation with the director of personnel, to form a "blue ribbon" commission to study the State Personnel Act; and

WHEREAS the commission was formed as authorized by the resolution, made its report to the First Session of the Eleventh Legislature, and, in response to the commission's request for additional time to study problems it had identified, was funded by the legislature for a second year; and

WHEREAS in 1980 the commission made its second report to the legislature, and the legislature through Legislative Resolve No. 38 authorized the commission to continue to perform the assignments made to it by 1978 Legislative Resolve No. 27; and

WHEREAS the commission is continuing to develop answers to the issues

it has identified and more time is needed to complete the task which it was assigned;

BE IT RESOLVED by the Alaska State Legislature that the Blue Ribbon Commission on the State Personnel Act is authorized to continue to perform the assignments made to it by 1978 Legislative Resolve No. 27, through June 30, 1982.

Resolve No.SCR 88 am H27

Directing the Legislative Council to carry out certain studies.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:

The legislature has determined that the laws of the state found in Title 4, Alaska Statutes, and relating to the sale and dispensing of alcoholic beverages, are in serious disarray. This disarray is the result of patchwork amending over several decades and as a result the laws are very difficult to administer effectively and defy constructive amendment on a piecemeal basis. This small but important body of law is overdue for a substantive revision. A revision project would involve a thorough review of the policies involved and a comprehensive re-arrangement and rewording of the laws to make effective administration possible and to facilitate legislative amendment in the future.

The Senate Special Committee on the Revision of Title 4 of the Alaska Statutes (Alcoholic Beverages) will expire with other special committees at the end of the regular session, but the legislature finds that the subject matter before it will require interim attention between adjournment and the convening of the next legislature.

BE IT RESOLVED by the Alaska State Legislature that under provisions of AS 24.20.090 and Uniform Rule 48(c) the Legislative Council is directed to establish a joint interim committee of the council to continue the special committee's work and accomplish a substantive revision of Title 4, Alaska Statutes (Alcoholic Beverages) during the 1978 interim; and

WHEREAS the State Personnel Act (AS 39.25) of the State of Alaska represents a considerable and vital body of law which has not undergone substantive revision and is consequently vastly

out of step with personnel developments of the last decade; and

WHEREAS the advent of collective bargaining and the tremendous growth in the number of state government employees require refinement of the personnel system; and

WHEREAS investigations by the legislative audit division and the office of the ombudsman have revealed major deficiencies in the present personnel system; and

WHEREAS it is impossible during the course of a legislative session to devote the necessary time required to study and refine the Personnel Act;

BE IT RESOLVED by the Alaska State Legislature that the Legislative Council, in cooperation with the director of personnel, is authorized to form a "blue ribbon" commission to study and refine the State Personnel Act and to investigate the feasibility of decentralizing the hiring of employees and a method for regularizing the hiring of specialists who, because of higher comparable salaries in the private sector for the skills involved, must be paid at levels in excess of the salary schedule, and to submit to the First Session of the Eleventh Legislature a proposed revision of the State Personnel Act based on the commission's recommendations; and be it

FURTHER RESOLVED that the membership of the commission should be representative of all persons and groups vitally concerned with the personnel system; and be it

FURTHER RESOLVED that the Legislative Council is authorized to contract with a competent person or firm knowledgeable in the varying aspects of personnel administration to oversee and direct the work of the commission.

TABLE OF COMPARISON - AS 39.25.120

<u>EXISTING</u>	<u>PROPOSED</u>	<u>COMMENT</u>
1st para.	(a) and (b)	Rephrased. Reference to paragraphs in AS 39.25.150 changed because of changes proposed in that section. Since AS 39.25.170 is changed, reference to hearings is changed. Since the bill repeals AS 39.25.-180, (Status of Present Employees) reference to it is deleted.
	Subsec. (c)	
(1)	(1)	The proposed version adds deputy commissioners and makes specific reference to the assistant adjutant general of the Department of Military Affairs and to regional directors of Department of Transportation & Public Facilities.
(2)	(2)	The Governor has directed that all division directors be partially exempt and therefore the paragraph is rewritten to provide that all division directors are in the partially exempt service.
(3)	(3)	
(4)	(4)	
(5)	(5)	The Public Defender Agency is no longer in the Office of the Governor. Reference to attorneys in that agency is moved to (3) of the proposal.
