Honorable Representative;

I am writing you in regards to Distinctive Auto license plates for National Guardsmen. At present there are 15 (fifteen) States that offer this to their Guardsmen, either FREE or at a reduced rate. They are as follows: Alabama, Arkansas, Florida, Idaho, Kentucky, Mississippi, New Jersey, New Mexico, North Carolina, South Carolina, Montana Tennessee, Utah, and Virginia.

A State such as our's surely could come up with something similar. This would be a asset to our Recruiting and Retention efforts as well as making the general public aware of the National Guard.

III. ANALYSIS (See Fiscal Note Preparation Instruction, Section III)

HB 689 sets same requirement to obtain specialized license plates for members of the National Guard as is now required for individuals who want to obtain personalized license plates, which is to pay an additional \$20 fee for initial issuance of a set of plates. Using an estimate that 1,500 National Guard plates would be issued the first year, the increase in revenues would be \$30,000 (1,500 x 20).
