Sec. 29.36.010. SCOPE OF AREAWIDE POWERS. (a) First and second class

boroughs shall exercise the powers as specified and in the manner specified in this chapter on an areawide basis, both inside and outside cities within their boundaries.

(b) No city, whether home rule or not, may exercise an areawide power once that power is being exercised by a borough.

ARTICLE 2. MANDATORY AREAWIDE POWERS AND DUTIES.

Sec. 29.36.040. EDUCATION. Each borough constitutes a borough school district and establishes, maintains, and operates a system of public schools on an areawide basis as provided in AS 14.14.060. A military reservation within an organized borough is not part of the borough school district until the military mission is terminated or until inclusion in the borough school district is approved by the Department of Education. However, operation of the military reservation schools by the borough school district may be required by the Department of Education under AS 14.14.110. If the military mission of a military reservation terminates or continued management and control by a regional educational attendance area is disapproved by the Department of Education, operation, management and control of schools on military reservation transfers to the borough school district in which the military reservation is located.

Sec. 29.36.050. ASSESSMENT AND COLLECTION OF TAXES. Boroughs shall assess and collect property, sales, and use taxes levied within their boundaries, subject to ~~ch. 45~~ of this title. Taxes levied by a city and collected by a borough are returned in full to the levying city.

1 Sec. 29.36.090. ADDITIONAL AREAWIDE POWERS. First and second class
2 boroughs acquire additional areawide municipal powers by transfer from a
3 city or by holding an areawide election on the question, except as provided
4 otherwise in AS 29.33.080 and 29.33.090.

5 Sec. 29.36.100. TRANSFER BY CITY. (a) A city may transfer to the
6 first or second class borough in which it is located any of its powers or
7 functions, subject to the approval of the borough assembly.

8 (b) First and second class boroughs shall exercise all powers
9 transferred to them by cities.

10 Sec. 29.36.110. PETITION FOR POWER. An election on the question of
11 adding an areawide power may be initiated in two ways:

12 (1) a number of voters equal to 15 percent of the number of votes
13 cast in the borough at the preceding regular election may file a petition
14 with the assembly, or

15 (2) the assembly may propose the acquisition of the power.

16 Sec. 29.36.120. INVESTIGATION. The assembly shall hold at least one
17 public hearing in the borough on the question. The assembly shall then
18 evaluate the ability of the borough to exercise the powers and make its
19 findings public.

20 Sec. 29.36.130. ELECTION. (a) The assembly shall, within 30 days
21 after its findings have been made public, order an election to be held on
22 the question. The election shall be held at least 30 days after the order

24 period.

25 (b) If more than one power is proposed, each appears separately
26 on the ballot.

27 (c) The borough mayor shall certify the election results to the

1 One shall consist of all votes cast in the home rule and first class cities
2 of the borough. The other shall consist of all votes cast in the remaining
3 borough area. If the majority of the votes cast in each classification is
4 favorable, the borough shall assume the added power within 30 days of certifi-
5 cation of the election results. Upon acquisition of an areawide power the
6 borough succeeds to all of the rights, powers and duties of any city or
7 service area with respect to that power. The borough succeeds to claims,
8 franchises and other contractual obligations, liability for bonded and all
9 other indebtedness and to all of the right, title and interest in the real
10 and personal property held by the city or service area for the exercise of
11 the power. The borough assembly may levy and collect special charges, taxes
12 or assessments including interest for the purpose of amortizing bonded in-
13 debtedness previously incurred by the city or service area for continuing
14 services in the area. When a city or service area had previously incurred
15 bonded indebtedness, no less than all property that was within the city or
16 service area at the time the bonds were issued shall remain subject to
17 taxation to pay the principal of and interest on the bond for as long as
18 they remain outstanding. Upon acquisition of additional areawide powers the
19 borough, in consultation with the city or service area personnel, shall
20 arrange for an orderly and equitable transfer of rights, assets, liabilities,
21 powers, duties and other matters related to acquisition of the areawide
22 powers. This section applies to home rule and general law cities.
