III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Assume that the total cost of this project will be charged against this appropriation. A problem may be encountered by having DOT/PF as the agency contracting for this service if the memorial chosen is in the nature of an artwork for which a particular artist was desired; because AS 35.15.030 states that when a contract for construction exceeds \$100,000, it shall be awarded to the lowest responsive bidder.
