4 THIRTEENTH LEGISLATURE - SECOND SESSION
5 A BILL

6 For an Act entitled: "An Act relating to income, allowances and debts of
7 and rates charged to residents of the Alaska
8 Pioneers' Home; and providing for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 47.25.020(b) is amended to read:

11 (b) Every person admitted to the Pioneers' Home, except a person
12 admitted under AS 47.25.030, who receives income from any source in
13 excess of \$100 per [\$35 A] month may be required by the Department of
14 Administration to pay the excess to the Department of Administration
15 immediately upon receipt of the money in payment, or part payment, of
16 the cost of the person's [HIS] maintenance.

17 * Sec. 2. AS 47.25.020(c) is amended to read:

18 (c) At the end of each month the payments made under (b) of this
19 section shall be transmitted to the commissioner of revenue together
20 with the names of the persons making them and the amount paid by each.
21 The Department of Administration may pay [THE SUM OF \$35 A MONTH] to a
22 resident without funds the sum of \$100 per month.

23 * Sec. 3. AS 47.25.030 is amended by adding new subsections to read:

24 (b) The Department of Administration shall adopt regulations
25 establishing a daily or monthly rate for the compensation a resident
26 is to be charged under (a) of this section. The rate charged need not
27 fully compensate the state for the cost of care and support. The
28 commissioner of administration shall review this rate not less than
29 once every two years.

1 (c) The Department of Administration shall provide to all resi-
2 dents of the Pioneers' Home written notice of any proposed change in
3 the rate charged for care and support of persons at the home. Notice
4 under this section shall be given not less than 60 days before a
5 change is adopted.

6 * Sec. 4. AS 47.25.070 is repealed and reenacted to read:

7 Sec. 47.25.070. INDEBTEDNESS OF PIONEERS' HOME RESIDENT TO
8 STATE. (a) The following expenses incurred for a pioneers' home
9 resident under AS 47.25.010 - 47.25.110 are an indebtedness of the
10 resident to the state and may be recovered during the life of the
11 resident:

12 (1) costs of standard or nursing care and support provided
13 in the Pioneers' Home each month to the resident not exceeding the
14 rate established by the Department of Administration under
15 AS 47.25.030, with credit given for any amounts paid by or collected
16 from the resident;

17 (2) allowances paid under AS 47.25.020(c);

18 (3) arrearages in fees for ancillary charges in the Pio-
19 neers' Home;

20 (4) prescription medicine; and

21 (5) burial and related expenses.

22 (b) The indebtedness is a first, prior and preferred claim
23 against the estate of the Pioneers' Home resident after the resident's
24 death, and after all claims for food, clothing, fuel, shelter, medical
25 aid, or burial expenses are paid. Heirlooms without regard to value
26 are exempt from a claim by the state under this section.

27 (c) Money left in the charge of the Department of Administration
28 by a deceased resident of the Pioneers' Home may be used for the
29 burial and funeral expenses of the resident and for the improvement of

1 the burial plot of the Pioneers' Home.

2 (d) If the clothing and other personal effects of a deceased
3 Pioneers' Home resident are not claimed by a person previously
4 designated by the resident, or by a relative of the resident if no
5 designee survives, within 60 days after the home notifies the person
6 or relative of the death of the resident, then the clothing and
7 effects may be used for the benefit of other residents, or they may be
8 sold and the proceeds applied in the manner provided for money left by
9 a deceased resident.

10 (e) For the purposes of this section, "heirloom" means personal
11 property of sentimental value to a Pioneers' Home resident that has
12 been in the possession of the resident's family or was a gift from the
13 resident to the resident's family.

Subject: CS HB503 (State Affairs)

The Committee Substitute addresses the two major concerns of the original bill:

1. Raising the monthly allowance from \$35.00 to \$100.00.
2. Allows personal property of the resident to be passed on to the family in the event the resident incurs a debt to the state. The Committee Substitute deletes the \$10,000 exemption and replaces it with an exemption for heirlooms without regard to value, and defines heirlooms as personal property of sentimental value to a Pioneer resident that has been in the family for ten years or more, or was a gift to the resident.

