"An Act making a supplemental appropriation to the Department of Labor and a transfer to the Department of Military Affairs; and providing for an effective date."

Sec. 1. Appropriates \$64,500 to the Workers' Compensation program for the hiring of 1 and 1/2 positions for regulation review and at least 1 and 1/2 for contractual Hearing Officers to help remove the back logged Workers' Compensation hearings.

Appropriates \$600,000 to the Second Injury Fund, this will make the fund solvent. The \$600,000 is what is presently owed to Employers and will pay compensation to workers.

This bill would place the money correctly in the account form which benefits for the National Guard Retirement System are paid.

Sec. 5. the unexpended and unobligated part of the appropriation made in sec. 1 of this Act lapses into the general fund June 30, 1981. 2. red next
