III ANALYSIS

Assume that there are 20,000 persons served by VFD's as described by the bill. Also assume that the number of eligible VFD's will increase annually as Boroughs and VFD's discover this is additional funding and does not reduce funding to the borough for other services.

200 TRAVEL - \$1,000 to fund the provision of technical assistance directly to VFD'S participating in the program.

300 CONTRACTUAL - \$2,000 to pay additional application postage and telephone costs.