Additionally, the Committee Substitute addresses several concerns of the Pioneer Home residents and attempts to clarify in statute, procedures for establishing and raising of rates, and specifies which expenses the state is allowed to recover as debts to the state. Furthermore, the Committee Substitute makes technical changes to clarify whom the statute pertains to. The Committee Substitute also addresses a request by the residents to allow them to designate a person, other than a relative, to handle their clothing and other personal effects after they are deceased.

Subject: HB503 - An Act relating to income, allowances
and debts of residents of the Alaska
Pioneers' Home.

FILE COPY

The purposes of HB503 are twofold:

During the last session the Legislature, in a letter of intent to last years' budget, required that the Department of Administration raise the fees charged to the residents of the Pioneer Home.

These rent increases were from \$225.00 to \$425.00 for regular residents and from \$275.00 to \$525.00 for residents who receive skilled nursing care.

At the time of the rent increase the residents met with members of the Legislature and representatives of the Department of Administration to request, first, that the increase be delayed, and secondly, that the amount of the monthly stipend (discretionary income) allowed residents be increased from \$35.00 to \$100.00.

Needless to say the rent increase was not delayed. However, the increase in rent, from \$225.00 to \$425.00, took up what additional money many of the residents had left each month leaving them to receive only the \$35.00 monthly allowance.

There had not been an increase in the stipend in thirteen years. I do not believe that \$35.00 a month is sufficient for the residents of the Pioneer Home to purchase necessities such as prescription drugs, clothing, and personal items like shampoo, and toothpaste as well as an occasional splurge for a trip to the barber or beauty shop. Therefore, this legislation increases the allowance amount from \$35.00 to \$100.00 a month.

Memo of 1-17-84 (Continued)

Page 2

The second portion of the bill addresses a large concern of many of the elderly at the Pioneer Home.

When a person cannot afford to pay the full amount of their rent to the Pioneer Home and also receives a stipend, they incur a debt to the State, which accrues six percent interest. This debt is then recovered by the State from the estate of the individual.

The residents of the Pioneer Home worry that they will be unable to pass on to their children personal possessions, such as wedding rings, coin collections, and other heirlooms which might have special meaning to the family.

In reality, this clause is seldom if ever used, because when a resident dies and owes a debt to the State, he rarely has an estate from which the debt may be recovered.

However, with the large increase in rents, many residents are concerned that they will in the future incur a debt to the State and therefore be unable to pass to their families personal possessions.

This legislation deletes the interest charge from the debt owed to the State, and allows for up to \$10,000 worth of personal possessions to be passed on to the family.

It is important to remember that this section is currently almost never used, and that the changes are primarily for the peace of mind of the residents of the Pioneer Home.

POSITION PAPER

SCSSSHB 503 (State Affairs) am

This bill increases the monthly stipend paid to certain qualified residents (who are otherwise without funds) of Alaska's Pioneers' Homes from the current \$35 to \$100. The current \$35 stipend is clearly too little and therefore, an increase is indicated.

AS 47.25.020(b)(c)

Sixty-one residents, or just under 10% of all residents of the Pioneers' Home system presently receive the \$35 stipend. However, the full effect of the recent monthly rate increase to residents is only now being felt, and it is anticipated that the estimates of stipend costs for FY 85 are more accurately reflected in the operating budget which includes funds for 154 persons (\$63,000). The Division of Pioneers' Benefits estimates that, should this bill become law, the number of residents who would qualify for the monthly stipend would be increased to as many as 165 residents, due to more people having less than \$100 in monthly income. \$100 is a 286% increase over the current \$35.

AS 47.25.030(b)(c)(d)

This bill also amends the statutes by requiring the Department of Administration to "adopt regulations establishing a daily or monthly rate for compensation a resident is to be charged." The Commissioner of the Department of Administration is not allowed to change the rate more than once in a fiscal year.

