June 19, 1981

SUBJECT: HCS CSSB 244 (Finance)

TO: Representative John G. Fuller  
Chairman, House Rules Committee

FROM: John B. Chenoweth  
Legislative Counsel *JBC*

The Finance Committee reported this bill yesterday (June 18th). Its effective date clause, \* Section 4 of the bill, should be changed, either by offer of a Rules Committee Substitute or 1 floor amendment, to read:

\* Sec. 4. This Act takes effect on the effective date of an Act establishing the power development fund and entitled "An Act relating to energy projects and programs of the Alaska Power Authority; and providing for an effective date".

This is, of course, a reference to FCCSSB 25 -- part of the pending hydro project package.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III) This bill has no impact on the Power Authority. Since the loans referred to in Sections 2 through 9 are based upon appropriations in FY 76 through FY 81, no additional appropriations are necessary. If the loans are converted to grants, the Treasury or the General Fund will be negatively impacted since the principal of the loans and interest return on principal will not be paid. If the Power Project Development Fund is not fully funded by 1986, there will be a return to the General Fund and no impact on the Treasury.