AS 47.25.030(c)(d)

This bill would require all residents of the Pioneers' Homes to be notified in writing of any proposed increase in the rate charged not less than sixty days before the increase is adopted. This bill would allow rate increases only following public hearings. The Department supports a sixty-day notification period. We know the actual costs of care in Pioneers' Homes increase over time. We are not confident that in public hearings residents would encourage rate increases. Regular public forums on costs of care could also raise the question of relative costs compared to care in private settings.

AS 47.25.070(a)

This bill contains the following language, "INDEBTEDNESS OF PIONEERS' HOME RESIDENT TO STATE. The following expenses incurred for a Pioneers' Home resident under AS 47.25.010 - 47.25.110 and not recoverable from a collateral source are a debt of the resident. . . ."

It should be understood that Medicaid and Medicare will not pay for services provided residents because Pioneers' Homes are State institutions. It is unlikely that any "third party payer" (insurance company) would pay the State for the same reason. Nonetheless, the language of this section of the bill may cause a billing process to be put in place, even though there would be no recovery.

If the State were to bill "third party payers" for services provided residents of Pioneers' Homes, it would create a need for increased office staff at the five (5) Pioneers' Home sites, to accomplish such billings. The cost of such additional personnel is not known at this time. The Department cannot support that language.

This bill further reforms the language of the statute. Whereas the Department in general supports such reforms, we suggest the use of the words "ancillary charges" in lieu of the following language:

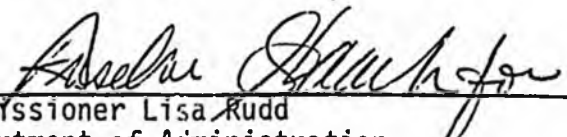

- (2) allowances paid under AS 47.25.020(c);
- (3) costs of hospitalization and medical treatment provided outside the Pioneers' Home;
- (4) arrearages in fees for television and telephone services provided in the Pioneers' Home;
- (5) prescription medicine; and
- (6) burial and related expenses.

AS 47.25.070(b)

This bill would also amend the statute by removing an existing six percent (6%) interest penalty on unpaid expenses incurred at a Pioneers' Home by a resident, and collectible from the beneficiary(s) of a resident's estate. This bill would moreover establish an exemption for "heirlooms without regard to value." The word "heirloom" is also defined.

POSITION PAPER

H.B. 503

This bill increases the monthly stipend paid to certain qualified residents (who are otherwise without funds) of Alaska's Pioneers' Homes from the current \$35 to \$100. The current \$35 stipend is clearly too little and therefore, an increase is indicated.

This bill would also amend the statutes by removing an existing six percent (6%) interest penalty on unpaid expenses incurred, at a Pioneers' Home by a resident, and collectable from the beneficiary(s) of a resident's estate. This bill would moreover establish an exemption for personal property of a value of not more than \$10,000 from any claim, by the State, against a resident's estate for unpaid expenses incurred at a Pioneers' Home.

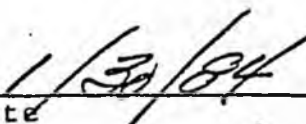

Sixty-one residents, or just under 10% of all residents of the Pioneers' Home system presently receive the \$35 stipend. However, the full effect of the recent monthly rate increase to residents has not yet been felt, and it is anticipated that the estimates of stipend costs for FY 85 are more accurately reflected in the operating budget which includes funds for 154 persons (\$63,000). The Division of Pioneers' Benefits estimates that, should this bill become law, the number of residents who would qualify for the monthly stipends would be increased to as many as 165 residents, due to more people having less than \$100 in monthly income. \$100 is a 286% increase over the current \$35.

The Department of Administration is opposed to the language eliminating the six percent (6%) interest against unpaid expense incurred at Pioneers' Homes and is also opposed to a \$10,000 exemption to personal property. The department would prefer language expressly exempting certain types of personal property without regard to value. Such personal property may have a value beyond any monetary consideration to the beneficiary(s) of the resident.

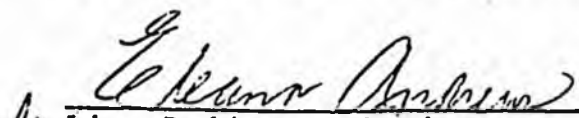

The department supports increasing the monthly stipend to somewhere between \$75 to \$100.
